City Council Agenda Report

Agenda
Item No.
7.c.

DATE: July 27, 2021

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

SUBMITTED BY: Diana Lopez, Human Resources/Risk Manager

SUBJECT: CONSIDERATION AND APPROVAL OF A ONE-TIME
"HERO/HAZARD" PREMIUM PAY PROGRAM FOR ALL
ELIGIBLE STAFF MEMBERS

SUMMARY: On June 8, 2021, staff provided City Council with recommended guidelines for the "Hero/Hazard" Premium Pay Program for essential workers whose job duties required them to report to work on-site, therefore putting themselves at a higher risk of exposure to COVID-19 from the public and/or co-workers. The City Council reached consensus on the primary program provisions and requested that staff return at a future meeting to provide both the total appropriation amount, as well as individual premium pay.

RECOMMENDATION: Staff recommends City Council approve an appropriation amount for a one-time "hero/hazard" premium pay program for all eligible staff members.

FISCAL IMPACT: Staff will appropriate a portion of the \$4.9 million in American Rescue Plan Act (ARPA) monies (approx. \$210,220) to fund the one-time "Hero/Hazard" Premium Pay Program to all eligible staff members based on eligibility requirements and distribution options.

DISCUSSION: To provide additional consideration to employees who may have endured greater health risks during the pandemic, the City Council directed staff to distribute the one-time premium pay to eligible staff members based on weekly hours worked directly in office or on the field, from March 2020 to May 2021. The direction was to provide \$2 for every direct hour worked in office or on the field.

With the assistance from each employee, payroll history and a detailed look at absences based on COVID-19 safer at home orders, employee positive cases or close contact, staff calculated the weekly hours worked directly in office or on the field, from March 2020 to May 2021 for eligible employees. The number of eligible recipients totaled 86 with a

projected payout of \$210,220. The chart below displays a sample for one employee of how the approved distribution of premium pay was calculated.

Position Title	TOTAL HOURS PAID	DIRECT HOURS IN OFFICE OR FIELD	ONE-TIME PREMIUM PAY (DIRECT HOURS X \$2)
Maintenance Worker I	2,585	2,205	\$4,410

****Note:** The difference between total hours paid and direct hours in office or field considers COVID-19 safer at home orders, vacation, sick, other leave, etc.**

TO: Honorable Mayor and Members of the City Council

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 21-45 FOR THE ANNUAL LEVY OF THE SEWER SERVICE FEE FOR FISCAL YEAR (FY) 2021-22

SUMMARY: The City's sewer service fee (the "Fee") must first be approved by the City Council each year, after holding a Public Hearing on said Fee, in order to levy a Fee for the next fiscal year on all parcels in the City for the funding of improvements needed to upgrade the City's sanitary sewer system (System), and to have the Fee collected on the tax roll in the same manner, by the same person, and at the same time as the general taxes of the City.

RECOMMENDATION: Staff recommends City Council:

1. Conduct a public hearing;
2. Take public testimony; and
3. Adopt Resolution No. 21-45, approving the annual levy of the Sewer Service Fee for Fiscal Year 2021-22, at \$35.37 per sewer unit.

FISCAL IMPACT: The Sewer Service Fee is levied on all parcels in the City to fund needed improvements and upgrades to the City's System. According to the Los Angeles County Auditor-Controller's Office, the proposed Fee, levied at the existing rate of \$35.37 per sewer unit, will generate approximately \$394,234.32 for Fiscal Year 2021-22.

DISCUSSION: On July 27, 2010, the City Council adopted Ordinance No. 1141 (the "Ordinance") to establish said Fee; authorize the City to levy the Fee on all parcels in the City; fund needed improvements and upgrades to the City's System; and, to authorize the City to collect the Fee on the County of Los Angeles tax roll. Pursuant to the Ordinance, the City Council set the Fee for FY 2010-11 at \$33.00 per sewer unit and has since set the annual levy of the sewer service fee for each fiscal year thereafter, in accordance with the Consumer Price Index (CPI) and based on System improvement and upgrade needs identified through continued monitoring.

Health and Safety Code Sections 5470 et seq. authorizes the City Council to elect to have the Fee collected in the same manner and at the same time as payments are made for property taxes for each property. As required by the Health and Safety Code, in each year that the City levies and collects the Fee on the tax roll, the City must prepare a report (the "Written Report") that contains a description of each parcel of real property to which the Fee is applicable (the "Identified Parcels"), and the amount of the Fee for each Identified Parcel, and must hold a public hearing regarding the Written Report.

On June 8, 2021, the City Council directed staff to prepare a Written Report. The Written Report, on file in the City Clerk's Office, provides a basis for setting the Fee for Fiscal Year 2021-22 at \$38.07 per sewer unit due to inflation. However, staff does not foresee a need to increase the Fee this year for improvements and upgrades to the City's System and, therefore, recommends that the Fee be maintained at the level established by the City Council for FY 2015-16, set at \$35.37 per sewer unit, which does not constitute an increase. Staff will monitor the City's needs during the Fiscal Year 2021-22 to determine whether the Fee should be increased in subsequent years, with ample time to comply with Proposition 218 as appropriate.

The City Clerk caused notice of the filing of the Written Report and of a time and place of a hearing thereon to be published in accordance with the Health and Safety Code Section 5473.1. The Notice of Public Hearing (Notice) on the Written Report and the proposed levy and collection of the Fee on the tax roll was published on July 13 and 18, 2021 in the San Gabriel Valley Tribune, no less than the required minimum 14-day notice.

At the time stated in the Notice, July 27, 2021 at 6:00 p.m. via Zoom Webinar, the City Council must hear and consider all objections or protests, if any, to the proposed Fee. If the City Council finds that protest is made by the owners of a majority of the Identified Parcels, then the Written Report shall not be adopted, and although the City may still impose the Fees for Fiscal Year 2021-22, such fees must be collected separately from the tax roll and shall not constitute a lien against any parcel or parcels of land. Upon conclusion of the Public Hearing, the City Council may adopt or reduce, but may not increase, the Fee.

The proposed Resolution No. 21-45 approves the Written Report, as recommended by staff and as modified, to maintain the amount of the Fee at \$35.37 per sewer unit and levies the Fee for Fiscal Year 2021-22, as authorized by the Ordinance.

Item No.
8.b.

DATE: July 27, 2021

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

SUBMITTED BY: Colby Cataldi, Community Development Director

SUBJECT: CONSIDERATION OF RESOLUTION NO. 21-XX, REQUESTING AUTHORIZATION FOR THE CITY OF SOUTH EL MONTE TO JOIN THE STATEWIDE COMMUNITY INFRASTRUCTURE PROGRAM (SCIP)

SUMMARY: The California Statewide Communities Development Authority (“CSCDA”) is a joint powers authority sponsored by the League of California Cities and the California State Association of Counties. The member agencies of CSCDA include approximately 391 cities and 56 counties throughout California. By adopting the Resolution, the City Council is authorizing the City of South El Monte (the “City”) to enter into the Amended and Restated Joint Exercise of Powers Agreement with CSCDA. Approval of the SCIP program adds to the City's economic development tool kit by offering developers another financing mechanism to utilize CSCDA tax-exempt financing for public capital infrastructure improvements.

RECOMMENDATION: Staff recommends City Council:

1. Conduct a public hearing;
2. Take public testimony; and
3. Adopt Resolution No. 21-XX, authorizing City to join the Statewide Community Infrastructure Program (SCIP).

DATE: 07/27/2021

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

SUBMITTED BY: Rene Salas, Deputy City Manager

SUBJECT: PRESENTATION ON CURRENT STATE AND COUNTY 2021 REDISTRICTING AND APPROVAL TO SUBMIT LETTERS OF SUPPORT

SUMMARY: Both State and County Citizens Redistricting Commissions are requesting input from agencies, community groups and individuals regarding the 2020 Redistricting process currently underway. The City of South El Monte wishes to keep our community together in all electoral districts that include cities with similar demographics and who collaborate with the City on many different community needs and decision making opportunities like housing deficiencies, homeless population increases, organics waste mandates, public safety, storm water management, transportation access and connectivity and other issues that affect community members' daily lives.

RECOMMENDATION: Staff recommends City Council approve the attached letters of support and authorize the City Manager to submit said letters on behalf of the City Council to both State and County Citizens Redistricting Commissions to keep South El Monte under a single County District, State Assembly District, State Senate District and US Congressional District to share those districts with similar community interests, needs and demographics.

FISCAL IMPACT: There is no fiscal impact.

DISCUSSION: California must redraw the boundaries of its Congressional, State Senate, State Assembly, and State Board of Equalization districts every ten years to reflect the new federal census population data. Los Angeles County also redraws their boundaries.

Prior to 2008, California drew their own district lines. In November of 2008, California voters passed the Voters First Act authorizing the creation of the Citizens Redistricting Commission to draw new district lines, taking the job out of the hands of the Legislature. In 2010, the Voters First Act for Congress added the responsibility of drawing Congressional districts to the Commission.

Commissioners are selected through a rigorous application and selection process administered by the California State Auditor. There are 14 Commissioners selected

throughout the State. Two Commissioners are assigned to each of the eleven Outreach Zone. Los Angeles County is designated as Outreach Zone H with Commissioner Derric Taylor and Isra Ahmad. The general public is encouraged to submit comments directly to the Commissioners or during any of the scheduled input meetings during the months of July, August and September. The meeting schedule can be viewed at wedrawthelinesca.org. The CRC has until February 14, 2022 to approve the final district lines.

Current Assembly District – 57th Lisa Calderon and 49th Ed Chau

2011 Redistricting resulted in South El Monte (SEM) being split up into two Assembly Districts; 57th (Calderon) that included the cities of Whittier, La Mirada, City of Industry, La Puente, and Hacienda Heights and 49th (Chau) that includes the cities of Rosemead, Alhambra, Monterey Park, and Arcadia. The majority of SEM falls under district 57th see Attachment A1.

However back in the 2001 redistricting effort, SEM was placed under one Assembly district, 49th that included the cities of Alhambra, Rosemead, Monterey Park, and El Monte, see Attachment A2.

Currently, our demographics align more towards District 48 (Blanca Rubio) that includes parts of El Monte, Baldwin Park, Azusa, and West Covina. The Per Capita income ranges from \$17,000 to \$29,000, percent Hispanic population ranges from 52% to 82%, and persons under 18 years of age range from 21% to 25%. These communities represent the East San Gabriel Valley. The demographics in the cities of Arcadia, Alhambra, and La Mirada in our current district 57th and 49th are not consistent with SEM.

Therefore, Staff recommends that the City of South El Monte be included in the same Assembly District as El Monte, Baldwin Park, Azusa, and West Covina.

Current State Senate District – 22nd Susan Rubio

The City of SEM moved from a Non-San Gabriel Valley District to a San Gabriel Valley District during the 2001 and 2011 Redistricting effort. South El Monte currently lies in District 22 (Rubio) along with El Monte, Baldwin Park and Azusa. These cities all have consistent demographics and similar regional issues, see Attachments A5 and A6.

Staff recommends that the City of South El Monte remain in District 22, to stay with cities that have similar interests and concerns.

Current Congressional District – 38th Linda Sanchez

2001 Redistricting resulted in South El Monte remaining in the 32nd Congressional District, 32nd that included El Monte, Baldwin Park, Rosemead, West Covina and Azusa. As previously stated, these cities have similar demographics and economic characteristics, see Attachment A3.

The 2011 Redistricting effort placed South El Monte in the 38th District (Sanchez) that includes Whittier, Norwalk, La Mirada, Cerritos, Lakewood, and Bellflower. The Majority of these Cities are outside of the San Gabriel Valley, align with the Gateway Cities and have demographic and economic characteristics that are not consistent with South El Monte. The Gateway Cities Per Capita income ranges higher at \$23,000 to \$39,000 and the number of Hispanic residents also differs at the range of 13% to 67%. The most impactful difference is that South El Monte is a member of the San Gabriel Valley Council of Governments, not the Gateway Cities Council of Governments, and collaborates with

cities such as El Monte, Baldwin Park, Azusa and West Covina on many different community needs and decision making opportunities like housing deficiencies, homeless population increases, organics waste mandates, public safety, storm water management, transportation access and connectivity and other issues that affect community members' daily lives, see Attachment A4.

Staff recommends that the City of South El Monte be included in the same Congressional District as El Monte, Baldwin Park, Azusa and West Covina. These cities are more consistent with South El Monte needs and demographics.

Los Angeles County Redistricting Process – 1st Hilda L. Solis

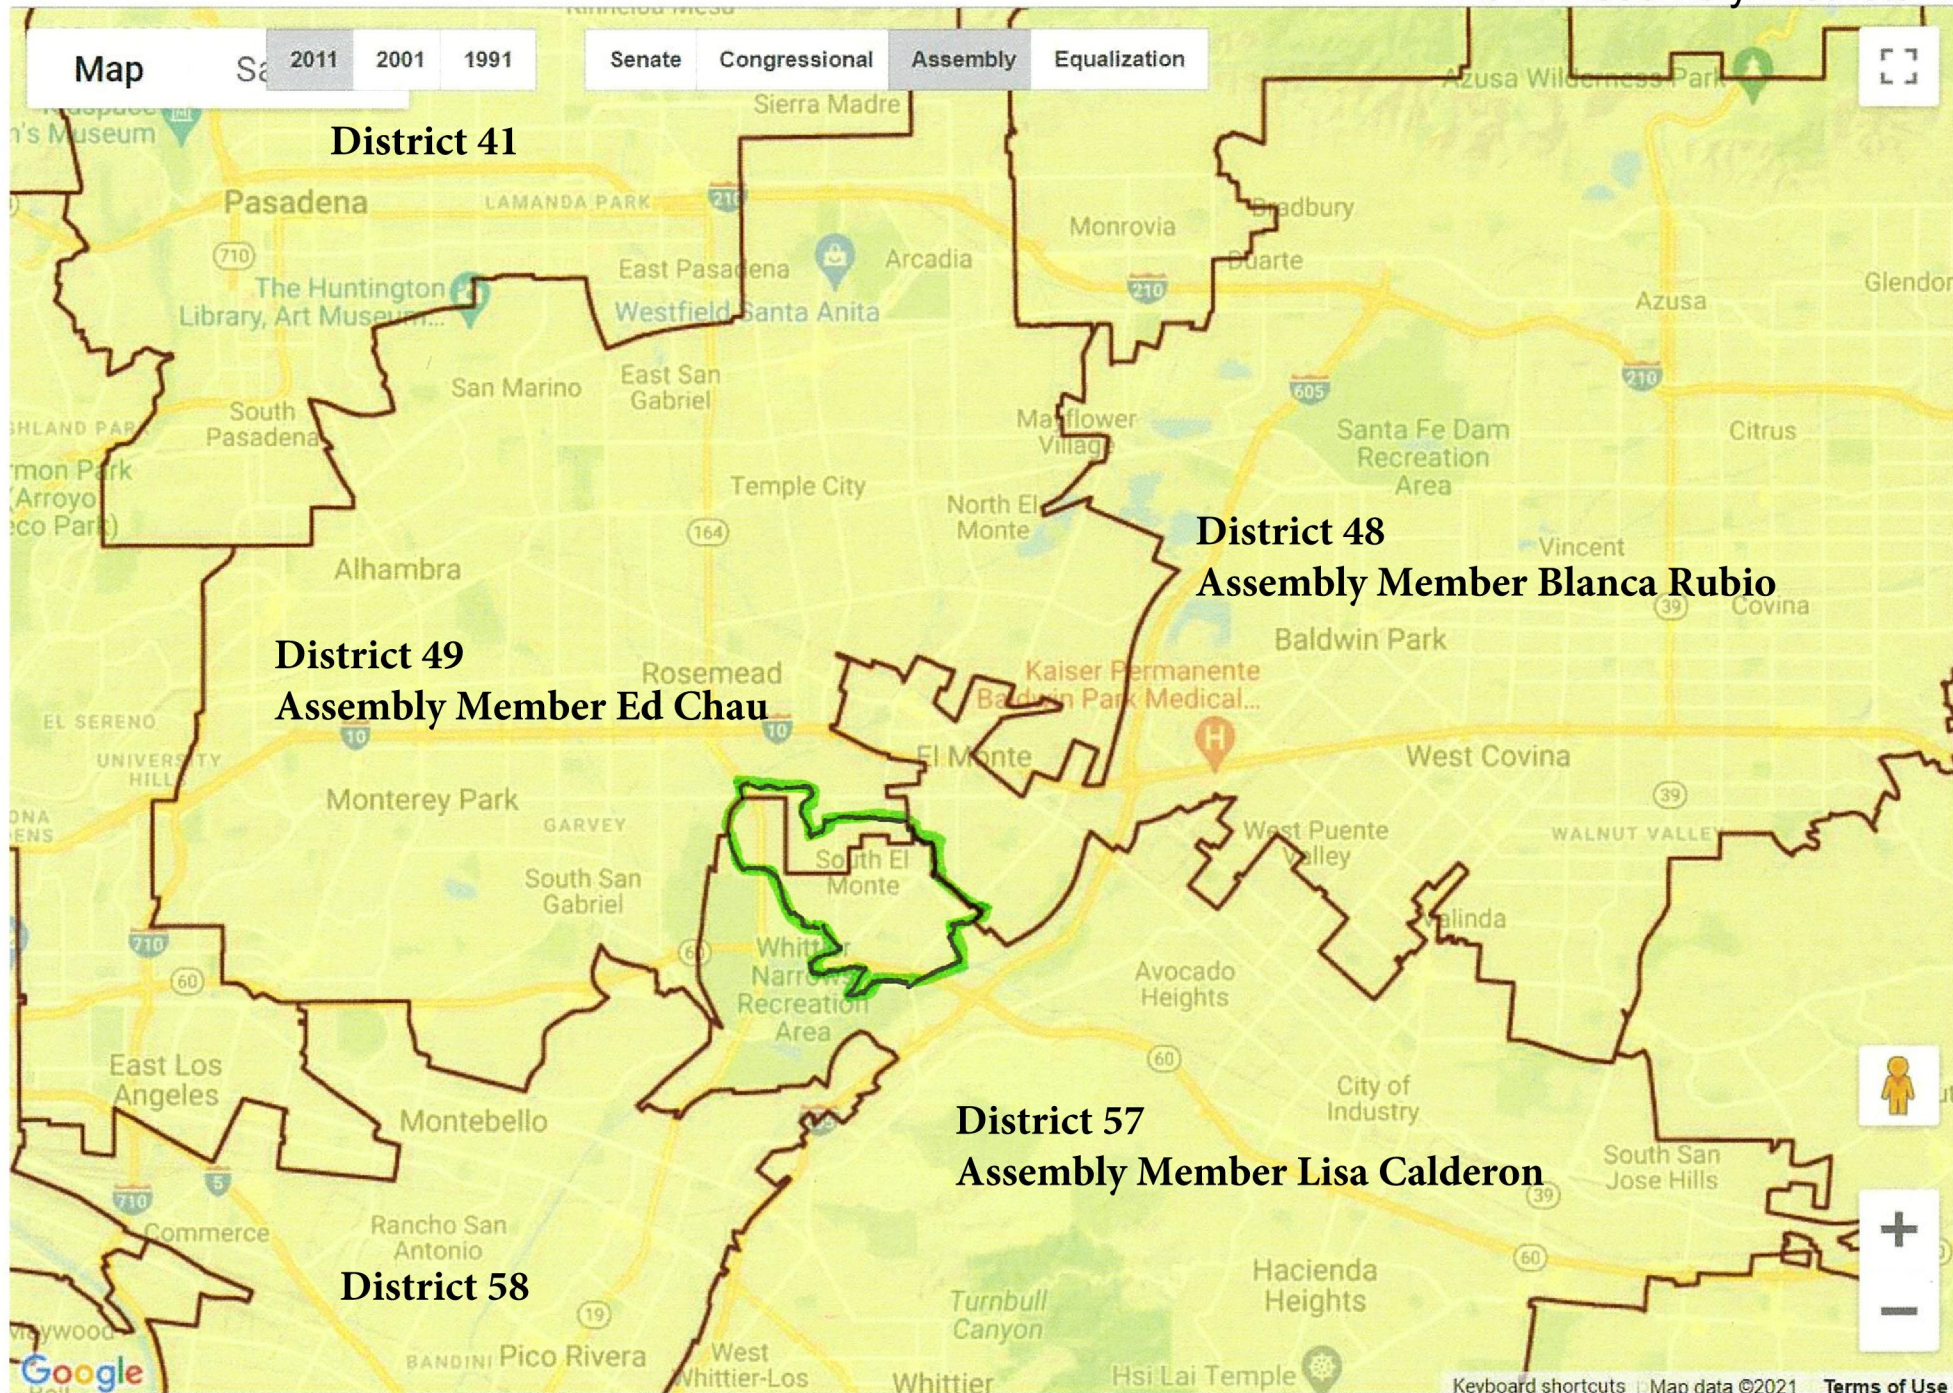

Similar to the State's CRC, Los Angeles County Citizens Redistricting Commission is responsible for drawing the County supervisorial district boundaries. South El Monte is located in Public Hearing Zone G that has their public hearing on August 11, 2021 with the approval of maps by December 15, 2021.

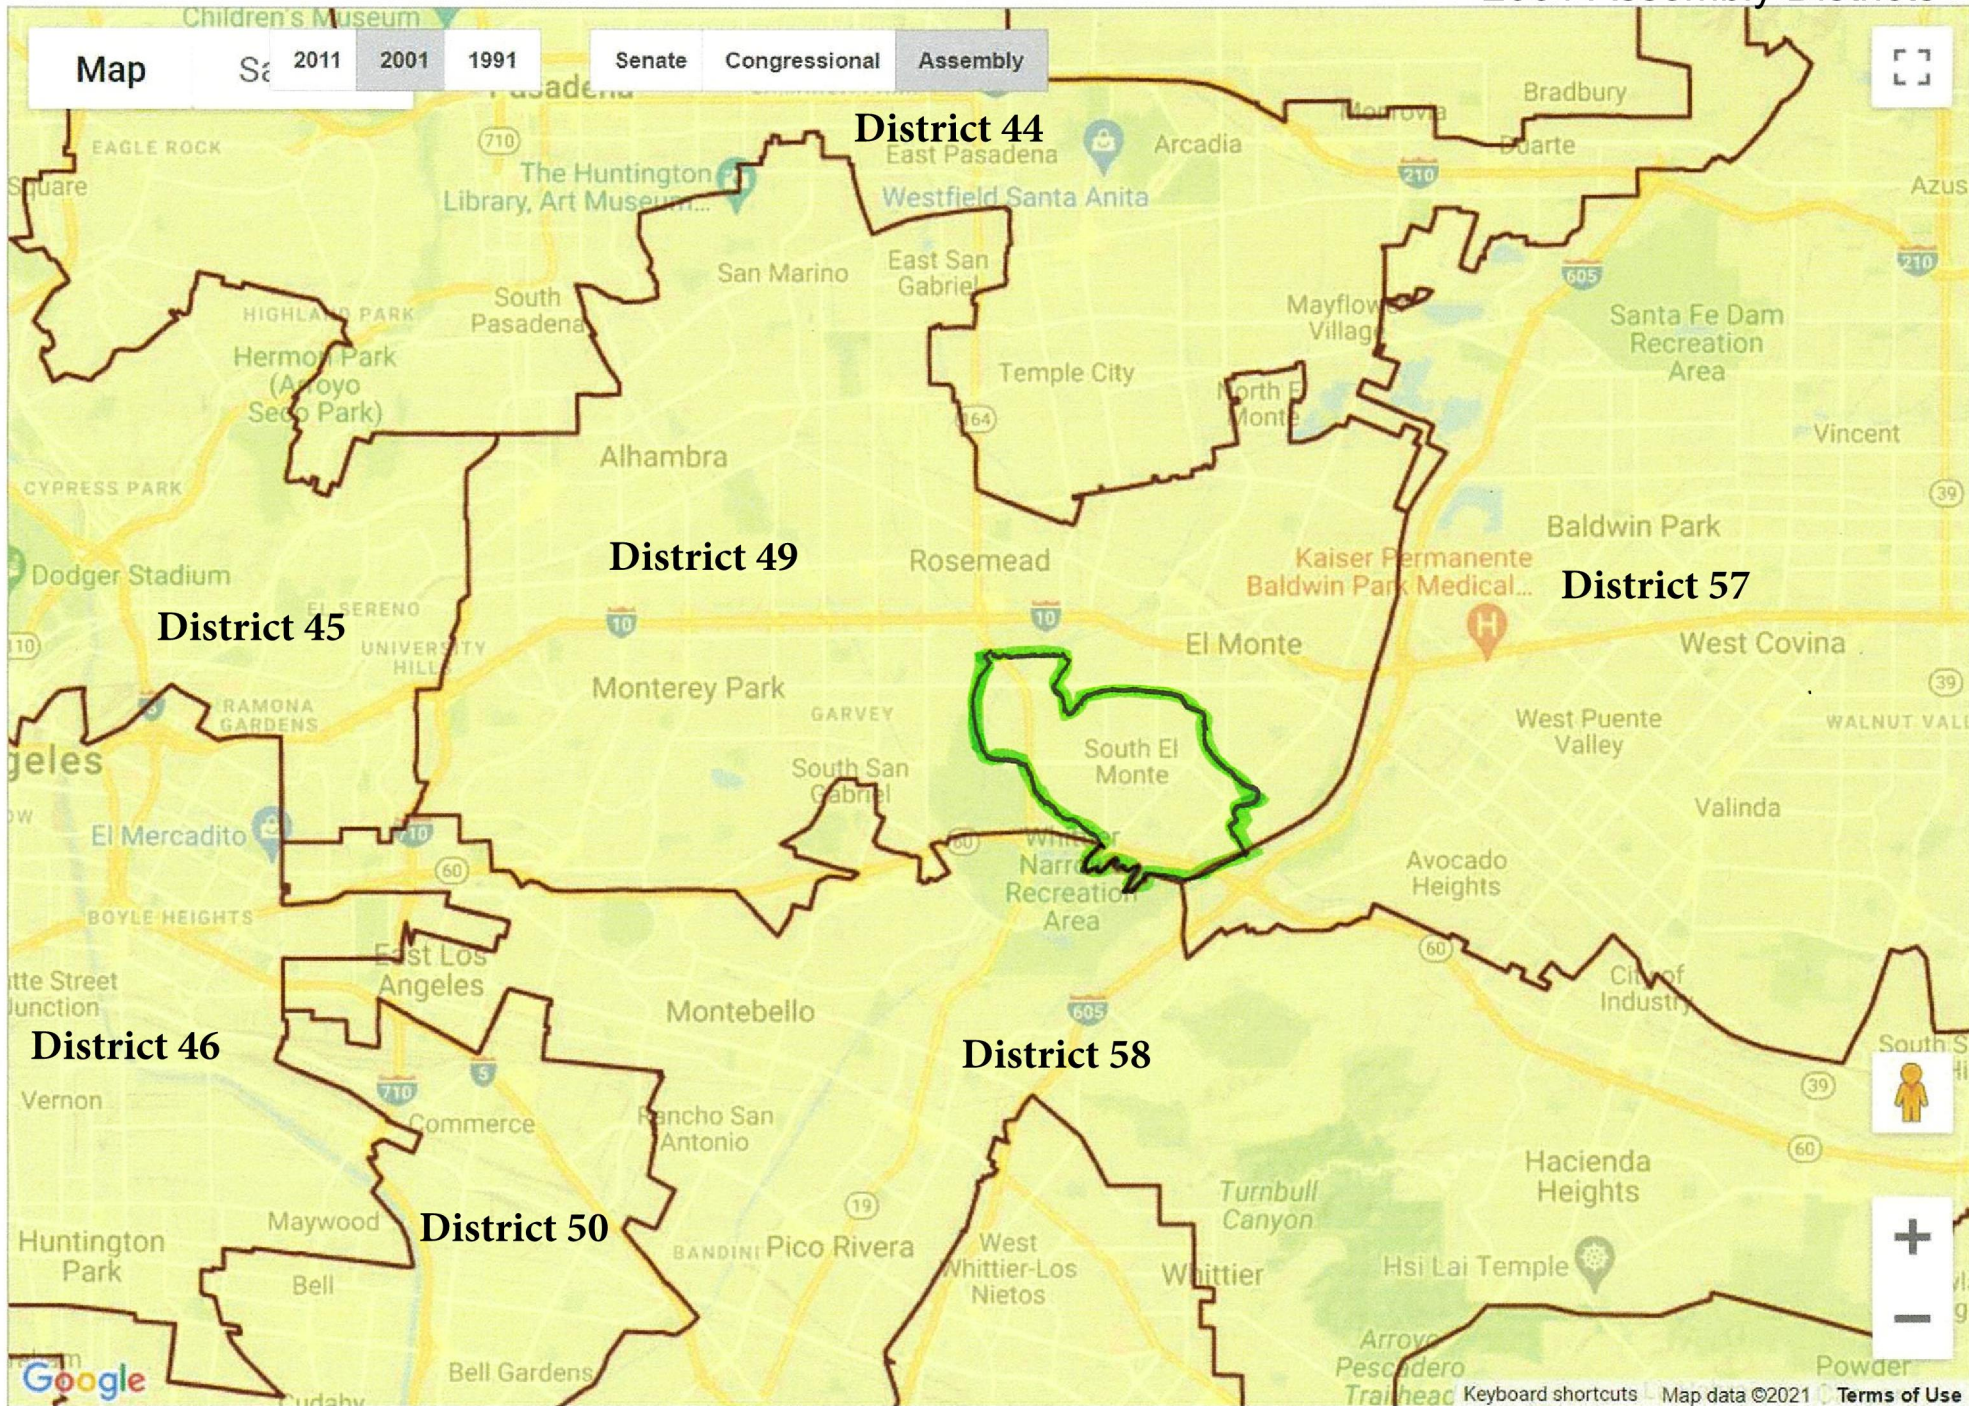

Staff recommends that the City of South El Monte remain in the 1st Supervisorial District to stay with cities that have similar interests and concerns.

Alicia Fernandez, Chair
California Citizens Redistricting Commission
721 Capitol Mall, Suite 260
Sacramento, CA 95814

Dear Honorable Chair Fernandez,

On behalf of the City of South El Monte, we thank you and the Commission for your continued and dedicated work on this critically important mission of developing fair and balanced legislative lines and managing public engagement during a post pandemic atmosphere. I write to express the City's priorities for State Assembly, Senate and Congressional district lines for South El Monte.

For the past two redistricting cycles, the City has experienced some back and forth and splits between two districts as well as inclusion with cities that do not have the same demographic or geographic characteristics.

Our City Council believes that it's in the best interest of South El Monte to remain whole in one district that contains cities with consistent characteristics and share regional needs and opportunities. All cities in California are facing challenges such as housing deficiencies, homeless population increases, organics waste mandates, storm water management, and transportation access and connectivity just to name a few. Our City would benefit by staying within our San Gabriel Valley Region that share the same regional issues such as El Monte, Baldwin Park, Azusa and West Covina.

Therefore, our City Council would like the following to be implemented for the City of South El Monte:

- **Assembly District** – City of South El Monte to be included in the same Assembly District as El Monte, Baldwin Park, Azusa, and West Covina.
- **State Senate District** – City of South El Monte to remain in District #22, that includes El Monte, Baldwin Park, Azusa, and West Covina.
- **Congressional District** – City of South El Monte to be included in the same Congressional District as El Monte, Baldwin Park, Azusa, and West Covina.

These requested district changes will maintain our need to remain with communities of interest while working in collaboration on regional issues in the San Gabriel Valley.

Sincerely,

Rachel Barbosa, City Manager

TO: City Managers and City Clerks**RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES
League of California Cities Annual Conference & Expo – September 22-24, 2021**

Cal Cities 2021 Annual Conference & Expo is scheduled for September 22-24, 2021 in Sacramento. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly) on Friday, September 24. At this meeting, Cal Cities membership considers and acts on resolutions that establish Cal Cities policy.

In order to vote at the Annual Business Meeting, your city council must designate a voting delegate. Your city may also appoint up to two alternate voting delegates, one of whom may vote if the designated voting delegate is unable to serve in that capacity.

Please complete the attached Voting Delegate form and return it to Cal Cities office no later than Wednesday, September 15. This will allow us time to establish voting delegate/alternate records prior to the conference.

Please note: Our number one priority will continue to be the health and safety of participants. We are working closely with the Sacramento Convention Center to ensure that important protocols and cleaning procedures continue, and if necessary, are strengthened. Attendees can anticipate updates as the conference approaches.

- **Action by Council Required.** Consistent with Cal Cities bylaws, a city's voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken, or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council. Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.
- **Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration will open mid-June at www.cacities.org. In order to cast a vote, at least one voter must be present at the Business Meeting and in possession of the voting delegate card. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the Voting Delegate Desk. This will enable them to receive the special sticker on their name badges that will admit them into the voting area during the Business Meeting.
- **Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but

only between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the Business Meeting, they may *not* transfer the voting card to another city official.

- **Seating Protocol during General Assembly.** At the Business Meeting, individuals with the voting card will sit in a separate area. Admission to this area will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate. If the voting delegate and alternates wish to sit together, they must sign in at the Voting Delegate Desk and obtain the special sticker on their badges.

The Voting Delegate Desk, located in the conference registration area of the Sacramento Convention Center, will be open at the following times: Wednesday, September 22, 8:00 a.m. – 6:00 p.m.; Thursday, September 23, 7:00 a.m. – 4:00 p.m.; and Friday, September 24, 7:30 a.m.– 11:30 a.m. The Voting Delegate Desk will also be open at the Business Meeting on Friday, but will be closed during roll calls and voting.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city's voting delegate and alternates.

Once again, thank you for completing the voting delegate and alternate form and returning it to the League's office by Wednesday, September 15. If you have questions, please call Darla Yacub at (916) 658-8254.

Annual Conference Voting Procedures

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to Cal Cities policy.
2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the Cal Cities Credentials Committee.
3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.
4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.
5. **Voting.** To cast the city's vote, a city official must have in their possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.
6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.
7. **Resolving Disputes.** In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.
