City Council Agenda Report

**Agenda
Item No.
7.c.**

DATE: September 8, 2020

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

APPROVED AS TO FORM: Anthony R. Taylor, City Attorney

SUBMITTED BY: Rene Salas, Public Works Director

SUBJECT: SECOND READING AND ADOPTION OF ORDINANCE NO. 1248, AMENDING GRAFFITI ABATEMENT TO REQUIRE REMOVAL WITHIN 24 HOURS UNLESS GRANTED AN EXTENSION TO SECURE MATCHING PAINT

SUMMARY: The proposed Ordinance No. 1248 will reduce the time mandated to remove graffiti from 72 hours to 24 hours, but will allow for an extension by the Community Development Director if more time is needed to procure a matching color. The paint used to cover up the graffiti will also be required to match the underlying color of the wall.

RECOMMENDATION: Staff recommends City Council waive second reading and adopt Ordinance No. 1248, amending graffiti abatement to require removal within 24 hours.

FISCAL IMPACT: There is no fiscal impact.

DISCUSSION: The first reading of Ordinance No. 1248 was conducted by City Council on July 28, 2020. Graffiti is increasingly becoming a common problem within the City, and the City has limited resources to ensure the proper abatement of graffiti. With the increasing problem of graffiti within the City, it is necessary to update the City's graffiti abatement regulations and procedures to provide clarification related to private property owners' role in the abatement of graffiti, as well as to ensure that graffiti is abated in a manner which maintains the paint scheme of the property. This Ordinance will accomplish this by reducing the amount of time allowed to remove the graffiti from 72 hours down to 24 hours. The property owner will be required to use a color that matches the underlying color, but will allow for the Community Development Director to allow an extension to remove the graffiti if a matching color is not available and must be procured by the property owner.

ORDINANCE NO. 1248

AN ORDINANCE OF THE CITY OF SOUTH EL MONTE AMENDING SOUTH EL MONTE MUNICIPAL CODE SECTION 8.36.145, GRAFFITI ABATEMENT, TO AMEND THE CITY'S EXISTING GRAFFITI REGULATIONS

WHEREAS, Section 8.36.145, "Graffiti Abatement", of the South El Monte Municipal Code ("SEMMC") contains the regulations and procedures related to the abatement of graffiti within the City; and

WHEREAS, as currently enacted, Section 8.36.145 allows the Director of Community Development to utilize City resources to abate graffiti on public or private property, or, if the private property owner refuses to allow the City to abate the graffiti, to utilize the nuisance abatement procedures found at SEMMC Section 8.36.030; and

WHEREAS, graffiti is increasingly becoming a common problem within the City, and the City has limited resources to ensure the proper abatement of graffiti; and

WHEREAS, due to the increasing problem of graffiti within the City, it is necessary to update the City's graffiti abatement regulations and procedures to provide clarification related to private property owners' role in the abatement of graffiti, as well as to ensure that graffiti is abated in a manner which maintains the paint scheme of the property; and

WHEREAS, the City Council now desires to amend the South El Monte Municipal Code ("SEMMC") as provided herein.

THE CITY COUNCIL OF THE CITY OF SOUTH EL MONTE DOES ORDAIN AS FOLLOWS:

SECTION 1: After holding a duly noticed public hearing on July 28, 2020, the City Council introduced Ordinance No. 1248.

SECTION 2: CEQA. The City, as the Lead Agency, determined that the proposed ordinance is exempt from further review under the California Environmental Quality Act (California Public Resources Code §§ 21000, et seq., "CEQA") and the regulations promulgated thereunder (14 California Code of Regulations §§ 15000, et seq., the "CEQA Guidelines"), because it consists of only minor text revisions and clarifications to existing regulations and procedures related thereto, and will not have the effect of substantially changing regulatory standards or findings required therefor in accordance with CEQA, the proposed ordinance is exempt from CEQA pursuant to Section 15061(b)(3) because the activity is governed by the general rule that CEQA applies only to projects that have the potential for causing a significant effect on the environment. In this case, the proposed ordinance is intended to address graffiti abatement within the City, does not include any project, and therefor will have no significant effect on the environment.

SECTION 3: Based upon the foregoing, the City Council hereby repeals and replaces the language at SEMMC Section 8.36.145 (Graffiti Abatement) to read in its entirety as follows:

“8.36.145 - Graffiti abatement.

A. The existence of graffiti within the city limits constitutes a public and private nuisance and may be abated according to law and the provisions and procedures contained in this chapter.

B. Whenever the director of community development (the "director") determines that graffiti has been applied to permanent structures located on public or private property within the city, the director may take the following actions:

1. Use city resources to remove the graffiti, provided that the director secures the consent of the owner of, or entity having jurisdiction over, the structure. The director may authorize the use of city resources for the removal of graffiti.

2. Notify the owner of, or entity having jurisdiction, over the structure that they have twenty-four (24) hours to abate the graffiti, and that failure to do so may result in nuisance abatement under Section 8.36.030. The twenty-four (24) hour period may be extended at the discretion of the director if proof is provided to the director that the original paint color of the structure will require additional time to secure, or any other hardship as determined by the director.

C. All graffiti abatement conducted under this section shall be conducted using the same paint color as the structure, such that the abatement results in the structure maintaining its' a single color. No patches of different colored paint is permitted.

D. Whenever the director determines that graffiti located on private property constitutes a public nuisance, and the owner of such property fails to abate the graffiti under subsection (B)(2), the director shall direct that the nuisance be abated by the property owner or occupant pursuant to Section 8.36.030.

SECTION 4: The City Clerk shall attest and certify to the passage and adoption of this Ordinance.

PASSED, APPROVED, AND ADOPTED this 8th day of September 2020.

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

APPROVED AS TO FORM: Anthony R. Taylor, City Attorney

SUBMITTED BY: Rene Salas, Public Works Director

SUBJECT: CONSIDERATION OF RESOLUTION NO. 20-93,
AMENDING THE MEMORANDUM OF AGREEMENT
(MOA) WITH THE SAN GABRIEL VALLEY COUNCIL OF
GOVERNMENTS (SGVCOG) FOR PARTICIPATION OF
THE SAN GABRIEL VALLEY REGIONAL VEHICLE
MILEAGE TRAVELED (VMT) ANALYSIS MODEL

SUMMARY: On March 24th, 2020, the City Council approved an MOA with the SGVCOG to participate in the San Gabriel Valley Regional VMT Analysis Model. This Amendment will add a web-based Regional VMT Analysis Tool ("Analysis Tool") to the scope of work, increase the compensation to paid to SGVCOG by \$2,750 and extend the term of the MOA to July 31, 2025.

RECOMMENDATION: Staff recommends City Council adopt Resolution No. 20-93 approving Amendment No. 1 to the Memorandum of Agreement (MOA) with SGVCOG for participation of the San Gabriel Valley Regional VMT Analysis Model.

FISCAL IMPACT: The Amendment calls for additional services at a cost of \$2,750 for the duration of the MOA terms. Staff recommends using Measure M fund balance to cover the additional cost.

DISCUSSION: The passage of SB 743 (Steinberg, 2013) changed how transportation impacts are measured under the California Environmental Quality Act (CEQA) in the review of land use and transportation plans and projects. The Governor's Office of Planning and Research (OPR) subsequently selected VMT as the preferred metric to comply with SB 743.

SB 743 removed automobile delay as the primary measure of transportation impacts of environmental significance and required the Governor's Office of Planning and Research (OPR) to develop revisions to CEQA Guidelines establishing criteria for determining the significance of transportation impacts. OPR subsequently selected Vehicles Miles Travelled (VMT) as the preferred metric to comply with SB 743.

As a result of these changes, lead agencies under CEQA will be required to analyze project-related VMT to determine whether transportation impacts from a given development would constitute a significant environmental impact under CEQA beginning July 1, 2020. In order to properly evaluate impacts, it will be necessary for local agencies to establish methodologies and quantified thresholds from which to determine levels of significance.

Fehr and Peers was selected as the most qualified firm to provide professional consultant services to complete the San Gabriel Valley Regional VMT Analysis Model. Upon completion of the Model, Staff will utilize it to analyze project-related VMT to determine whether transportation impacts from proposed developments will constitute a significant environmental impact under the California Environmental Quality Act (CEQA).

Upon completion of the VMT Model, it was suggested by Fehr Peers that periodic updates to the model would be useful to the participation city agencies. The cost would be \$2,750 for the duration of the MOA and can be funded by Measure M dollars.

SUBJECT: CONSIDERATION FOR AUTHORIZATION TO SEEK REQUEST FOR PROPOSAL (RFP) FOR THE CREATION OF THE SAFETY ELEMENT, ENVIRONMENTAL JUSTICE ELEMENT, AND UPDATE OF THE HOUSING ELEMENT OF THE GENERAL PLAN

SUMMARY: Staff seeks City Council approval to issue an RFP to perform the service of creating two new General Plan Elements as well as updating the Housing Element for the City.

RECOMMENDATION: Staff recommends City Council approve the RFP for the creation of the Safety Element, Environmental Justice Element, and update the 6th Cycle Housing Element and authorize the issuance of the RFP for these services.

FISCAL IMPACT: There is no fiscal impact related to issuing an RFP and receiving proposals for General Plan update services. Currently, \$330,000 is allocated for General Plan updates which will be drawn down upon for the creation of these two new elements as well as the update to the Housing Element. The other five elements that will need to be updated to bring our General Plan up to date will be a large multi-year expense going forward.

DISCUSSION: The RFP for the Housing Element Update and creation of the Safety and Environmental Justice Elements. The Governor's Office of Planning and Research (OPR) sets forth requirements for General Plans throughout the state and one of the elements that is required in every General Plan is the Housing Element which has to be updated every eight years. The Safety Element is required to be adopted by every city along with the 6th Cycle Housing Element update which is due on October 15, 2021. The newly created

Safety Element will address possible risks to the City and protect against seismic activity, dam failure, subsidence, liquefaction, flooding, fires, and climate change. Finally, the Environmental Justice Element is required to be adopted since the City contains disadvantaged communities, and this element has to be implemented if two or more elements are updated. The Environmental Justice Element will identify disadvantaged communities in the City and establish goals and policies to reduce exposure to pollution and health risks, promote public facilities, food access, safe and sanitary homes, physical activity, civic engagement, and prioritize improvements and programs to address the needs of disadvantaged communities.

The implementation of SB 375 (2007) requires that the next Housing Element be certified by the State no later than October 15, 2021. The updated Housing Element must address the City's Regional Housing Needs Assessment (RHNA) allocation. This will also integrate the Local Hazard Mitigation Program. The City of South El Monte is using the Housing Element update process to ensure that the Safety Element of the General Plan complies with State regulations.

ENVIRONMENTAL JUSTICE

Per Government Code Sections 65302 et seq., local jurisdictions must create an Environmental Justice Element. An Environmental Justice Element should include objectives and policies to reduce the unique or compounded health risks in disadvantaged communities by means that include, but are not limited to, the reduction of pollution exposure, including the improvement of air quality, and the promotion of public facilities, food access, safe and sanitary homes, and physical activity. As part of the Housing Element update process, the City of South El Monte is including the Environmental Justice Element into the General Plan and ensure that it complies with State regulations.

1.2 Consultant's Proposal.

The Scope of Services shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or \$25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other Consultants. No claims for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed XXXX Dollars (\$XXXXX) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.9.

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services, less contract retention; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall contain all information specified in Exhibit "C", and shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and subcontractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

The Contract Officer shall be or such person as may be designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number, compensation or hours of service. Consultant shall perform all services required

City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturers or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

Without limiting Consultant's indemnification of City, and prior to commencement of any services under this Agreement, Consultant shall obtain, provide and maintain at its own expense during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to City.

(a) General liability insurance. Consultant shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$2,000,000 per occurrence, \$4,000,000 general aggregate, for bodily injury, personal injury, and property damage. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO "insured contract" language will not be accepted.

(b) Automobile liability insurance. Consultant shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with Services to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.

(c) Professional liability (errors & omissions) insurance. Consultant shall maintain professional liability insurance that covers the Services to be performed in connection with this Agreement, in the minimum amount of \$1,000,000 per claim and in the aggregate. Any

policy inception date, continuity date, or retroactive date must be before the effective date of this Agreement and Consultant agrees to maintain continuous coverage through a period no less than three (3) years after completion of the services required by this Agreement.

(d) Workers' compensation insurance. Consultant shall maintain Workers' Compensation Insurance (Statutory Limits) and Employer's Liability Insurance (with limits of at least \$1,000,000).

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

5.2 General Insurance Requirements.

(a) Proof of insurance. Consultant shall provide certificates of insurance to City as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers' compensation. Insurance certificates and endorsements must be approved by City's Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City at all times during the term of this Agreement. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

(b) Duration of coverage. Consultant shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Services hereunder by Consultant, its agents, representatives, employees or subconsultants.

(c) Primary/noncontributing. Coverage provided by Consultant shall be primary and any insurance or self-insurance procured or maintained by City shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City before the City's own insurance or self-insurance shall be called upon to protect it as a named insured.

(d) City's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by City will be promptly reimbursed by Consultant or City will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, City may cancel this Agreement.

(e) Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or that is on the List of Approved Surplus Line Insurers in the State of California, with an

assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VI (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the City's Risk Manager.

(f) Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against City, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow Consultant or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against City, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

(g) Enforcement of contract provisions (non-estoppel). Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with any requirement imposes no additional obligations on the City nor does it waive any rights hereunder.

(h) Requirements not limiting. Requirements of specific coverage features or limits contained in this section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Consultant maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

(i) Notice of cancellation. Consultant agrees to oblige its insurance agent or broker and insurers to provide to City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

(j) Additional insured status. General liability policies shall provide or be endorsed to provide that City and its officers, officials, employees, and agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

(k) Prohibition of undisclosed coverage limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

(l) Separation of insureds. A severability of interests provision must apply for all additional insureds ensuring that Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

(m) Pass through clause. Consultant agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in

the project by Consultant, provide the same minimum insurance coverage and endorsements required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to City for review.

(n) Agency's right to revise specifications. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City and Consultant may renegotiate Consultant's compensation.

(o) Self-insured retentions. Any self-insured retentions must be declared to and approved by City. City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by City.

(p) Timely notice of claims. Consultant shall give City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

(q) Additional insurance. Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of

Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the “documents and materials”) prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City’s sole risk and without liability to Consultant, and Consultant’s guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, Consultant with respect to any documents and materials that may qualify as “works made for hire” as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed “works made for hire” for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered “voluntary” provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or

damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et seq. and 910 et seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days' written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any

notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person

having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C. § 1101 *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of South El Monte, 1415 Santa Anita Avenue, South El Monte, California 91733 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "noninterests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City

official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

City Council Agenda Report

Item No.

DATE: September 8, 2020

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rachel Barbosa, City Manager

APPROVED AS TO FORM: Anthony R. Taylor, City Attorney

SUBMITTED BY: Rene Salas, Public Works Director

SUBJECT: CONSIDERATION OF RESOLUTION NO. 20-94,
ESTABLISHING A MONTHLY MONITORING FEE AND AN
ENFORCEMENT RESPONSE FEE PURSUANT TO
SOUTH EL MONTE'S MUNICIPAL CODE CHAPTER 8.30

SUMMARY: The City has experienced a growing number of vacant Industrial/Commercial buildings that can lead to Code violations such as graffiti, weeds growing, and illegal dumping of trash. In order to make sure that non-responsive property owners are held accountable for the upkeep of their vacant property, staff recommends enforcing South El Monte Municipal Code Sections 8.30.50 and 8.30.60 by establishing a monthly monitoring fee and an enforcement response fee.

RECOMMENDATION: Staff recommends City Council adopt Resolution No. 20-94 establishing a monthly monitoring fee and an enforcement response fee pursuant to South El Monte Municipal Code Chapter 8.30.

FISCAL IMPACT: There is no fiscal impact associated with the adoption of Resolution No. 20-93 at this time. The monthly monitoring fee and an enforcement response fee are imposed when building is declared a public nuisance. Staff recommends an hourly rate for both monitoring and enforcement to be \$50.05 per hour which reflects an average between the Code Enforcement Supervisor fully benefited pay and the Code Enforcement Officer's fully benefited pay.

DISCUSSION: The City's Municipal Code Section 8.30.50 states the following,

"8.30.050 - Monthly monitoring fee for vacant buildings declared to be a nuisance.

The owner of any vacant building declared to be a public nuisance shall pay a monthly monitoring fee. The monitoring fee shall be imposed upon the initial determination that the building constitutes a public nuisance. The fee shall thereafter be imposed during each thirty-day period following the imposition of the initial monitoring fee. The owner shall pay the monitoring fee for each month, or portion thereof, that the vacant building remains a public nuisance."

The monitoring activity by Staff includes walking the perimeter of the property and documenting code violations by take pictures and measurements. A Code Violation Notice is posted on the property. The information is then entered into our GoGov property violation track system. Contact is attempted by phone with the business owner and then followed up with a letter explaining the Code Violations. This entire process takes 2 hours on average. Using the \$50.05 average fully benefited rate, the cost for monitoring activity is \$100.10.

The City's Municipal Code Section 8.30.060 states the following,

"8.30.060 - Enforcement response fee.

The owner of a vacant building shall pay an enforcement response fee upon the city's initial response to the vacant building for the costs and value of time expended by the city in responding to the vacant building. The enforcement response fee shall be imposed upon the owner for each subsequent response to the vacant building."

This activity includes verifying 5 days after the initial notice of violation issued during the monitoring activity to confirm whether the violations were completed. The Code Enforcement Officer must confirm by walking the perimeter of the property and take pictures and measurements. Information is then updated in the GoGov property violation track system followed by a letter to the property owner. This follow up can take one hour to complete. The cost would be billed at \$50.05 using the average fully benefited rate

On average, the total cost would be \$150.15 per occurrence, on average. There may be the possibility that more violations within a 30-day period are reported to the City that would require another monitoring and enforcement action at the property at the cost of an additional \$150.15.

RECOMMENDATION: Staff recommends City Council adopt Resolution No. 20-95, adopting an amended Conflict of Interest Code amending designated positions, disclosure categories, and repealing Resolution No. 18-95.

FISCAL IMPACT: None.

DISCUSSION: On June 9, 2020, City Council directed the City Clerk's Office in partnership with the City Attorney's Office and Human Resources to review the current list of City positions to establish whether any position classifications were added, eliminated, or warranted inclusion in the City's Conflict of Interest Code.

Upon review, it was determined that a revision is required to the City's Conflict of Interest Code to add the positions of Human Resources/Risk Manager, Senior Services Coordinator, Accounting Specialist, Planning Supervisor and removing Assistant to the City Manager, Administrative Technician, Communications Coordinator, Purchasing Agent, Recreation Manager, License Code Enforcement Officer, Senior Service Specialist, Building Maintenance Supervisor, Landscape Foreman and Street Maintenance Supervisor. Those positions that were removed were either never filled or not within the scope of managing public investments or making or participating in making governmental decisions. The proposed Resolution No. 20-95 is an accurate reflection of the current employee positions and applicable disclosure categories.

AUTHORIZING THE CITY MANAGER TO ENTER INTO A
GRANT CONTRACT WITH CALTRANS FOR THE FISCAL
YEAR (FY) 2020-21 CALTRANS SUSTAINABLE
TRANSPORTATION PLANNING GRANT FOR THE
ROSEMEAD CORRIDOR ENHANCEMENT PLAN
PROJECT

SUMMARY: On October 17th, 2019, the City submitted a Caltrans Sustainable Transportation Planning grant application for the Rosemead Corridor Enhancement Plan. On June 18th, 2020, Caltrans notified the City that \$301,002 was recommended to be awarded for the Rosemead Corridor Enhancement Plan. As part of the follow-up application process, Caltrans requires a resolution, no less than one year old, authorizing the City Manager to enter into an agreement with Caltrans for these grant funds.

RECOMMENDATION: Staff recommends City Council adopt Resolution No. 20-97, authorizing City Manager to enter into a grant contract with Caltrans for the (FY) 20-21 Caltrans Sustainable Transportation Planning Grant.

FISCAL IMPACT: At this time there is no fiscal impact. Upon final award by Caltrans, Staff will return to City Council to authorize a match of \$38,998 using Measure M funds for this grant.

DISCUSSION: The California Department of Transportation opened the Sustainable Communities Competitive Grant Program for applications on August 23, 2019. This grant program provides funds for local and regional multi-modal transportation and land use planning projects that further the regions sustainable communities strategies where

applicable, contribute to the State's greenhouse gas reduction targets, and assist in achieving Caltrans' Mission and the grant program's overarching objectives.

City Staff identified the Rosemead Corridor Enhancement Plan as an eligible planning project that would address a multi-modal transportation system, improve public health, social equity, environmental justice, and landscaped green space. The project will examine traffic calming strategies including protected bike lanes, improved pedestrian cross walks, and ADA sidewalk improvements.

As part of the grant application process, Caltrans requires a recent resolution, no less than one year old, authorizing the City Manager to enter into an agreement with Caltrans for this grant contract.

SUBJECT: CONSIDERATION OF RESOLUTION NO. 20-98,
CHANGING THE NAME OF ADELIA AVENUE, SOUTH
OF ALESIA STREET, TO AMRO WAY

SUMMARY: AMRO Fabricating Corporation ("Applicant") has requested the City change the name of Adelia Avenue to AMRO Way, along the stretch of street where three of their businesses front, to celebrate the opening of two new buildings.

RECOMMENDATION: Staff recommends City Council hold a public hearing regarding Resolution No. 20-98 to discuss the change of street name from Adelia Avenue to AMRO Way.

FISCAL IMPACT: The cost of the name change will include purchasing new street signs, staff time in updating all records, as well as the installation of said signs, which the Applicant has agreed to pay.

DISCUSSION: The Applicant had originally requested a street name change to celebrate the opening of two new buildings which took place on August 5, 2020 as well as to honor the operation of the business within the City for over 40 years. A total of nine properties and twelve businesses are affected by this street name change, with three being owned by the Applicant.

Notice was sent out on August 27, 2020 to all property owners and businesses within 300 feet of the impacted area. At the public hearing that took place on July 28, 2020, two opposition letters were submitted that accounted for three properties and six businesses being impacted. As such, the City Council approved a temporary street name change to

allow for the Applicant to work with the businesses who were in opposition of the name change to come to an amicable solution.

The Applicant and the businesses impacted by the name change have resolved this matter by agreeing to purchase supplies from one of the businesses, and is arranging to reimburse the property owners of two other properties for the costs of updating all documents to reflect this change. The rest of the businesses along the stretch of Adelia Avenue have not been contacted by the Applicant, nor have other businesses reached out to the Applicant.

Based on City Council's direction at the August 5, 2020 meeting, staff is now bringing forward the attached resolution to permanently change the street name. The street name change will include the stretch of Adelia Avenue that runs approximately 350 feet south of Alesia Street until terminating in a cul-de-sac.

SUBJECT: CONSIDERATION OF RESOLUTION NO. 20-99,
DIRECTING THE COLLECTION OF THE ANNUAL
SEWER SERVICE FEE FOR FISCAL YEAR 2020-21 ON
THE COUNTY TAX ROLL

SUMMARY: Each year, the City Council must hold a Public Hearing to levy the Fee for the next fiscal year on parcels within the City per Ordinance No. 1141 that established an annual Sewer Service Fee (Fee) to ensure that necessary funding is accumulated and available to address the City's sanitary sewer system for replacements, upgrades, and major repairs.

This funding is beneficial since the General Fund does not have the capacity to address such major capital requirements.

RECOMMENDATION: Staff recommends City Council hold a public hearing, review the written report, and adopt Resolution No. 20-99, directing the collection of the Fee on the Los Angeles County tax roll.

FISCAL IMPACT: According to the LA County Auditor-Controller's Office, the proposed Fee, levied at the existing \$35.37 per sewer assessment rate will generate \$389,141 for Fiscal Year 2020-21. At the beginning of this fiscal year, the balance in the Special Revenue fund for Sewer Assessments was \$2,619,944. The collection of the additional \$389,141 in revenues this fiscal year will result in a new balance of \$3,009,085. The City's Sewer Rate Study reflects that at the end of the twenty-year period ending June 30, 2030 that a total of \$8,363,948 should be accumulated based upon assessments and interest earned to meet the City's sanitary long-term sewer requirements. Staff will monitor the

City's needs during this fiscal year to determine whether the Fee should be adjusted in subsequent years.

DISCUSSION: On July 27, 2010, the City Council adopted Ordinance No. 1141 (the "Ordinance") to establish said Fee; authorize the City to levy the Fee on all parcels in the City; fund needed improvements and upgrades to the City's System; and, to authorize the City to collect the Fee on the County of Los Angeles tax roll. Pursuant to the Ordinance, the City Council set the Fee for FY 2010-11 at \$33.00 per sewer unit and with an automatic increase of the Fee for each fiscal year thereafter until 2014, with the Consumer Price Index (CPI) and based on System improvement and upgrade needs identified through continued monitoring. Starting in FY 2014-15 the rate has remained at \$35.37 per sewer unit. The Fee is levied on all parcels in the City to fund needed improvements, upgrades and major repairs to the sanitary sewer system.

Health and Safety Code Sections 5470 et seq. authorizes the City Council to elect to have the Fee collected in the same manner and at the same time as payments are made for property taxes for each property. As required by the Health and Safety Code, in each year that the City wishes to collect the Fee on the Los Angeles County tax roll, the City must prepare a report (the "Written Report") that contains a description of each parcel of real property to which the Fee is applicable (the "Identified Parcels"), and the amount of the Fee for each Identified Parcel, and must hold a public hearing regarding the Written Report. The Fee is collected by Los Angeles County on the property tax roll at the same time as property taxes and other assessments. Funds are remitted to the City in the same manner as property tax revenues.

Staff prepared a Written Report, on file in the City Clerk's Office, which provides a basis for setting the Fee for FY 2020-21 at \$36.88 per sewer unit due to inflation. However, staff does not foresee a need to increase the Fee this year for improvements and upgrades to the City's System and therefore, staff recommends that the Fee be maintained at the level established by the City Council for FY 2014-15, set at \$35.37 per sewer unit, which does not constitute a rate increase. Thus, the impact on a single-family residence will remain at \$35.37 for this fiscal year.

Staff will monitor the City's needs during the FY 2020-21 to determine whether the Fee should be increased in subsequent years, with ample time to comply with Proposition 218 as appropriate. A study of sewer infrastructure is planned to take place during this fiscal year to assess the current condition of the City's sewer system. This will identify areas where upgrades are needed most. If a full sewer replacement project were to take place throughout the 37.8 miles of roadways within the City, it is estimated to be around \$40 million.

The City made proper notice of the filing of the Written Report and of the time and place of a hearing. This was published in accordance Hearing (Notice) on the Written Report with the Health and Safety Code Section 5473.1. The Notice of Public Hearing and the proposed collection of the Fee on the tax roll was published on August 24, 2020 and August 29, 2020 in the San Gabriel Valley Tribune, no less than the required minimum 14

day notice. At the time and location stated in the Notice, September 8, 2020 at 5:30 p.m. in the City of South El Monte Council Chambers at 1415 Santa Anita Ave., South El Monte, CA 91733, the City Council will hear and consider all objections or protests, if any, to the proposed Fee. If the City Council finds that protest is made by the owners of a majority of the Identified Parcels, then the Written Report shall not be adopted, and although the City may still impose the Fees for Fiscal Year 2020-21, such fees must be collected separately from the tax roll and shall not constitute a lien against any parcel or parcels of land. Upon conclusion of the Public Hearing, the City Council may adopt or reduce, but may not increase, the Fee.

The proposed Resolution No. 20-99 approves the Written Report, as recommended by staff and as modified, to collect the amount of the Fee to \$35.37 per sewer unit and directs the collection of the Fee for FY 2020-21 on the County Tax Roll
