City Council Agenda Report

Agenda Item No. 7.c.

DATE: July 1, 2025

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rene Salas, City Manager

SUBMITTED BY: Ariana De La Cruz, Director of Community Services

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 25-059 APPROVING SUBAWARD ENP252608 WITH AND BETWEEN THE COUNTY OF LOS ANGELES AGING AND DISABILITY DEPARTMENT AND THE CITY OF SOUTH EL MONTE FOR ELDERLY NUTRITION PROGRAM SERVICES

SUMMARY: The Agreement, Subward ENP242509 by and between the County of Los Angeles Aging and Disability Department ("County") and the City of South El Monte ("City") for Elderly Nutrition Programs ("Agreement") will provide funding for the City's Elderly Nutrition Program Services effective July 1, 2025 to June 30, 2026 with the option to extend for three (3) additional one (1) year terms.

RECOMMENDED ACTION: Staff recommends City Council:

1. Adopt Resolution No. 25-059, approving Subaward ENP252608 by and between the County and City for Elderly Nutrition Program Services from July 1, 2025, to June 30, 2026; and
2. Authorize the City Manager or designee to execute agreement.

FISCAL/FINANCIAL IMPACT: The subaward sum for year one of elderly nutrition program services totals to \$380,900. The Older American Act Fund ("OAA") (Fund 06) will budget an amount not-to-exceed \$316,000 for the fiscal year ("FY") 2025-2026. This amount includes \$294,000 from OAA Title III C-1, \$21,600 from OAA Title III C-2, and \$1,000 from OAA Title III B. In addition, the Modernizing Older California Act, ("MOCA") funding will budget an amount not-to-exceed \$64,000 for FY 2025-2026. This amount includes \$59,600 from MOCA for all congregate meals and \$4,400 for all home-delivered meals. The General Fund match of approximately 15% will be budgeted in the General Fund for FY2024-2025.

DISCUSSION: The City has provided lunch meals for seniors over the age of 60 and disabled individuals through the Congregate Meals Program and Home-Delivered Meals Program (collectively "Programs") for more than twenty-five (25) years. The Elderly

Nutrition Program is administered under the guidelines of the Federal Older Americans Act, which offers meals that meet USDA dietary guidelines and are offered at the Senior Center and to home-bound individuals. Although the Programs do not require participants to pay for meals, a suggested donation ranging between \$1.75 – \$3.00 per meal is appreciated.

The Board of Supervisors approved the County to enter into an Elderly Nutrition Program Subaward with the City with the purpose of utilizing baseline funding to provide contracted OAA Title III C-1, OAA Title III C-2, and Title III B services for FY 2025–2026. The County contributes to the City's Elderly Nutrition Program Services, which offers lunch meals to seniors and provides an important opportunity for social contact and targets seniors most in need. The Congregate Meals Program serves meals in a group setting at the South El Monte Senior Center and meals are coordinated with other social services such as transportation, educational presentations, health screenings, and recreation and wellness programs. This valuable program not only delivers a daily nutritious meal, but also serves as a mechanism to check up on the client, thereby providing additional safety inspection and furthering the ability for the aging participant to continue to age in a place.

The Agreement will provide funding through the County of Los Angeles Aging and Disability Department to continue serving seniors on-site and home-bound meals. The Agreement is for a term of one (1) year, from July 1, 2025 to June 30, 2026 with the option to extend three (3) additional one (1) year terms.

5.0 SUBAWARD SUM

5.1 TOTAL SUBAWARD SUM

5.1.1 Cost Reimbursement Subaward

5.1.1.1 County and Subrecipient agree that this is a cost reimbursement Subaward based on the firm-fixed unit rate(s) set forth in Budget exhibit(s) and Mandated Program Services exhibit(s) for the Fiscal Year or Program Year identified in each such document. This unit rate(s) will remain firm and fixed throughout the entire term of such Fiscal Year or Program Year under this Subaward. County and Subrecipient further agree that the unit rate(s) represents Subrecipient's true, actual, and supported costs which are incurred solely for providing Services hereunder. For purposes of this Subaward, such true/actual costs are those costs which are net of any applicable credits including, but not limited to, discounts, refunds, adjustments, rebates, allowances, etc. and are inclusive of any taxes, delivery/shipping charges, etc.

5.1.1.2 County will reimburse Subrecipient for supplying the Services as set forth in Exhibit A (Statement of Work and Attachments), Budget exhibit(s) and Mandated Program Services exhibit(s). In the event that County or any of its duly authorized representatives (including, but not limited to, Federal, State and other County agents) notes any discrepancy(ies) between Subrecipient's true/actual costs and the costs which have been reimbursed to Subrecipient then County will remedy such discrepancy(ies) at County's sole discretion.

Any additional funding that is allocated under this Subaward will increase the Maximum Subaward Sum.

5.1.2.2 In the event that County exercises its renewal options under this Subaward, the projected funding will be allocated to

Subrecipient annually for each Fiscal Year that this Subaward is renewed as follows: **\$380,900** ("Subaward Sum Year 2"); **\$380,900** ("Subaward Sum Year 3"), and **\$380,900** ("Subaward Sum Year 4"). If County exercises all renewal options under this Subaward, the Maximum Subaward Sum is projected to be **\$1,523,600**.

5.1.2.3 Pursuant to Subparagraph 8.1 (Amendments), County may amend this Subaward upon occurrence of any changes to the Subaward Sum. Future allocations of the Subaward Sums will be contingent upon Subrecipient's level of performance/expenditure and the availability and appropriation of funds from Federal, State, and/or local authorities and such funds may be subsequently adjusted to reflect available funding.

5.5.1 Subrecipient must invoice County only for providing the tasks, deliverables, goods, Services, and other work specified in Exhibit A (Statement of Work and Attachments), Mandated Program Services exhibit(s) and elsewhere hereunder. Subrecipient must prepare invoices, which will include the charges owed to Subrecipient by County under the terms of this Subaward. Each invoice must be based on actual expenditures and Subrecipient will not submit an invoice based on budgeted or estimated costs (i.e., Subrecipient will not submit an invoice based on 1/12th of the Subaward Sum allocated for the Fiscal Year under this Subaward).

5.5.2 Subrecipient's invoices must be priced in accordance with the information provided in Budget exhibit(s) and Mandated Program Services exhibit(s) for the Fiscal Year (or Program Year) identified therein. Subrecipient will be paid only for the tasks, deliverables, goods, Services, budgeted items, and other

work approved in writing by County. If County does not approve the Work in writing, no payment will be due to Subrecipient for that Work.

5.5.3 **Intentionally Omitted**

5.5.4 **Submission of Invoices**

5.5.4.1 Subrecipient must prepare monthly invoices, along with any necessary supporting documentation for each invoice, for Subrecipient's Work performed under the requirements of this Subaward. Monthly invoices must also include any amounts related to matching funds and program income, if applicable. Upon direction of County, Subrecipient must provide all support documentation required by County, including, but not limited to, vendor invoices, receipts of payment, bank statements, and/or bank registers. All supporting documentation must be able to justify the costs invoiced and be submitted to County within thirty (30) days following the date the corresponding monthly invoice is submitted. County reserves the right to require Subrecipient to upload all required support documentation using County's Information Technology Systems (ITS which may include the Contract Management System (CMS) – Subrecipient's Gateway or via other ITS identified by County. Subrecipient must submit all invoices to County in the form and manner as directed by County by the 10th calendar day of the month following the month of Service (e.g., Subrecipient must submit an invoice for Services provided in October by November 10th for reimbursement). In instances, when the 10th calendar day falls on a non-business day (Saturday, Sunday, or Los Angeles County holiday), Subrecipient must submit the invoice by the following business day. County reserves the right to modify in writing the due date(s) for the submission of invoices as needed in order to meet regulatory deadlines.

5.5.4.1.1 Subrecipient must submit the final, year-end invoice to County no later than the 3rd calendar day of the month following the month in which final Services were provided during the Fiscal Year or Program Year, unless otherwise instructed by County. In instances, when the 3rd calendar day falls on a non-business day (Saturday, Sunday, or Los

Angeles County holiday), Subrecipient must submit the invoice by the following business day. County reserves the right to modify in writing the due date(s) for the submission of invoices as needed in order to meet regulatory deadlines.

5.5.4.1.2 Subrecipient must report all final costs incurred under this Subaward. If applicable, Subrecipient must also include any matching funds and program income in the final year-end invoice.

5.5.4.2 Subrecipient must submit an invoice for each month of Service as directed above and invoices must be submitted in chronological order (e.g., July, August, September, etc.). For example, Subrecipient must not submit the September invoice unless the August invoice was previously submitted by the 10th calendar day following the month of August. County will not be under any obligation to pay any invoice that is submitted out of chronological order until Subrecipient takes the appropriate measures to adhere to these requirements.

5.5.4.3 When Subrecipient does not incur any expenditures for the month of Service, Subrecipient must prepare an invoice as directed by County so that the invoice reflects zero dollars (\$0) expenditures. Subrecipient must submit the invoice according to the procedures outlined herein and as further directed by County.

5.5.4.4 Subrecipient is responsible for the accuracy of invoices submitted to County. Subrecipient must reconcile its invoices and correct inaccuracies or inconsistencies in the invoices it submits to County. Subrecipient and County agree as follows:

5.5.4.4.1 When County or its designee discovers that Subrecipient has been overpaid, County will send Subrecipient written notification to request return of the overpayment. Overpayment includes, but is not limited to, payment(s) made to Subrecipient that exceeds the Subaward Sum allocated for any Fiscal Year under this Subaward. Subrecipient must return such overpayment to County's Compliance Manager within thirty (30) days of receiving County's written notification.

5.5.4.4.2 When Subrecipient receives or discovers any overpayment from County, Subrecipient must

immediately notify County's Compliance Manager in writing of such overpayment. Subrecipient must immediately return such overpayment to County's Compliance Manager within thirty (30) days of receiving or discovering the overpayment.

5.5.4.4.3 At County's sole election, overpayment made to Subrecipient may be used to offset future payments due Subrecipient.

5.5.4.5 Subrecipient must submit a complete, accurate, verifiable, and timely invoice for each month of Service as directed above. Subrecipient must also submit a complete, accurate, verifiable, and timely final year-end invoice as also directed above. Subrecipient's failure to comply with these requirements may result in delayed processing of payment(s). Any invoice which does not adhere to County's requirements may be rejected at County's sole discretion. Subrecipient's continued non-compliance with County's invoicing policies and procedures may lend Subrecipient to remedies which County may impose at County's sole discretion.

5.5.5 County Approval of Invoices

5.5.5.1 All invoices submitted by Subrecipient for payment must have the written approval of County's Contract Manager or designee prior to any payment thereof. In no event will County be liable or responsible for any payment prior to such written approval. Approval for payment will not be unreasonably withheld.

5.5.5.2 County will review Subrecipient's supporting documentation for its invoice and reconcile between the invoice and the supporting documentation. County will also use the supporting documentation to confirm that all of Subrecipient's costs reported on the invoice have been paid. County will communicate any discrepancies with Subrecipient to acquire additional information, if needed. This will ensure that any questioned cost(s) is addressed before the cost(s) becomes disallowed. In the event Subrecipient is not able to substantiate the cost(s), Subrecipient will have to repay County for all unsubstantiated costs, Subrecipient may be removed from eligibility for future cash advances (if cash advances are allowed under this Subaward), Subrecipient's payments may be suspended, and/or County may impose other remedies deemed appropriate by County.

5.5.6 **Payments to Subrecipient**

5.5.6.1 In accordance with the invoicing policies and procedures set forth in this Subaward as well as those provided by County, County agrees to pay Subrecipient for the satisfactory provision of the Services identified in Exhibit A (Statement of Work and Attachments) and any amendments, addendums, or modifications thereto. Such payment will not exceed the amount(s) indicated in Subparagraph 5.1.2 (Funding Allocations). All payments to Subrecipient will be made in arrears on a monthly basis for Services performed, provided that Subrecipient is not in default under any provision of this Subaward. County has no obligation to pay for any work except those Services expressly authorized by this Subaward.

5.5.6.2 Payments to Subrecipient will be made within thirty (30) calendar days after receipt of an "undisputed invoice". For purposes of this Subparagraph 5.5.6, an undisputed invoice will mean an invoice which does not contain errors and has been completed and submitted by Subrecipient pursuant to the requirements outlined herein and as directed by County. County has the final authority to determine whether or not an invoice is an undisputed invoice. Subrecipient must promptly adhere to County's instructions for correcting an invoice in order to prevent any delays in processing payment(s). Until Subrecipient submits an undisputed invoice, County will not be under any obligation to pay any invoice that is not submitted pursuant to the requirements outlined herein and as directed by County.

5.5.6.3 All payments for Services provided under the terms of this Subaward will be made to Subrecipient using Subrecipient's legal name and taxpayer identification number. Subrecipient will not request payments to be made to third-party vendors or any vendor which Subrecipient may use in the performance of this Subaward (i.e., Lower Tier Subrecipients). For purposes of this Subaward, Subrecipient's legal name is identified as the name on Subrecipient's articles of incorporation, charter or other legal document that was used to create Subrecipient's organization.

5.5.6.4 **Past Due Invoice**

5.5.6.4.1 Any invoice submitted more than thirty (30) days after the last day of the month in which the Services were rendered will constitute a "past due invoice". Notwithstanding any other provision of this Subaward, Subrecipient and County agree

that County will have no obligation whatsoever to pay any past due invoices. County may, in its sole discretion, pay some or all of a past due invoice which Subrecipient has submitted, provided that sufficient funds remain available under this Subaward.

5.5.6.5 Method of Compensation Adjustment

- 5.5.6.5.1 During any Fiscal Year period within the term of this Subaward, County, at its sole discretion, has the option of altering the monthly method of compensation/payment from full reimbursement for Services completed to an amount equal to one-twelfth (1/12) of the Subaward Sum allocated for any Fiscal Year under this Subaward. County may pursue this method of compensation if Subrecipient is providing Services to more Clients than anticipated and it appears that the Subaward Sum will be completely depleted before the end of a Fiscal Year. County will provide Subrecipient with at least two (2) weeks advance written notice of its decision to alter the method of compensation.
- 5.5.6.5.2 In no event will County's decision to alter the method of compensation affect the Term, the Subaward Sum allocated for any Fiscal Year under this Subaward, Work, or any other provision under this Subaward unless such change is made pursuant to a validly executed Amendment to this Subaward noting any such change(s).

5.5.7 Subaward-Related Documents

- 5.5.7.1 Subrecipient must complete all Subaward-related documents in accordance with the requirements noted on each such document, as directed by County, and pursuant to Program guidelines. Subrecipient's failure to timely submit Subaward-related documents that are accurate and complete, as requested or required by County, may result in suspension of payments to Subrecipient or other remedies provided by law or under this Subaward. Such documents must include, but are not limited to, the documents outlined in Subparagraph 9.20 (Subaward Document Deliverables), Subparagraph 9.21 (Fiscal Reporting Requirements) and the following: Exhibit A (Statement of Work and Attachments), Attachment 7 (Site Summary) and Attachment 8 (Route Summary); Budget

exhibit(s); Mandated Program Services exhibit(s); Exhibit E (Subrecipient's Administration); Exhibit F1 (Subrecipient Acknowledgement and Confidentiality Agreement); Exhibit J (Charitable Contributions Certification); Exhibit L (California Civil Rights Laws Certification); Exhibit M (FEMA Provisions) (applicable only when Subaward Sums include FEMA funds); Exhibit O (Subrecipient's Compliance with Encryption Requirements); Exhibit R (Joint Funding Revenue Disclosure); Exhibit T (List of Lower Tier Subawards); and Exhibit U (Certification of Compliance with County's Defaulted Property Tax Reduction Program).

5.5.8 Preference Program Enterprise– Prompt Payment Program

5.5.8.1 Certified Prompt Payment Enterprises (PPEs) will receive prompt payment for Services they provide to County. Prompt payment is defined as fifteen (15) calendar days after receipt of an approved, undisputed invoice which has been properly matched against documents such as a receiving, shipping or services delivered report, or any other validation of receipt document consistent with Board Policy 3.035 ([Preference Program Payment Liaison and Prompt Payment Program](#)).

5.6 COST OF LIVING ADJUSTMENTS (COLA's)

5.6.1 If requested by Subrecipient, the Subaward hourly, daily, monthly or Unit Rate amount may, at the sole discretion of County, be increased annually based on the most recent published percentage change in the United States Department of Labor, Bureau of Labor Statistics' Consumer Price Index for Urban Consumers (CPI-U) for the Los Angeles-Long Beach-Anaheim Area for the 12-month period preceding the Subaward commencement anniversary date, which will be the effective date for any Cost of Living Adjustment (COLA). However, any increase must not exceed the general salary movement granted to County employees as determined by the Chief Executive Officer as of each July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in County employee salaries, no COLA will be granted. Where County decides to grant a COLA pursuant to this Subparagraph for living wage subawards, County may, in its sole discretion exclude the cost of labor (including the cost of wages and benefits paid to employees providing Services under this Subaward) from the base upon which a COLA is calculated, unless Subrecipient can show that its labor cost will actually increase. Further, before any COLA increase will take effect and become part of this Subaward, it will require a written amendment to this Subaward first, that has been formally approved and executed by the parties. To request a COLA, Subrecipient must submit a written request along with appropriate justification to the Contract Analyst 60 days prior to exercising the additional option year periods identified in Subparagraph 4.2. At no time will any increase in the Subaward hourly, daily, monthly or Unit

Rate amount, or COLA adjustment, ever result in the Subaward Sum exceeding the Subaward Sum or Maximum Subaward Sum.

5.7 LIMITATIONS ON USE OF SUBAWARD SUMS

5.7.1 Subaward Sums may only be used for the purposes set forth herein, and must be consistent with the statutory authority for the Program.

5.7.2 Expenditures made by Subrecipient in the operation of this Subaward must be in compliance and in conformity with Title 45 Code of Federal Regulations Part 75 et seq. and Title 2 Code of Federal Regulations Part 200 et seq. Subrecipient must comply with the Administrative Requirements and Cost Principles which are outlined in Exhibit Q (Accounting, Administration and Reporting Requirements), and must adhere to the strict administrative and fiscal standards described therein. Subrecipient will be responsible for obtaining Title 45 Code of Federal Regulations Part 75 et seq. and Title 2 Code of Federal Regulations Part 200 et seq., which are available via the Internet at [eCFR :: 45 CFR Part 75 -- Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards](#) and [eCFR :: Title 2 of the CFR -- Federal Financial Assistance](#). Subrecipient must also comply with the applicable requirements and standards referred to in Title 45 Code of Federal Regulations Part 1321.5 (Grants to State and Community Programs on Aging).

5.7.3 Limitations on Subaward Sums

5.7.3.1 Subrecipient will not be paid for any Subaward expenditures that exceed the Subaward Sum allocated for any Fiscal Year under this Subaward. County has no obligation, whatsoever, to pay for any expenditures that exceed this Subaward Sum. Any expenditures that exceed such Subaward Sum will become the sole fiscal responsibility of Subrecipient.

5.7.3.2 Subrecipient must only expend the Subaward Sum during the Fiscal Year for which it is allocated. Should County exercise its option to extend this Subaward and Subrecipient does not expend funding up to the Subaward Sum appropriated for the Fiscal Year, that unspent amount will not carry forward (or roll-over) to the following Fiscal Year.

5.7.4 Prohibitions on Subaward Sums

5.7.4.1 Subrecipient must comply with Public Law (PL) 101-121 (Title 31 United States Code Section 1352), its amendments or revisions, and any implementing regulations, prohibiting the use of Federal money to influence or attempt to influence a member of Congress, Congressional staff, or a Federal employee to award, make or amend any Federal subaward, grant, loan, or cooperative agreement. Subrecipient must also

comply with all certification and disclosure requirements of PL 101-121, its amendments, revisions, and implementing regulations, and must provide assurance that all Lower Tier Subrecipients under this Subaward also fully comply with such certification and disclosure requirements.

- 5.7.4.2 No materials, property, or Services contributed to County or Subrecipient under this Subaward will be used in the performance of any of the following: any political activity; the election of any candidate or the defeat of any candidate for public office; and, the transportation of any voters or prospective voters to polls or other similar assistance in connection with an election or any voter registration activity.
- 5.7.4.3 Subaward Sums may not be used for matching funds for any Federal, State, County, or local grants/cooperative agreements, lobbying or intervention in Federal regulatory or adjudicatory proceedings.
- 5.7.4.4 Subaward Sums may not be used to sue the Federal government or any other government entity.

5.8 OTHER SUBAWARDS

- 5.8.1 Subrecipient must immediately notify County's Contract Manager in writing of any contracts between Subrecipient and other public or private organizations which directly impact activities funded under this Subaward. A copy of any such contracts must be kept on file at Subrecipient's offices and must be provided to County upon request. Subrecipient must also immediately notify County's Contract Manager in writing of any default, termination, or finding of withheld payments under such contracts between Subrecipient and other public or private organizations which directly impact activities funded under this Subaward.
- 5.8.2 Subrecipient warrants that no other funding source will be billed for Services that are provided to and paid for by County under this Subaward.

5.9 JOINT FUNDING REVENUES

- 5.9.1 Funds made available under this Subaward will supplement and not supplant any other Federal, State, or local funds expended by Subrecipient to provide Program Services. Subrecipient certifies that it has applied, or expects to apply, to offset in whole or in part, any of the costs incurred by

Subrecipient in conducting current or prospective projects or business activities, including, but not necessarily limited to, the project or business activity which is the subject of this Subaward. To this end, Subrecipient must complete Exhibit R (Joint Funding Revenue Disclosure) prior to the commencement of this Subaward (and annually thereafter). Subrecipient must submit the completed Exhibit R (Joint Funding Revenue Disclosure) to County's Contract Manager in the time and manner as designated by County.

5.10 **FEDERAL AWARD INFORMATION**

5.11.2 Subrecipient must ensure that it has an approved indirect cost rate accepted by all Federal awarding agencies or an allocation plan approved by County, which documents the methodology used to determine the indirect costs, prior to reporting any indirect costs on Budget exhibit(s) and/or requesting reimbursement for such costs. Subrecipient must maintain documentation of its approved indirect cost rate/allocation plan in accordance with the requirements noted under Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement).

5.11.3 Subrecipient must not charge indirect costs exceeding the fifteen percent (15%) maximum to this Subaward. Indirect costs in excess of the fifteen percent (15%) maximum may be budgeted as match in-kind for purposes of meeting matching requirements. Subrecipient must receive an approved indirect cost rate accepted by all Federal awarding agencies prior to budgeting the excess indirect costs as match in-kind.

5.11.4 For major institutes of higher education and major nonprofit organizations, indirect costs must be classified within two (2) broad categories: Facilities and Administration. "Facilities" is defined as depreciation on buildings, equipment and capital improvement, interest on debt associated with certain buildings, equipment and capital improvements, and operations and maintenance expenses. "Administration" is defined as general administration and general expenses such as the director's office, accounting, personnel, and all other types of expenditures not listed specifically under one of the subcategories of "Facilities" (including cross allocations from other pools, where applicable) [Title 2 Code of Federal

5.12 MATCH CONTRIBUTION

- 5.12.1 Subrecipient must provide a required match contribution to offset the total cost of providing Program Services for the Fiscal Year. Subrecipient's match contribution must be reflected in Budget exhibit(s). The match contribution is the non-Federal share of funding provided by Subrecipient to support the Subaward activities and it may take the form of a cash match contribution and/or an in-kind match contribution. This match is calculated as a percentage of the Subaward Sum allocated for any Fiscal Year under this Subaward as reflected in Paragraph 5.0 (Subaward Sum).
- 5.12.2 The required match contribution for OAA Title III B is twelve percent (12%) of the Subaward Sum allocated for any Fiscal Year under this Subaward. County may in its sole discretion adjust this percentage as necessary.
- 5.12.3 The required match contribution for OAA Title III C-1 is twelve percent (12%) of the Subaward Sum allocated for any Fiscal Year under this Subaward. County may in its sole discretion adjust this percentage as necessary.
- 5.12.4 The required match contribution for OAA Title III C-2 is twelve percent (12%) of the Subaward Sum allocated for any Fiscal Year under this Subaward. County may in its sole discretion adjust this percentage as necessary.

5.12.5 Forms of Match Contributions

5.12.5.1 Match Cash Contribution

- 5.12.5.1.1 A match cash contribution is a monetary donation which is provided by Subrecipient (such as general funds), non-Federal third parties (such as partner organizations) and/or non-Federal grants and is given to Subrecipient to accomplish the goals of the Program Services.

5.12.5.2 Match In-Kind Contribution

- 5.12.5.2.1 A match in-kind contribution is a non-monetary donation of goods, properties or services which are provided by either Subrecipient or non-Federal entities without charge to the Program Services for which they are donated; it is the value

of non-cash contributions donated to support Program Services. In-kind contributions typically take the form of the value of personnel, goods and/or services which may include donations of volunteer services, space, equipment, etc. and this value is determined by using the fair market value method. Using sales of comparable property or the cost of comparable services is a method which can be used to determine the fair market value of an in-kind match contribution.

5.12.5.3 Determination of In-Kind Volunteer Services

5.12.5.3.1 Volunteer services may be used to meet the match contribution requirement and must be reported as match in-kind. However, when using volunteer services to meet the match contribution requirement, this in-kind match must not exceed more than fifty percent (50%) of the required match contribution.

5.12.5.3.2 The monthly salary equivalent for volunteer services should be commensurate with the work/services being provided by volunteer. As such, the salary equivalent for volunteer services must be determined by using the regular salaries paid for similar work in other activities of Subrecipient's organization. In cases where the kinds of skills involved are not found in other activities of the organization then the salary equivalent must be determined by using the salaries paid for similar work in the labor market in which Subrecipient competes for such skills.

5.13 DEFAULT METHOD OF PAYMENT: DIRECT DEPOSIT OR ELECTRONIC FUNDS TRANSFER

5.13.1 County, at its sole discretion, has determined that the most efficient and secure default form of payment for goods and/or services provided under an agreement/Subaward (that is, "Contract") with County will be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

5.13.2 Subrecipient (that is, "Contractor") must submit a direct deposit authorization request via the website <https://directdeposit.lacounty.gov> with banking and Contractor information, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

- 5.13.3 Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit will supersede this requirement with respect to those payments.
- 5.13.4 At any time during the duration of the Contract, Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business, or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with County, will decide whether to approve exemption requests.

The badge must be developed in accordance with County's specifications. Subrecipient must obtain approval for the format and content of the badge from County's Program Manager prior to Subrecipient creating, issuing, or implementing use of the badge.
- 7.4.2 Subrecipient's staff, while on duty or when entering County facilities or grounds, must prominently display the badge on the upper part of the body. 8.0 STANDARD TERMS AND CONDITIONS

8.1 AMENDMENTS

- 8.1.1 For any change which materially affects the Scope of Work, Subaward Term, Subaward Sum, payments, or any other term or condition included under this Subaward, an Amendment to this Subaward must be prepared by County and executed by Authorized Representative and by County's Director or their designee.
- 8.1.2 County's Board, Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Subaward during the term of this Subaward. County reserves the right to add and/or change such provisions as required by County's Board or Chief Executive Officer. To implement such changes, an Amendment to this Subaward must be prepared by County and executed by Authorized Representative and by County's Director or their designee.
- 8.1.3 County's Director or their designee may, at their sole discretion, authorize extensions of time as defined in Paragraph 4.0 (Term of Subaward). Subrecipient agrees that such extensions of time will not change any other term or condition of this Subaward during the period of such extensions. To implement an extension of time, an Amendment to this Subaward must be prepared by County and executed by Authorized Representative and by County's Director or their designee.
- 8.1.4 The following events will also warrant an Amendment to this Subaward as described in this Subparagraph 8.1:
 - 8.1.4.1 County may initiate a unilateral Amendment to this Subaward at any time when required by Federal, State or County laws or policies, and will immediately notify Subrecipient of said Amendment and the justification thereto.

- 8.1.4.2 To the extent that funding for the Program is eliminated or otherwise reduced, the Program is terminated, or the Program is modified for any reason (such that funding is reduced, or the Scope of Work is changed), County may in its sole discretion amend this Subaward accordingly or move to terminate pursuant to the provisions in Subparagraph 8.42 (Termination for Convenience) without further liability for Services yet to be rendered by Subrecipient.

8.1.5 Change Notice

- 8.1.5.1 For any change which does not affect the Scope of Work performed under this Subaward, the Subaward Term or Subaward Sum, including expenditure of Pool Dollars, and does not otherwise materially change any other term or condition under this Subaward, County reserves the right to initiate such change(s) through a Change Notice Program memorandum or an administrative directive which will all have the same effect as an Amendment. Such Change Notice will be a written document that is prepared by County at its sole discretion and is signed by County's Contract Manager or designee. A Change Notice will be used to communicate changes which do not warrant an amendment to this Subaward. Such Change Notice will be provided to Subrecipient at least ten (10) days prior to its effective date and Subrecipient must adhere to the requirements as specified therein. Subrecipient's failure to comply with the Change Notice(s) may result in County imposing remedies including suspension of payment(s), termination of Subaward or other remedies under this Subaward as determined by County at its sole discretion.

- 8.2.2 Contractor must not assign, exchange, transfer, or delegate its rights or duties under this Subaward (that is, "Contract"), whether in whole or in part, without the prior written consent of County, in its sole discretion, and any attempted assignment, delegation, or otherwise transfer of its rights or duties, without such consent will be null and void. For purposes of this Subparagraph 8.2, County consent will require a written Amendment to this Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim

under this Contract will be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

- 8.2.3 Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, Lower Tier Subaward (that is, "Subcontract"), delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, will be a material breach of this Contract which may result in the termination of this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

8.3 **AUTHORIZATION WARRANTY**

- 8.3.1 Subrecipient represents and warrants that the person executing this Subaward for Subrecipient is an authorized agent who has actual authority to bind Subrecipient to each and every term, condition, and obligation of this Subaward and that all requirements of Subrecipient have been fulfilled to provide such actual authority ("Authorized Representative").

In the event there is a change in Authorized Representative, Subrecipient must provide County a revised resolution, order, motion, or other authorization which reflects the new Authorized Representative within five (5) days of being approved by the Governing Body.

8.4 **BUDGET REDUCTIONS**

- 8.4.1 In the event that County's Board adopts, in any Fiscal Year or Program Year, a County budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Subaward correspondingly for that Fiscal Year or Program Year and any subsequent Fiscal Year or Program Year during the term of this Subaward (including any extensions), and the Services to be provided by Subrecipient under this Subaward will also be reduced correspondingly. County's notice to Subrecipient regarding said reduction in payment obligation will be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Subrecipient must continue to provide all of the Services set forth in this Subaward.

Within fifteen (15) business days after the Subaward effective date, Subrecipient must provide County's Program Manager with Subrecipient's procedures for receiving, investigating, and responding to Client complaints.
- 8.5.2 County will review Subrecipient's procedures and provide Subrecipient with approval of said procedures or with requested changes.

- 8.5.3 If County requests changes in Subrecipient's procedures, Subrecipient must make such changes and resubmit the procedures within five (5) business days for County approval.
- 8.5.4 If, at any time, Subrecipient wishes to change Subrecipient's procedures, Subrecipient must submit proposed changes to County's Program Manager for approval before implementation.
- 8.5.5 Subrecipient must preliminarily investigate all complaints and notify County's Program Manager of the status of the investigation within ten (10) business days of receiving the complaint.
- 8.5.6 When complaints cannot be resolved informally, a system of follow-through will be instituted which adheres to formal plans for specific actions and strict time deadlines.
- 8.5.7 Copies of all written responses must be sent to County's Program Manager within five (5) business days of mailing to the complainant.
- 8.5.8 Subrecipient must provide Client an opportunity to anonymously submit a grievance directly to County's Compliance Manager. Subrecipient must ensure that the contact information of County's Compliance Manager is posted in a publicly accessible area and also provided to Client in writing.
- 8.5.9 Subrecipient must provide County an opportunity to consider any grievance whether it is anonymously submitted to County by Client or if it's a grievance that cannot be resolved by Subrecipient. At County's sole discretion, County's written decision regarding the grievance will be final and irrevocable.
- 8.5.10 At a minimum, Subrecipient must incorporate the procedures and provisions of this Subparagraph 8.5 in its written grievance policies.

guidelines, policies, Program memoranda or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Subrecipient's indemnification obligations under this Subparagraph 8.6 will be conducted by Subrecipient and performed by counsel selected by Subrecipient and approved by County. Notwithstanding the preceding sentence, County will have the right to participate in any such defense at its sole cost and expense, except that in the event Subrecipient fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County will be entitled to retain its own counsel, including, without limitation, County Counsel, and to reimbursement from Subrecipient for all such costs and expenses incurred by County in doing so. Subrecipient will not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

- 8.6.3 Subrecipient's compliance with applicable laws and regulations includes, but is not limited to, adherence to the mandatory standards and policies relating to the following: [Title 45 Code of Federal Regulations Part 75 et seq.](#) and [Title 2 Code of Federal Regulations Part 200 et seq.](#); State's energy efficiency regulations (Title 24 California Code of Regulations); and, Pilot Program for Enhancement of Contractor Employee Whistleblower Protections (Title 48 Code of Federal Regulations Subpart 3.908 [Title 41 United States Code Section 4712](#)). In addition to these standards and policies, when the Maximum Subaward Sum is one hundred thousand dollars (\$100,000) or more, Subrecipient must also adhere to the following policies: Clean Air Act, as amended ([Title 42 United States Code Section 7401 et seq.](#)); Federal Water Pollution Control Act, as amended ([Title 33 United States Code Section 1251 et seq.](#)); Environmental Protection Agency Regulations (Title 40 Code of Federal Regulations Part 29 and Executive Order 11738); State Contract Act (California Public Contract Code Section 10295 et seq.); and, Unruh Civil Rights Act (California Public Contract Code Section 2010). County reserves the right to review Subrecipient's procedures to ensure that they comply with the statutes, ordinances, regulations, rules, rulings, policies, and procedures of the Federal, State and County authorities, as applicable.
- 8.6.4 Subrecipient certifies that throughout the entirety of this Subaward it will comply with all Federal and State payroll tax rules and employer tax guides; Subrecipient must pay all Federal and State payroll taxes; and Subrecipient must make all tax deposits required by Federal and State laws within the time limits required.
- 8.6.5 Subrecipient's failure to comply with such regulations, rules, ordinances, court rules, municipal laws, directives, policies, Program memoranda and procedures outlined in this Subparagraph 8.6 and/or the provisions, requirements, or conditions of this Subaward, including but not limited to, performance documentation, reporting, audit, and evaluation requirements will be material breach of this Subaward and may result in termination of this Subaward or other remedies available herein.

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

- 8.7.1 Subrecipient hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964 [Title 42 United States Code Sections 2000e (1) - 2000e (17), [Title 42 United States Code Section 2000d](#) and [Title 45 Code of Federal Regulations Part 80](#)] and the Americans with Disabilities Act (ADA) of 1990, to the end that no person will, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Subaward or under any project, program, or activity supported by this Subaward. Additionally, Subrecipient certifies to County:

 - 8.7.1.4 Where problem areas are identified in employment practices, Subrecipient has a system for taking reasonable corrective action, to include establishment of goals or timetables.
- 8.7.2 Notwithstanding any other provision of law and pursuant to the requirements outlined in California Public Contract Code Section 10295.3, when the Maximum Subaward Sum is one hundred thousand dollars (\$100,000) or more, Subrecipient must not discriminate in the provision of benefits between employees with spouses and employees with domestic partners, or discriminate between employees with spouses or domestic partners of a different sex and employees with spouses or domestic partners of the same sex, or discriminate between same-sex and different-sex domestic partners of employees or between same sex and different-sex spouses of employees. For purposes of this Subparagraph 8.7.2, "subaward" includes subawards and contracts awarded by County to Subrecipient with a cumulative amount of one hundred thousand dollars (\$100,000) or more for the Fiscal Year or Program Year (where the subaward or contract funds originate from the State).
- 8.7.3 Subrecipient must ensure compliance with the requirements of California Public Contract Code Section 2010 by submitting a completed Exhibit L (California Civil Rights Laws Certification) as directed by County and as a condition of executing this Subaward. 8.8 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program

8.8.1.1 This Subaward (that is, "Contract") is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in [Sections 2.203.010 through 2.203.090 of the Los Angeles County Code](#).

8.8.2 Written Employee Jury Service Policy

8.8.2.1 Unless Subrecipient (that is, "Contractor") has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program ([Section 2.203.020 of the County Code](#)) or that Contractor qualifies for an exception to the Jury Service Program ([Section 2.203.070 of the County Code](#)), Contractor must have and adhere to a written policy that provides that its employees will receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with Contractor or that Contractor deducts from the employee's regular pay the fees received for jury service.

8.8.2.2 For purposes of this Subparagraph 8.8, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of fifty thousand dollars (\$50,000) or more in any twelve (12) month period under one (1) or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Lower Tier Subrecipient (that is, "Subcontractor") to perform Services for County under this Contract, the Subcontractor will also be subject to the provisions of this Subparagraph 8.8. The provisions of this Subparagraph 8.8 will be inserted into any such Lower Tier Subaward (that is, "Subcontract") agreement and a copy of the Jury Service Program must be attached to the agreement.

- 8.8.2.3 If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor will have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor must immediately notify County's Contract Manager if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor must immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate, to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.
- 8.8.2.4 Contractor's violation of this Subparagraph 8.8 of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.9 **CONFLICT OF INTEREST**

- 8.9.1 No County employee whose position with County enables such employee to influence the granting of this Subaward or any competing contract, and no spouse or economic dependent of such employee, will be employed in any capacity by Subrecipient or have any other direct or indirect financial interest in this Subaward. No officer or employee of Subrecipient who may financially benefit from the performance of Work hereunder will in any way participate in County's approval, or ongoing evaluation, of such Work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such Work.
- 8.9.2 Subrecipient must comply with all conflict-of-interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Subaward. Subrecipient warrants that it is not now aware of any facts that create a conflict of interest. If Subrecipient hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it must immediately make full written disclosure of such facts to County's Compliance Manager. Full written disclosure must include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Subparagraph 8.9 will be a material breach of this Subaward.

8.10 **CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFFS OR ARE ON A COUNTY RE-EMPLOYMENT LIST**

8.10.1 Should Subrecipient (that is, "Contractor") require additional or replacement personnel after the effective date of this Subaward (that is, "Contract") to perform the Services set forth herein, Contractor must give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or to qualified former County employees who are on a re-employment list during the life of this Contract.

8.11 **CONSIDERATION OF HIRING GAIN/START PARTICIPANTS**

8.11.1 Should Subrecipient (that is, "Contractor") require additional or replacement personnel after the effective date of this Subaward (that is, "Contract"), Contractor will give consideration for any such employment openings to participants in County of Los Angeles Department of Public Social Services (DPSS) Greater Avenues for Independence (GAIN) Program or Skills and Training to Achieve Readiness for Tomorrow (START) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration will mean that Contractor will interview qualified candidates. County will refer GAIN/START participants by job category to Contractor. Contractor must report all job openings with job requirements to: gainstart@dpss.lacounty.gov and bservices@opportunity.lacounty.gov and DPSS will refer qualified GAIN/START job candidates.

8.11.2 In the event that both laid-off County employees and GAIN/START participants are available for hiring, County employees must be given first priority.

8.12 **CONTRACTOR RESPONSIBILITY AND DEBARMENT**

8.12.1 **Responsible Contractor**

8.12.1.1 A responsible Subrecipient (that is, "Contractor") is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform this Subaward (that is, "Contract"). It is County's policy to conduct business only with responsible contractors.

8.12.2 **Chapter 2.202 of the County Code**

8.12.2.1 Subrecipient (that is, "Contractor") is hereby notified that, in accordance [Chapter 2.202 of the County Code](#), if County acquires information concerning the performance of Contractor on this Subaward (that is, "Contract") or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five (5) years but

may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing contracts which Contractor may have with County.

8.12.3 Non-responsible Contractor

8.12.3.1 County may debar Subrecipient (that is, "Contractor") if the Board finds, in its discretion, that Contractor has done any of the following: (1) violated a term of a contract with County or a non-profit corporation created by County, (2) committed an act or omission which negatively reflects on Contractor's quality, fitness or capacity to perform a contract with County, any other public entity, or a non-profit corporation created by County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

8.12.4 Contractor Hearing Board

8.12.4.1 If there is evidence that Subrecipient (that is, "Contractor") may be subject to debarment, County will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

8.12.4.2 The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative will be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and County will be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

8.12.4.3 After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.4.4 If Contractor has been debarred for a period longer than five (5) years, Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of

debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

8.12.4.5 The Contractor Hearing Board will consider a request for review of a debarment determination only where: (1) Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board will conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing will be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.12.4.6 The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board will present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8.12.5 Subcontractors of Contractor

8.12.5.1 These terms will also apply to Lower Tier Subrecipients (that is, "Subcontractors") of County contractors.

8.12.6 Contractor hereby acknowledges that County is prohibited from contracting with parties that are suspended, debarred, ineligible or excluded from securing State-funded or Federally funded contracts. By executing this Contract, Contractor certifies that neither it nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible or excluded from securing State-funded or Federally funded contracts. Further by executing this Contract, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible or excluded from securing State-funded or Federally funded contracts. During the term of this Contract, Contractor must

immediately notify County's Compliance Manager in writing should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible or excluded from securing State-funded or Federally funded contracts. Failure of Contractor to comply with this provision will constitute a material breach of this Contract upon which County may immediately terminate or suspend this Contract.

8.13 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

8.13.1 Subrecipient (that is, "Contractor") acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's poster, Exhibit G (Safely Surrendered Baby Law) in a prominent position at Contractor's place of business. Contractor will also encourage any approved Lower Tier Subrecipients (that is, "Subcontractors"), if any, to post this poster in a prominent position in the Subcontractor's place of business. Information and posters for printing are available at <https://lacounty.gov/residents/family-services/child-safety/safe-surrender/>.

8.14 CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

8.14.1 Subrecipient (that is, "Contractor") acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

8.14.2 As required by County's Child Support Compliance Program ([County Code Chapter 2.200](#)) and without limiting Contractor's duty under this Subaward (that is, "Contract") to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and will during the term of this Contract maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and will implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

8.15 COUNTY'S QUALITY ASSURANCE PLAN

8.15.1 County or its agent will monitor Subrecipient's (that is, "Contractor's") performance under this Subaward (that is, "Contract") on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all Contract terms and conditions and performance standards, in addition to the regulations outlined in Subparagraph 8.38.3

(Monitoring Reviews). Contractor deficiencies which County determines are significant or continuing and that may place performance of this Contract in jeopardy if not corrected will be reported to the Board and listed in the appropriate Contractor performance database. The report to the Board will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

8.16 DAMAGE TO COUNTY FACILITIES, BUILDINGS OR GROUNDS

- 8.16.1 Subrecipient will repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings or grounds caused by Subrecipient or employees or agents of Subrecipient. Such repairs must be made immediately after Subrecipient has become aware of such damage, but in no event later than thirty (30) days after the occurrence.
- 8.16.2 If Subrecipient fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs must be repaid by Subrecipient by cash payment upon demand.

8.17 EMPLOYMENT ELIGIBILITY VERIFICATION

- 8.17.1 Subrecipient warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing Work under this Subaward meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Subrecipient must obtain from all employees performing Work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Subrecipient must retain all such documentation for all covered employees for the period prescribed by law.

8.18 COUNTERPARTS AND ELECTRONIC SIGNATURES AND REPRESENTATION

- 8.18.1 This Subaward may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same Subaward. The facsimile, email or electronic signature of the parties will be deemed to constitute original signatures, and facsimile or electronic copies hereof will be deemed to constitute duplicate originals.

- 8.18.2 County and Subrecipient hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Subaward and any Amendments prepared pursuant to Subparagraph 8.1 (Amendments) and received via communications facilities (facsimile, email, or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Subaward.

- 8.19.1 Subrecipient must comply with all applicable provisions of the Federal Fair Labor Standards Act and must indemnify, defend, and hold harmless County and its agents, officers and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for Work performed by Subrecipient's employees for which County may be found jointly or solely liable.

8.20 FORCE MAJEURE

- 8.20.1 Neither party will be liable for such party's failure to perform its obligations under and in accordance with this Subaward, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's lower tier subrecipients), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Subparagraph 8.20 as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a Lower Tier Subrecipient of Subrecipient will not constitute a force majeure event, unless such default arises out of causes beyond the control of both Subrecipient and such Lower Tier Subrecipient, and without any fault or negligence of either of them. In such case, Subrecipient will not be liable for failure to perform, unless the goods or Services to be furnished by the Lower Tier Subrecipient were obtainable from other sources in sufficient time to permit Subrecipient to meet the required performance schedule. As used in this Subparagraph 8.20, the term "Lower Tier Subrecipient" and "Lower Tier Subrecipients" mean Lower Tier Subrecipients at any tier.
- 8.20.3 In the event Subrecipient's failure to perform arises out of a force majeure event, Subrecipient agrees to use commercially reasonable best efforts to obtain goods or Services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 GOVERNING LAW, JURISDICTION, AND VENUE

8.21.1 This Subaward will be governed by, and construed in accordance with, the laws of the State of California. Subrecipient agrees and consents to the exclusive jurisdiction, including personal jurisdiction, of the courts of the State of California for all purposes regarding this Subaward, and further agrees and consents that venue of any action brought hereunder will be exclusively in the County.

8.22 INDEPENDENT CONTRACTOR STATUS

8.22.1 This Subaward is by and between County and Subrecipient and is not intended, and must not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Subrecipient. The employees and agents of one party must not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 Subrecipient will be solely liable and responsible for providing to, or on behalf of, all persons performing Work pursuant to this Subaward all compensation and benefits. County will have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of Subrecipient.

8.22.3 Subrecipient understands and agrees that all persons performing Work pursuant to this Subaward are, for purposes of Workers' Compensation liability, solely employees of Subrecipient and not employees of County. Subrecipient will be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any Work performed by or on behalf of Subrecipient pursuant to this Subaward.

8.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

8.24.1 Without limiting Subrecipient's indemnification of County, and in the performance of this Subaward and until all of its obligations pursuant to this

Subaward have been met, Subrecipient must provide and maintain at its own expense insurance coverage satisfying the requirements specified in this Subparagraph 8.24 and Subparagraph 8.25 (Insurance Coverage) of this Subaward. These minimum insurance coverage terms, types, and limits ("Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Subrecipient pursuant to this Subaward. County in no way warrants that the Required Insurance is sufficient to protect Subrecipient for liabilities which may arise from or relate to this Subaward.

8.24.2 Evidence of Coverage and Notice to County

- 8.24.2.1 Certificate(s) of insurance coverage ("Certificate") satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) have been given Insured status under Subrecipient's General Liability policy, must be delivered to County's Contract Manager at the address shown below and provided prior to commencing Services under this Subaward.

- 8.24.2.4 Neither County's failure to obtain, nor County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by Subrecipient, its insurance broker(s) and/or insurer(s), will be construed as a waiver of any of the Required Insurance provisions.
- 8.24.2.5 Certificates and copies of any required endorsements must be sent to:

County of Los Angeles
Aging and Disabilities Department
Contracts Management Division
Attention: County's Contract Manager
510 South Vermont Avenue, 11th Floor

- 8.24.2.6 Subrecipient also must promptly report to County's Program Manager any injury or property damage accident or incident, including any injury to a Subrecipient employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Subrecipient. Subrecipient also must promptly notify County's Program Manager of any third-party claim or suit filed against Subrecipient or any approved Lower Tier Subrecipients which arises from or relates to this Subaward, and could result in the filing of a claim or lawsuit against Subrecipient and/or County.

8.24.3 Additional Insured Status and Scope of Coverage

- 8.24.3.1 The County, its Special Districts, Elected Officials, Officers, Agents, employees, and volunteers (collectively County and its Agents) must be provided additional insured status under Subrecipient's General Liability policy with respect to liability arising out of Subrecipient's ongoing and completed operations performed on behalf of County. County and its Agents' additional insured status will apply with respect to liability and defense of suits arising out of Subrecipient's acts or omissions, whether such liability is attributable to Subrecipient or to County. The full policy limits and scope of protection also must apply to County and its Agents as an additional insured, even if they exceed County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

- 8.24.4.1 Subrecipient must provide County with, or Subrecipient's insurance policies must contain a provision that County will receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice must be provided to County's Contract Manager at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any

change in Required Insurance may constitute a material breach of this Subaward, in the sole discretion of County, upon which County may suspend or terminate this Subaward.

8.24.5 Failure to Maintain Insurance

8.24.5.1 Subrecipient's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance will constitute a material breach of this Subaward, upon which County immediately may withhold payments due to Subrecipient, and/or suspend or terminate this Subaward. County, at its sole discretion, may obtain damages from Subrecipient resulting from said breach. Alternatively, County may purchase the Required Insurance, and without further notice to Subrecipient, deduct the premium cost from sums due to Subrecipient or pursue Subrecipient reimbursement.

8.24.6 Insurer Financial Ratings

8.24.6.1 Coverage must be placed with insurers acceptable to County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.24.7 Subrecipient's Insurance Must Be Primary

8.24.7.1 Subrecipient's insurance policies, with respect to any claims related to this Subaward, must be primary with respect to all other sources of coverage available to Subrecipient. Any County maintained insurance or self-insurance coverage must be in excess of and not contribute to any Subrecipient coverage.

8.24.8 Waivers of Subrogation

8.24.8.1 To the fullest extent permitted by law, Subrecipient hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Subaward. Subrecipient must require its insurers to execute any waiver of subrogation endorsements which may be necessary to affect such waiver.

8.24.9 Lower Tier Subrecipient Insurance Coverage Requirements

8.24.9.1 Subrecipient must include all Lower Tier Subrecipients as insureds under Subrecipient's own policies, or must provide County with each Lower Tier Subrecipient's separate evidence of insurance coverage. Subrecipient will be responsible for verifying that each Lower Tier Subrecipient complies with the Required Insurance provisions herein, and must require that each Lower Tier Subrecipient name County and Subrecipient as additional insureds on the Lower Tier Subrecipient's General

Liability policy. Subrecipient must obtain County's prior review and approval of any Lower Tier Subrecipient request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

8.24.10.1 Subrecipient's policies will not obligate County to pay any portion of any Subrecipient deductible or SIR. County retains the right to require Subrecipient to reduce or eliminate policy deductibles and SIRs as respects County, or to provide a bond guaranteeing Subrecipient's payment of all deductibles and SIRs, including all related claims investigation, administration, and defense expenses. Such bond must be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

8.24.11.1 If any part of the Required Insurance is written on a claims made basis, any policy retroactive date must precede the effective date of this Subaward. Subrecipient understands and agrees it will maintain such coverage for a period of not less than three (3) years following Subaward expiration, termination, or cancellation.

8.24.12 Application of Excess Liability Coverage

8.24.13.1 All liability policies must provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 Alternative Risk Financing Programs

8.24.14.1 County reserves the right to review, and then approve, Subrecipient use of self-insurance, risk retention groups, risk purchasing groups, pooling arrangements, and captive insurance to satisfy the Required Insurance provisions. County and its Agents must be designated as an Additional Covered Party under any approved program.

Subrecipient must add County as an additional insured to its cyber liability insurance policy and provide to County certificates of insurance evidencing the foregoing upon County's request. The procuring of the insurance described herein, or delivery of the certificates of insurance described herein, will not be construed as a limitation upon Subrecipient's liability or as full performance of its indemnification obligations hereunder. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8.26 LIQUIDATED DAMAGES

- 8.26.1 If, in the judgment of County's Director, or their designee, Subrecipient is deemed to be non-compliant with the terms and obligations assumed hereby, County's Director, or their designee, at their option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment, or deduct pro rata from Subrecipient's invoice for Work not performed. A description of the Work not performed and the amount to be withheld or deducted from payments to Subrecipient from County, will be forwarded to Subrecipient by County's Director, or their designee, in a written notice describing the reasons for said action.
- 8.26.2 If County's Director, or their designee determines that there are deficiencies in the performance of this Subaward that County's Director, or their designee deems are correctable by Subrecipient over a certain time span, County's Director, or their designee will provide a written notice to Subrecipient to correct the deficiency within specified time frames. Should Subrecipient fail to correct deficiencies within said time frame, County's Director, or their designee may take any of the actions identified in Subparagraph 8.26.3.

 - 8.26.3.2 County may deduct liquidated damages at County's sole discretion. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Subrecipient to correct a deficiency within the

specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages per day per infraction will be one hundred dollars (\$100). Subrecipient will be liable to County for liquidated damages in said amount and this amount will be deducted from County's payment to Subrecipient.

8.26.3.3 Upon giving five (5) days' notice to Subrecipient for failure to correct the deficiencies, County may correct any and all deficiencies and the total costs incurred by County for completion of the Work by an alternate source, whether it be County forces or separate private contractor, will be deducted and forfeited from the payment to Subrecipient from County, as determined by County.

8.26.4 The action noted in Subparagraph 8.26.3 will not be construed as a penalty, but as adjustment of payment to Subrecipient to recover County cost due to the failure of Subrecipient to complete or comply with the provisions of this Subaward.

8.26.5 This Subparagraph must not, in any manner, restrict or limit County's right to damages for any breach of this Subaward provided by law or as specified in Exhibit A (Statement of Work and Attachments), Attachment 2 (Performance Requirements Summary) or Subparagraph 8.26.3, and must not, in any manner, restrict or limit County's right to terminate this Subaward as agreed to herein. This Subparagraph 8.26 may be assessed as an option. It does not preclude utilizing Exhibit A (Statement of Work and Attachments), Attachment 2 (Performance Requirements Summary) or assessing actual costs of the damage.

8.27 **MOST FAVORED PUBLIC ENTITY**

8.27.1 If Subrecipient's prices decline, or should Subrecipient at any time during the term of this Subaward provide the same goods or Services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Subaward, then such lower prices must be immediately extended to County.

- 8.28.5 Contractor certifies and agrees that it, its affiliates, subsidiaries or holding companies must comply with all applicable Federal and State laws and regulations to the end that no person will, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Subaward (that is, "Contract") or under any project, program or activity supported by this Contract.
- 8.28.6 Contractor will allow County representatives access to Contractor's employment records during County's business hours to verify compliance with the provisions of this Subparagraph 8.28 when so requested by County.
- 8.28.7 If County finds that any provisions of this Subparagraph 8.28 have been violated, such violation will constitute a material breach of this Contract upon which County may terminate or suspend this Contract. While County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated

Federal, or State anti-discrimination laws or regulations will constitute a finding by County that Contractor has violated the anti-discrimination provisions of this Contract.

- 8.28.8 The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Contract, County will, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.35.1 Notwithstanding the above, Subrecipient and County agree that, during the term of this Subaward and for a period of one (1) year thereafter, neither party will in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

8.36 PUBLIC RECORDS ACT

8.36.1 Any documents submitted by Subrecipient, all information obtained in connection with County's right to audit and inspect Subrecipient's documents, books, and accounting records pursuant to Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement), as well as those documents which were required to be submitted in response to the solicitation used to procure this Subaward, become the exclusive property of County. All such documents become a matter of public record and will be regarded as public records. Exceptions will be those elements in the [California Government Code Section 7921 et seq. \(Public Records Act\)](#), and which are marked "trade secret", "confidential" or "proprietary". County will not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.36.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential" or "proprietary", Subrecipient agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in an action or liability arising under the California Public Records Act.

8.37 PUBLICITY

8.37.1 Subrecipient must not disclose any details in connection with this Subaward to any person or entity except as may be otherwise provided hereunder or

required by law. However, in recognizing Subrecipient's need to identify its Services and related Clients to sustain itself, County will not inhibit Subrecipient from publishing its role under this Subaward within the following conditions:

- 8.37.1.1 Subrecipient must develop all publicity material in a professional manner; and
- 8.37.1.2 During the term of this Subaward, Subrecipient will not, and will not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of County's Contract Manager.

- 8.37.3 Subrecipient will not use or display the official seal of County of Los Angeles or the logo of Aging and Disabilities Department on any of its letterhead or other communications with any debtor, or for any other reason, unless each form of usage has prior written approval of the Board.

8.38.1 Record Retention Requirements

- 8.38.1.1 Subrecipient must maintain accurate and complete financial records (such as bank statements, cancelled checks or other closeout proof of payment) of its activities and operations relating to this Subaward in accordance with Generally Accepted Accounting Principles. Subrecipient must also maintain all materials, including, but not limited to, complete employment records (such as timecards, sign-in/sign-out sheets and other time and employment records), supporting Program documents and proprietary data and information relating to its performance of this Subaward. Subrecipient must further maintain on file the entirety of this Subaward, its amendments and/or addendums, modifications and all applicable laws, regulations, directives, Program memoranda and guidance which are hereby incorporated by reference. Subrecipient must ensure that the security and integrity of all records are maintained throughout the entire term of this Subaward and during the authorized retention period as outlined below.
- 8.38.1.2 Subrecipient must adhere to the requirements of the authorized retention period, which will be the greater of the following:

throughout the entire term of this Subaward and until an audit of this Subaward by County and/or its duly authorized representative(s) has occurred and a written audit resolution has been issued or unless otherwise authorized in writing by County; or, for such longer period, if any, as required by applicable statute, by any other provision of this Subaward, by Subparagraphs 8.38.2.2 and 8.38.2.3 or as County deems necessary (which will be communicated to Subrecipient in writing).

8.38.1.3 All such material must be maintained by Subrecipient at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at County's option, Subrecipient must pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.1.4 After the authorized retention period has expired, Subrecipient must dispose of, shred, or destroy all confidential records in a manner that will maintain confidentiality. Subrecipient must obtain a certificate of destruction to substantiate that all confidential records have been securely destroyed. Subrecipient must notify County's Contract Manager in writing within thirty (30) days after such records are destroyed. The certificate of destruction must be provided to County's Contract Manager upon County's request.

8.38.2 Access to Records

8.38.2.1 Subrecipient agrees that County and any of its duly authorized representatives (which may include State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives), must have both access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Subaward, any books, documents, papers and records of Subrecipient that are directly pertinent to this Subaward (as determined by County and its duly authorized representatives). The rights of access which are outlined in this Subaward must not be limited to the authorized retention period but must last as long as the records are retained.

8.38.2.2 If this Subaward (or any part thereof) is terminated, Subrecipient must preserve and make all records, relating to the Work terminated, available during the authorized retention period of this Subaward. Subrecipient must ensure that any resource directories and all Client records remain the property

of County upon termination of this Subaward, and that they are returned to County or transferred to another subrecipient as instructed by County in writing.

8.38.2.3 In the event of any litigation, claim, negotiation, audit exception or other action involving the records, Subrecipient must maintain all records relative to such action and must make them available to County and/or its duly authorized representatives until every action has been cleared to the satisfaction of County and/or its duly authorized representatives, and such clearance must be evidenced to Subrecipient in writing.

8.38.2.4 County reserves the right to take physical custody of Subrecipient's records when any of the following situations occur: in the event that a potential litigation may be levied against Subrecipient for its Work performed under this Subaward; when County determines that Subrecipient is at a high risk of ceasing its operations during any time within the Subaward term or prior to the end of the retention period; when County determines that the records have long-term value; and/or, in the event that County and Subrecipient terminate the contractual relationship. For purposes of this Subaward, high risk is determined by County using criteria which includes but is not limited to the following: history of unsatisfactory contractual performance; financial instability or insolvency; documented evidence of an inadequate management system and lack of internal controls; non-conformance to the terms and conditions of previous awards; non-responsible; and/or history of disallowed costs.

8.38.3 **Monitoring Reviews**

8.38.3.1 Subrecipient must provide the Services herein under the general supervision of County's Director and their authorized administrators who are designated in Paragraph 6.0 (Administration of Subaward-County). County will supervise, monitor, and specify the kind, quality, appropriateness, timeliness, and amount of the Services to be provided by Subrecipient as well as the criteria for determining the persons to be served (Clients). Subrecipient must extend to County and to representatives authorized by County (including, but not limited to, State and Federal representatives) the right to observe, review and monitor Subrecipient's facilities, programs, records, procedures, performance, activities, or documents, which are used under this Subaward. Subrecipient must provide County (or other designated authorities) the right to conduct such reviews at any time during County's business hours. County (or other designated authorities) will not

unreasonably interfere with Subrecipient's performance. The requirements of this Subparagraph 8.38 will also apply to Lower Tier Subrecipients providing Services on behalf of Subrecipient.

8.38.3.1.1 Subrecipient acknowledges County is required to verify directly with clients that they have received the Services specified in this Subaward and billed by Subrecipient to County. Subrecipient must provide all client contact information upon request.

8.38.3.1.2 Failure to provide client verification or other information as requested by County, or its representatives, will be considered noncompliance. Noncompliance penalties include sanctioning, which may consist of suspension, withholding of invoice payments and/or disallowed costs, and all other rights County reserves in noncompliance situations as established in this Subaward, up to and including termination.

8.38.3.2 County will monitor Subrecipient's Services provided under this Subaward on a regular basis and County may conduct unannounced site visits to ensure Subrecipient's compliance with this Subaward. County will summarize the results of the monitoring efforts in written reports, which will be supported with documented evidence of follow-up actions taken to correct areas of non-compliance. Monitoring activities may include, but are not limited to interviewing Subrecipient employees and, when applicable, Clients; entering any premises or any site in which any of the Services or activities funded are being conducted or in which any records of Subrecipient are kept; etc. All information will be maintained in a confidential manner in accordance with any and all Federal, State and local laws.

8.38.3.3 Subrecipient must be responsible for monitoring the activities of any approved Lower Tier Subrecipient(s) providing Services under this Subaward. Subrecipient must conduct on-site fiscal and program monitoring reviews which must be documented and maintained on file according to the record retention requirements provided in this Subparagraph 8.38. Subrecipient must ensure that Lower Tier Subrecipient(s) adheres to all requirements for correcting areas of non-compliance, and implements the corrective action plan which has been approved by Subrecipient.

8.38.4 Independent Audit Requirements

- 8.38.4.1 Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq. requires that organizations which expend seven hundred fifty thousand dollars (\$750,000) or more in a year in Federal awards, including pass-through awards, must obtain an annual single audit. When Subrecipient's organization meets this requirement (as specified in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq.), Subrecipient must ensure that such audit will be conducted by an independent auditor in accordance with the requirements outlined in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq. (and any amendments or supplements thereto). Subrecipient must submit an audit engagement letter as confirmation of the audit to be conducted by the independent auditor and such letter must be submitted to County's Compliance Manager in the time and manner as directed by County. Upon auditor's completion of the single audit, Subrecipient must obtain both the data collection form and the reporting package (i.e., auditor's report), as described in Title 45 Code of Federal Regulations Part 75.500 et seq. and Title 2 Code of Federal Regulations Part 200.500 et seq., from the auditor for each audit period (i.e., each Fiscal Year or Program Year). Subrecipient must submit a copy of the auditor's report to County's Compliance Manager within thirty (30) days after receipt of auditor's report but no later than nine (9) months following the end of the audit period.
- 8.38.4.2 When the requirements provided above for obtaining an annual audit do not apply to Subrecipient for any Fiscal Year (or Program Year), Subrecipient must make its records available for review or audit by County and any of its duly authorized representatives (which may include State authorities, Federal agencies (including, but not limited to, Comptroller of the United States, Office of the Inspector General and General Accounting Office) and/or any of their duly authorized representatives). Such review or audit may include but is not limited to financial audits, performance audits, evaluations, inspections, monitoring, etc. as determined by County and/or by any other oversight agency that is responsible for overseeing Subaward Sums, the Program and Services. Subrecipient must comply with the review and audit requirements which must be identified in writing by County and/or its duly authorized representatives.

8.38.4.3 In the event that an audit of Subrecipient is conducted specifically regarding this Subaward by any Federal or State auditor, or by any auditor or accountant employed by Subrecipient or otherwise, then Subrecipient must file a copy of such audit report with County's Compliance Manager within thirty (30) days of Subrecipient's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Subaward. Subject to applicable law, County will make a reasonable effort to maintain the confidentiality of such audit report(s).

8.38.4.4 If, at any time during the term of this Subaward or during the authorized retention period of this Subaward as noted in Subparagraph 8.38.1, representatives of County conduct an audit of Subrecipient regarding the Work performed under this Subaward, and if such audit finds that County's dollar liability for any such Work is less than payments made by County to Subrecipient, then the difference will be either: a) repaid by Subrecipient to County by cash payment upon demand; or, b) at the sole option of County of Los Angeles Department of Auditor-Controller, deducted from any amounts due to Subrecipient from County, whether under this Subaward or otherwise. If such audit finds that County's dollar liability for such Work is more than the payments made by County to Subrecipient, then the difference will be paid to Subrecipient by County by cash payment, provided that in no event will County's maximum obligation for this Subaward exceed the funds appropriated by County for the purpose of this Subaward.

8.38.5 Failure to Comply With Requirements

8.38.5.1 Failure on the part of Subrecipient to comply with any of the provisions of this Subparagraph 8.38 will constitute a material breach of this Subaward upon which County may terminate or suspend this Subaward.

8.39 RECYCLED BOND PAPER

8.39.1 Consistent with the Board's policy to reduce the amount of solid waste deposited at Los Angeles County landfills, Subrecipient agrees to use recycled-content paper to the maximum extent possible on this Subaward.

8.40 LOWER TIER SUBAWARD

8.40.1 Subrecipient will not delegate the requirements of this Subaward to a third-party ("Lower Tier Subrecipient") without the advance written approval of County. Any attempt by Subrecipient to enter into a Lower Tier Subaward for that purpose without the prior written consent of County will be deemed a material breach of this Subaward. Subrecipient must provide a draft copy

of the proposed Lower Tier Subaward to County's Contract Manager, and must allow County up to sixty (60) days to complete its review process. As such, Subrecipient must ensure that it provides the Lower Tier Subaward to County well in advance of its intended date to execute the Lower Tier Subaward (i.e., in order for Subrecipient to meet its target date for executing the Lower Tier Subaward, Subrecipient must factor up to sixty (60) days into its timeline to account for County's review process).

- 8.40.2 If Subrecipient desires to enter into a Lower Tier Subaward for the purpose of delegating any of the requirements of this Subaward, Subrecipient must complete Exhibit T (List of Lower Tier Subawards) and at County's request must promptly provide the following information either on or along with Exhibit T (List of Lower Tier Subawards):
- 8.40.2.1 Lower Tier Subrecipient's name and contact information; a description of the Work to be performed by Lower Tier Subrecipient; Lower Tier Subaward number; and Lower Tier Subaward amount.
 - 8.40.2.2 A draft copy of the proposed Lower Tier Subaward.
 - 8.40.2.3 Other pertinent information and/or certifications requested by County.
- 8.40.3 Subrecipient must indemnify, defend, and hold County harmless with respect to the activities of each and every Lower Tier Subrecipient in the same manner and to the same degree as if such Lower Tier Subrecipient(s) was Subrecipient's employee.
- 8.40.4 Subrecipient will remain fully responsible for all performances required of it under this Subaward, including those that Subrecipient has determined to grant through a Lower Tier Subaward, notwithstanding County's approval of Subrecipient's proposed Lower Tier Subaward.
- 8.40.5 County's consent to allow Subrecipient to enter into a Lower Tier Subaward with a third-party will not waive County's right to prior and continuing approval of any and all personnel, including Lower Tier Subrecipient employees, providing Services under this Subaward. Subrecipient is responsible for notifying any approved Lower Tier Subrecipients of this County right.
- 8.40.6 County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any Lower Tier Subaward and Lower Tier Subrecipient employees. After County's approval of the Lower Tier Subaward, Subrecipient must forward a copy of the fully executed Lower Tier Subaward to County's Contract Manager within five (5) days of its execution.

- 8.40.7 Subrecipient will be solely liable and responsible for all payments or other compensation to all Lower Tier Subrecipients and their officers, employees, agents, and successors in interest arising through Services performed hereunder, notwithstanding County's consent to allow Subrecipient to enter into such Lower Tier Subaward(s).
- 8.40.8 Subrecipient must obtain current valid certificates of insurance, which establish that each Lower Tier Subrecipient maintains all the programs of insurance required by County in accordance with Subparagraph 8.24.9 (Lower Tier Subrecipient Insurance Coverage Requirements). In addition to meeting the requirements noted in Subparagraph 8.24 (General Provisions for All Insurance Coverage) and Subparagraph 8.25 (Insurance Coverage), such certificates of insurance must also indicate the Lower Tier Subaward number for each Lower Tier Subrecipient. Before any Lower Tier Subrecipient employee performs any Work hereunder, Subrecipient must ensure delivery of all such documents to County's Contract Manager or designee.
- 8.40.9 Amending a Lower Tier Subaward may be initiated by either Subrecipient or County. When an amendment is initiated by County, County will outline the reason(s) for the amendment and Subrecipient must comply with County's request. All Lower Tier Subaward amendments are subject to review and must be approved in writing by County before they are executed. Subrecipient must provide a draft copy of the proposed amendment to County's Contract Manager, and must allow County up to thirty (30) days to complete its review process. After County's approval of Subrecipient's amendment, Subrecipient must forward a copy of the fully executed amendment to County's Contract Manager within five (5) days of its execution.
- 8.40.10 Subrecipient must adhere to all applicable Federal, State and/or County requirements for the procurement of a Lower Tier Subrecipient(s) and/or vendor services using Subaward Sums.
- 8.40.11 In the event County approves Subrecipient's request to delegate any part of the requirements of this Subaward through a Lower Tier Subaward, all applicable provisions, and requirements of this Subaward must be made applicable to such Lower Tier Subaward. To this end, Subrecipient must include the following provision in the Lower Tier Subaward: This agreement is a Lower Tier Subaward under the terms of a prime Subaward (identified as Subaward Number ENP252608 with County of Los Angeles Aging and Disabilities Department and will be subject to all of the provisions of such prime Subaward. All representations and warranties under this Lower Tier Subaward must inure to the benefit of County of Los Angeles.
- 8.40.12 Pursuant to the provisions of this Subaward, County has the right to review and consent (or not consent) to Subrecipient's use of Lower Tier Subrecipients that have been procured in compliance with State and/or federal guidelines applicable to the funding source(s) identified in

Subparagraph 5.1.2 (Funding Allocations). County's approval of the proposed Lower Tier Subaward will not be deemed as validation of the procurement method used by Subrecipient, and only reflects County's approval as to the form of the Lower Tier Subaward terms and conditions as well as the services being provided under such agreement.

- 8.40.13 When entering into a Lower Tier Subaward with a qualified organization, Subrecipient must maintain documentation that supports/justifies the procurement method and evaluation process used by Subrecipient to select the qualified vendor for a Lower Tier Subaward. County's continuing consent to a Lower Tier Subaward is contingent upon Subrecipient's assurance that the procurement process was compliant with the requirements noted herein as well as all other Subaward requirements, and that the Lower Tier Subrecipient continues to retain staff and infrastructure experienced with providing the necessary services.
- 8.40.14 This Subaward and any approved Lower Tier Subaward are subject to monitoring and/or review by County, State, and/or federal funding authorities. If Subrecipient executes a Lower Tier Subaward that is deemed non-compliant with the requirements of this Subaward or applicable federal, State, or County regulations, any costs incurred under that Lower Tier Subaward may be disallowed, resulting in Subrecipient's liability to County for the repayment of any charged costs and/or not being reimbursed for any of those incurred costs yet to be billed.
- 8.40.15 Subrecipient must ensure that any approved Lower Tier Subrecipient(s) complies with the requirements of California Public Contract Code Section 2010 by submitting a completed Exhibit L (California Civil Rights Laws Certification) for Lower Tier Subrecipient(s) as a condition of executing this Subaward.

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

- 8.41.1 Failure of Subrecipient (that is, "Contractor") to maintain compliance with the requirements set forth in Subparagraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program), will constitute default under this Subaward (that is, "Contract"). Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ninety (90) calendar days of written notice will be grounds upon which County may terminate this Contract pursuant to Subparagraph 8.43 (Termination for Default) and pursue debarment of Contractor, pursuant to [County Code Chapter 2.202](#).

8.42 TERMINATION FOR CONVENIENCE

- 8.42.1 County may terminate this Subaward, in whole or in part, from time to time or permanently, when such action is deemed by County, in its sole discretion, to be in its best interest. Termination of Work hereunder will be effected by notice of termination to Subrecipient specifying the extent to which

performance of Work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective will be no less than thirty (30) calendar days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by County, Subrecipient must:

8.42.2.1 Stop Work under this Subaward on the date and to the extent specified in such notice;

8.42.2.2 Complete performance of such part of the Work as would not have been terminated by such notice;

8.42.2.3 Transfer title and deliver to County all completed Work and Work in progress.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Subrecipient under this Subaward must be maintained by Subrecipient in accordance with Subparagraph 8.38 (Record Retention, Inspection and Audit Settlement).

8.43 TERMINATION FOR DEFAULT

8.43.1 County may, by written notice to Subrecipient, terminate the whole or any part of this Subaward, if, in the judgment of County:

8.43.1.1 Subrecipient has materially breached this Subaward; or

8.43.1.2 Subrecipient fails to timely provide and/or satisfactorily perform any task, deliverable, Service, or other work required under this Subaward; or

8.43.1.3 Subrecipient fails to demonstrate a high probability of timely fulfillment of performance requirements under this Subaward, or of any obligations of this Subaward and in either case, fails to demonstrate convincing progress toward a cure within five (5) business days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.

8.43.2 In the event that County terminates this Subaward in whole or in part as provided in Subparagraph 8.43.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and Services similar to those so terminated. Subrecipient will be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and Services. Subrecipient will continue the performance of this Subaward to the extent not terminated under the provisions of this Subparagraph 8.43.

- 8.43.3 Except with respect to defaults of any Lower Tier Subrecipient, Subrecipient will not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Subaward arises out of causes beyond the control and without the fault or negligence of Subrecipient. Such causes may include, but are not limited to acts of nature or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Subrecipient. If the failure to perform is caused by the default of a Lower Tier Subrecipient, and if such default arises out of causes beyond the control of both Subrecipient and Lower Tier Subrecipient, and without the fault or negligence of either of them, Subrecipient will not be liable for any such excess costs for failure to perform, unless the goods or Services to be furnished by the Lower Tier Subrecipient were obtainable from other sources in sufficient time to permit Subrecipient to meet the required performance schedule. As used in this Subparagraph 8.43, the term "Lower Tier Subrecipient(s)" means Lower Tier Subrecipient(s) at any tier.
- 8.43.4 If, after County has given notice of termination under the provisions of this Subparagraph 8.43, it is determined by County that Subrecipient was not in default under the provisions of this Subparagraph 8.43, or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties will be the same as if the notice of termination had been issued pursuant to Subparagraph 8.42 (Termination for Convenience).
- 8.43.5 The rights and remedies of County provided in this Subparagraph 8.43, will not be exclusive and are in addition to any other rights and remedies provided by law or under this Subaward.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

- 8.44.1 County may, by written notice to Subrecipient (that is "Contractor"), immediately terminate the right of Contractor to proceed under this Subaward (that is, "Contract") if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to Contractor's performance pursuant to this Contract. In the event of such termination, County will be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.
- 8.44.2 Contractor must immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report must be made to Los Angeles County Fraud Hotline at (800) 544-6861 or <https://fraud.lacounty.gov/>.

- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

- 8.45.1 County may terminate this Subaward forthwith in the event of the occurrence of any of the following:

8.47 TERMINATION FOR NON - APPROPRIATION OF FUNDS

- 8.47.1 Notwithstanding any other provision of this Subaward, County will not be obligated for Subrecipient's performance hereunder or by any provision of this Subaward during any of County's future Fiscal Years unless and until County's Board appropriates funds for this Subaward in County's budget for each such future Fiscal Year. In the event that funds are not appropriated for this Subaward, then this Subaward will terminate as of June 30 of the last Fiscal Year for which funds were appropriated. County will notify Subrecipient in writing of any such non-allocation of funds at the earliest possible date.

8.48 **VALIDITY**

- 8.48.1 If any provision of this Subaward or the application thereof to any person or circumstance is held invalid, the remainder of this Subaward and the application of such provision to other persons or circumstances will not be affected thereby.

8.49 **WAIVER**

- 8.49.1 No waiver by County of any breach of any provision of this Subaward will constitute a waiver of any other breach or of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Subaward will not be construed as a waiver thereof. The rights and remedies set forth in this Subparagraph 8.49, will not be exclusive and are in addition to any other rights and remedies provided by law or under this Subaward.

8.50 **WARRANTY AGAINST CONTINGENT FEES**

Unless Subrecipient qualifies for an exemption or exclusion, Subrecipient warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Subaward will maintain compliance, with [Los Angeles County Code Chapter 2.206](#). Prior to the commencement of this Subaward, Subrecipient will complete Exhibit U (Certification of Compliance with County's Defaulted Property Tax Reduction Program) and submit it to County's Contract Manager in the time and manner as designated by County.

8.52.1 Failure of Subrecipient to maintain compliance with the requirements set forth in Subparagraph 8.51 (Warranty of Compliance with County's Defaulted Property Tax Reduction Program), will constitute default under this Subaward. Without limiting the rights and remedies available to County under any other provision of this Subaward, failure of Subrecipient to cure such default within ten (10) days of notice will be grounds upon which County may terminate this Subaward and/or pursue debarment of Subrecipient, pursuant to [Los Angeles County Code Chapter 2.206](#). Prior to the commencement of this Subaward, Subrecipient must complete Exhibit U (Certification of Compliance with County's Defaulted Property Tax Reduction Program) and submit it to County's Contract Manager in the time and manner as designated by County.

8.54.1 Subrecipient (that is, "Contractor") acknowledges that County has established a Zero Tolerance Human Trafficking Policy which prohibits Contractor and member of Contractor's staff from engaging in human trafficking.

8.54.2 If Contractor or member of Contractor's staff is convicted of a human trafficking offense, County will require that Contractor or member of Contractor's staff be removed immediately from performing Services under this Subaward (that is, "Contract"). County will not be under any obligation to disclose confidential information regarding the offense(s) other than those required by law.

8.54.3 Disqualification of Contractor or member of Contractor's staff pursuant to this Subparagraph 8.54 will not relieve Contractor of its obligation to complete all Work in accordance with the terms and conditions of this Contract.

8.55 **INTENTIONALLY OMITTED**

8.56.1 Subrecipient (that is, "Contractor"), and its Lower Tier Subrecipient(s) must comply with fair chance employment hiring practices set forth in [California Government Code Section 12952](#). In the event of such material breach, County may, in its sole discretion, terminate this Contract.

8.57 **COMPLIANCE WITH COUNTY POLICY OF EQUITY**

8.57.1 Subrecipient acknowledges that County takes its commitment to preserving the dignity and professionalism of the workplace very seriously, as set forth in County Policy of Equity (CPOE) (<https://ceop.lacounty.gov/>). Subrecipient further acknowledges that County strives to provide a workplace free from discrimination, harassment, retaliation, and inappropriate conduct based on a protected characteristic, and which may violate the CPOE. Subrecipient, its employees and Lower Tier Subrecipient(s) acknowledge and certify receipt and understanding of the CPOE. 8.58 **PROHIBITION FROM PARTICIPATION IN FUTURE SOLICITATION(S)**

8.58.1 A Proposer, or a Subrecipient (that is, "Contractor") or its subsidiary or Lower Tier Subrecipient (that is, "Subcontractor") ("Proposer/Contractor"), is prohibited from submitting a bid or proposal in a County solicitation if Proposer/Contractor has provided advice or consultation for the solicitation. A Proposer/Contractor is also prohibited from submitting a bid or proposal in a County solicitation if Proposer/Contractor has developed or prepared any of the solicitation materials on behalf of County. A violation of this provision will result in the disqualification of Proposer/Contractor from participation in County solicitation or the termination or cancellation of any resultant County contract.

8.59 **INJURY AND ILLNESS PREVENTION PROGRAM**

8.59.1 Subrecipient will be required to comply with the State of California's Cal OSHA's regulations. Additionally, Subrecipient's staff working on this Subaward must also report such abuse to the County of Los Angeles Department of Children and Family Services by calling the hotline at (800) 540-4000 within twenty-four (24) hours of discovering or suspecting the abuse. Subrecipient's staff must submit all required information to the appropriate authorities in accordance with PC Sections 11166 and 11167.

9.1.4 **Withholding of Payment**

- 9.1.4.1 In the event that allegations of fraud and/or abuse are levied against Subrecipient or any individual or entity performing Work under this Subaward on behalf of Subrecipient, County reserves the right to withhold either ten percent (10%) of the Subaward Sum allocated for any Fiscal Year under this Subaward or the entire amount of the final year-end invoice, whichever is greater, until a determination is issued in writing by County that withheld funds will be released to Subrecipient. For purposes of this Subaward, fraud and abuse will include but are not limited to the following: misapplication of funds; embezzlement; forgery; theft; solicitation and receipt of bribes; falsification of records; inauditable records; unsupported or undocumented Subaward expenditures; inaccurate fiscal and/or Program reports; misuse of fixed assets or non-fixed assets purchased with Subaward Sums (when the procurement of such assets are authorized in this Subaward); violation of conflict of interest requirements; etc.

9.2 **AMERICANS WITH DISABILITIES ACT (ADA)**

- 9.2.1 Subrecipient must abide by all applicable Federal, State, and local laws including the Americans with Disabilities Act (ADA) and its requirement to provide reasonable accommodations and auxiliary aids or services, unless compliance with the ADA would place an undue financial burden on, or would fundamentally alter the nature of, Subrecipient's operations. Subrecipient must submit demonstrable evidence of such undue financial burden to County in such circumstances.

9.3 **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE**

- 9.3.1 The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (Senate Bill 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Subrecipient (that is, "Contractor") to complete Exhibit J (Charitable Contributions Certification), County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect Los Angeles County and its taxpayers. When Contractor receives or raises charitable contributions without complying with its obligations under California law, Contractor commits a material breach subjecting it to termination of this Subaward (that is, "Contract"), debarment proceedings or both ([County Code Chapter 2.202](#)). Prior to the commencement of this Contract, Contractor must submit the completed Exhibit J (Charitable Contributions Certification) to County's Contract Manager in the time and manner as designated by County.

9.4 **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA)**

9.4.1 County is subject to the Administrative Simplification requirements and prohibitions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules which are outlined in Title 45 Code of Federal Regulations Sections 160 and 164 (collectively "HIPAA Rules"). Under this Subaward, Subrecipient provides Services to County and Subrecipient creates, has access to, receives, maintains, or transmits Protected Health Information as defined in Exhibit I (Business Associate Agreement Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA)) in order to provide those Services. County and Subrecipient therefore agree to the terms of Exhibit I (Business Associate Agreement Under the Health Insurance Portability and Accountability Act of 1996 (HIPAA)).

9.5 **FIXED ASSETS, NON-FIXED ASSETS AND SUPPLIES**

9.5.1 Subrecipient may use Subaward Sums to purchase Fixed Assets, Non-Fixed Assets and Supplies, which are defined in Exhibit S (Purchase, Inventory and Disposal Requirements for Fixed Assets, Non-Fixed Assets and Supplies) contingent upon County's prior approval. Subrecipient must adhere to the purchase, inventory and disposal requirements for all Fixed Assets, Non-Fixed Assets and Supplies purchased with Subaward Sums, as provided by Federal and State regulations as well as the requirements outlined in Exhibit S (Purchase, Inventory and Disposal Requirements for Fixed Assets, Non-Fixed Assets and Supplies).

9.5.2 This Subaward involves the furnishing of equipment, materials and/or supplies. As such, it is unlawful for Subrecipient when engaged in business within the State to use any article or product as a "loss leader" as defined in the Business and Professions Code Section 17030.

9.6 **LIMITATION ON CORPORATE ACTS**

9.6.1 Subrecipient must not amend its articles of incorporation or bylaws, move to dissolve, or transfer any assets obtained using Subaward Sums, or take any other steps which may materially affect the performance of this Subaward without first notifying County in writing no less than thirty (30) days prior to said action. Subrecipient must notify County's Contract Manager immediately in writing of any change in Subrecipient's corporate name.

9.6.2 If, in County's sole discretion, the steps taken by Subrecipient are determined to materially affect Subrecipient's performance of this Subaward, County may, at its sole discretion, take any (or all) of the following actions:

- 9.6.2.1 Require Subrecipient to remedy the areas that affect Subrecipient's ability to perform its obligations under this Subaward.
- 9.6.2.2 Suspend Subrecipient from performing (and receiving payment for) Subaward tasks until a remedy has been reached.
- 9.6.2.3 Terminate this Subaward pursuant to Subparagraph 8.43 (Termination for Default).

9.7 **INTENTIONALLY OMITTED**

9.8 **MANDATORY REQUIREMENT TO REGISTER ON COUNTY'S WEBVEN**

- 9.8.1 Subrecipient represents and warrants that it has registered in Los Angeles County's vendor registration system ("WebVen"). The WebVen contains Subrecipient's business profile and identifies the goods/services being provided by Subrecipient. Subrecipient must ensure that it updates its vendor profile whenever changes occur to Subrecipient's operations by accessing the WebVen site located on-line at: <http://camisvr.co.la.ca.us/webven/>. County will use the data obtained from Subrecipient's WebVen profile to ensure that Subrecipient's information is consistent with Subaward records (e.g., Subrecipient's legal name, as reflected in its WebVen profile, will be used in all Subaward documents).

9.9 **MODIFICATIONS**

9.9.1 **Modifications to this Subaward**

- 9.9.1.1 This Subaward fully expresses the agreement of the parties. Any modification to this Subaward must be by means of a separate written document approved by County. No oral conversation between any officer, employee or agent of the parties must modify or otherwise amend this Subaward in any way. For purposes of this Subparagraph 9.9, a Modification:
 - 9.9.1.1.1 Is a mechanism that allows Subrecipient to revise its Budget(s) or Services during the Fiscal Year or Program Year without adversely affecting Subrecipient's ability to fulfill its obligations under this Subaward (i.e., such Modification must not materially change Subrecipient's obligation to provide the Services outlined in Exhibit A (Statement of Work and Attachments)).
 - 9.9.1.1.2 Allows Subrecipient to fully utilize Subaward Sums to fulfill the requirements of this Subaward and adequately cover the provision of Services.

9.9.1.1.3 Is approved by County in writing, must be in the best interests of County and Subrecipient must adhere to it in its entirety.

9.9.1.2 Any Modification, as described below, will not change the terms, goals, or requirements of this Subaward. Such Modification provides Subrecipient some flexibility to operate within the terms of this Subaward in order to fully utilize Subaward Sums and to achieve Subrecipient's performance goals. Subrecipient's request for Modifications, either budgetary or programmatic, must be submitted in writing to either County's Contract Manager or County's Program Manager, respectively. Subrecipient must not request a Modification during the first quarter and during the last two (2) months of the current Fiscal Year or Program Year (except where a written waiver is requested by Subrecipient and granted by County).

9.9.2 **Budget Modifications**

9.9.2.1 The movement of funds within an approved Budget(s) from one line item to another line item is classified as a Budget Modification. For the entirety of any Fiscal Year or Program Year, a Budget Modification must not exceed twenty percent (20%) of the baseline amount allocated to the line items being modified (i.e., Subrecipient's movement of funds among line items must not cause one line item to be reduced or increased by more than twenty percent (20%) of its baseline amount). For purposes of this Subparagraph 9.9, baseline is defined as the original amount allocated at the beginning of a Fiscal Year or Program Year; for Fiscal Years or Program Years following the first Fiscal Year or Program Year, such amount may differ from what is reflected in the original Subaward. A Budget Modification will not change the Subaward Sum allocated for any Fiscal Year or Program Year under this Subaward. Subrecipient must notify County's Contract Manager in writing to request authorization prior to submitting a Budget Modification. On the date County approves a Budget Modification, such Budget Modification must supersede any prior Budget Modification(s) approved by County within the same Fiscal Year or Program Year (i.e., when Subrecipient's Budget Modification number two (2) is approved by County, it becomes effective upon the approval date and Subrecipient's Budget Modification number one (1) is no longer effective as of that same date).

9.9.3 **Program Modifications**

9.9.3.1 The movement of Services from one Service category (as defined in Exhibit A (Statement of Work and Attachments)) to

another is classified as a Program Modification. Subrecipient must notify County's Program Manager in writing to request authorization prior to submitting a Program Modification. On the date County approves a Program Modification, such Program Modification will supersede any prior Program Modification(s) approved by County within the same Fiscal Year or Program Year (i.e., when Subrecipient's Program Modification number two (2) is approved by County, it becomes effective upon the approval date and Subrecipient's Program Modification number one (1) is no longer effective as of that same date).

9.10 NEPOTISM

9.10.1 Subrecipient certifies that it will not hire nor permit the hiring of any person in a position funded under this Subaward if a member of the person's immediate family is employed in an administrative capacity by Subrecipient. For purposes of this Subparagraph 9.10, the term "immediate family" means spouse (common law or otherwise, and including domestic partner), child, mother, father, brother, sister, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, aunt, uncle, niece, nephew, step-parent, step-child, or such other relationship which would give rise to a substantial appearance of impropriety if the person were to be hired by Subrecipient. The term "administrative capacity" means a position that has overall administrative responsibility for the Program, including but not limited to selection, hiring, or supervisory responsibilities.

9.11 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

9.11.1 County will be the sole owner of all right, title, and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools ("materials") which are originated or created through Subrecipient's Work pursuant to this Subaward. Subrecipient, for valuable consideration herein provided, must execute all documents necessary to assign and transfer to, and vest in County all of Subrecipient's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Subrecipient's Work under this Subaward.

9.11.2 During the term of this Subaward and during the authorized retention period of this Subaward, Subrecipient must maintain and provide security for all of Subrecipient's working papers prepared under this Subaward. County will have the right to inspect, copy and use at any time during the term of this Subaward and during the authorized retention period of this Subaward, any and all such working papers and all information contained therein.

9.11.3 Any and all materials, software and tools which are developed or were originally acquired by Subrecipient outside the scope of this Subaward, which Subrecipient desires to use hereunder, and which Subrecipient considers to be proprietary or confidential, must be specifically identified by Subrecipient to County's Contract Manager as proprietary or confidential,

and must be plainly and prominently marked by Subrecipient as "Proprietary" or "Confidential" on each appropriate page of any document containing such material.

- 9.11.4 County will use reasonable means to ensure that Subrecipient's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute, or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Subrecipient.
- 9.11.5 Notwithstanding any other provision of this Subaward, County will not be obligated to Subrecipient in any way under Subparagraph 9.11.4 for any of Subrecipient's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by Subparagraph 9.11.3 or for any disclosure which County is required to make under any Federal or State law or order of court.
- 9.11.6 Notwithstanding any other provision of this Subaward, County and Subrecipient agree that County will have all ownership rights of software or modification thereof and associated documentation designed, developed, or installed using Federal financial participation. The Federal government will have a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use for Federal government purposes, such software, modifications, and documentation. Notwithstanding any other provision of this Subaward, proprietary operating/vendor software packages, which are provided at established catalog or market prices and sold or leased to the general public, will not be subject to the ownership provisions of this Subparagraph 9.11.

9.12 **PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION**

- 9.12.1 Subrecipient must indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third-party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Subrecipient's Work under this Subaward. County will inform Subrecipient as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and will support Subrecipient's defense and settlement thereof.
- 9.12.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Subrecipient, at its sole expense, and providing that County's continued use of the system is not materially impeded, will either:

- 9.12.2.1 Procure for County all rights to continued use of the questioned equipment, part, or software product; or
 - 9.12.2.2 Replace the questioned equipment, part, or software product with a non-questioned item; or
 - 9.12.2.3 Modify the questioned equipment, part, or software so that it is free of claims.
- 9.12.3 Subrecipient will have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Subrecipient, in a manner for which the questioned product was not designed nor intended.

9.13 **PROBATION AND SUSPENSION**

- 9.13.1 Subrecipient may be placed on probation, suspension or a combination thereof when County determines that Subrecipient is not in compliance with any Service, Work, task, deliverable or requirement outlined in this Subaward and/or when Subrecipient has demonstrated a consistent and significant lack of achievement of the Subaward goals (including, but not limited to, meeting the requirements for Program performance, expenditures, staffing, administration, etc.). County will notify Subrecipient in writing in the event that Subrecipient is placed on probation, suspension or a combination thereof.
- 9.13.2 **Probation**
- 9.13.2.1 Probation as used herein will mean a specified period of time (as determined by County) during which Subrecipient must remedy all areas of non-compliance which have been identified by County or its duly authorized representative(s). County will monitor Subrecipient's adherence to such remedy(ies) during the probation.
 - 9.13.2.2 When County places Subrecipient on probation, County will provide Subrecipient a written notice indicating the reasons for the probation (which will include a description of the areas of Subrecipient's non-compliance), the date upon which this probation will become effective, the date upon which Subrecipient must fully remedy all areas of non-compliance and a determination as to whether or not Subrecipient may continue to provide Services during the probation.
 - 9.13.2.3 Subrecipient's ability to obtain future funding may be impacted when Subrecipient does not remedy its non-compliance during its probation and/or when Subrecipient is placed on multiple probations (as determined by County at County's sole discretion).

9.13.3 **Suspension**

- 9.13.3.1 Suspension as used herein will mean a specified period of time (as determined by County) during which County will withhold payment from Subrecipient (i.e., suspension of payment(s)), County will institute a temporary curtailment of the Services provided by Subrecipient and any approved Lower Tier Subrecipient(s), if any, (i.e., suspension of Work) or a combination thereof. This Subaward may be suspended in whole or in part, from time to time, when such action is deemed by County in its sole discretion to be in County's best interest. During the suspension, Subrecipient has a continuing obligation to remedy the areas of non-compliance which have been identified by County or its duly authorized representative(s). County will monitor Subrecipient's adherence to such remedy(ies) during the suspension.
- 9.13.3.2 When County suspends Subrecipient, County will provide Subrecipient a written notice indicating the type of suspension, the reasons for such suspension (which will include a description of the areas of Subrecipient's non-compliance), the date upon which this suspension will become effective, the date upon which Subrecipient must fully remedy all areas of non-compliance and a determination as to whether or not Subrecipient may continue to provide Services which are not suspended during the suspension. When County institutes a temporary curtailment of Services, the written notice will include a description of the Service(s) being suspended.
- 9.13.3.3 At County's sole discretion, when Subrecipient's payment(s) and/or Services are suspended, County may also elect to transfer suspended Services from Subrecipient to another subrecipient for a period of time that will be determined solely by County. Subrecipient's ability to obtain future funding may be impacted when Subrecipient does not remedy its non-compliance during its suspension and/or when Subrecipient is placed on multiple suspensions (as determined by County at County's sole discretion).
- 9.13.3.4 Upon receipt of a notice of suspension of Services and except as otherwise directed by County, Subrecipient must:
- 9.13.3.4.1 Stop providing Services under this Subaward on the date and to the extent specified in such notice.
 - 9.13.3.4.2 Complete performance of such part of the Services that is not suspended by such notice.

- 9.13.3.5 Subrecipient will be promptly paid for Services properly completed up until the time of suspension. Such payment is contingent upon Subrecipient properly completing and timely submitting its invoice(s) for Services completed up until the effective date of suspension.
- 9.13.3.6 Suspension will continue for the period specified in the written notice of suspension provided to Subrecipient unless County provides written notice to resume Services at an earlier date.
- 9.13.3.7 All other terms and remedies provided in this Subaward, including provisions for Termination, will remain valid during any period of suspension.
- 9.13.4 In response to the notice of probation or suspension, Subrecipient must submit a written Corrective Action Plan to County's Compliance Manager within ten (10) days of the postmark date indicated on the notice from County. Subrecipient's Corrective Action Plan must address all of the deficiencies noted by County.
- 9.13.5 County will review Subrecipient's Corrective Action Plan and will determine whether it meets the requirements for County's approval. County reserves the right to suspend/deduct payments for or to terminate all or any part of this Subaward (and/or any of Subrecipient's other contracts with County) when Subrecipient submits a Corrective Action Plan that is not acceptable to County.
- 9.13.6 Subrecipient must implement the Corrective Action Plan upon receiving County's final written approval of the Corrective Action Plan. Subrecipient's failure to comply with an approved Corrective Action Plan will be cause for material breach of this Subaward upon which County may pursue the remedies for default of Subaward, including, but not limited to, reimbursement for all debt collection costs incurred by County.

9.14 **TRANSITION OF SUBAWARD SERVICES**

9.14.1 **Completion of Subaward**

- 9.14.1.1 Within sixty (60) calendar days prior to the expiration of this Subaward (or shorter time period if notified in writing by County), County will provide Subrecipient written notice of the time period that Subrecipient must allow County or a newly selected subrecipient a transition period for orientation purposes and the orderly transition of Subrecipient's current Services without additional costs to County. Subrecipient must continue to provide Services timely and accurately so that the Services are current at the expiration of this Subaward.
- 9.14.1.2 Subrecipient must fulfill all responsibilities required under this Subaward including, but not limited to, implementing the

approved Transition Plan, and performing any other requirement(s) that County deems as reasonably necessary to effectuate the successful transition of Program Services to another Service provider. County will not be unreasonable in its request(s).

9.14.2 Transition Plan

9.14.2.1 If this Subaward (or any part thereof) is terminated pursuant to any of the termination provisions outlined herein or if it expires pursuant to Paragraph 4.0 (Term of Subaward), Subrecipient must provide a Transition Plan to County. Subrecipient must submit said Transition Plan to County's Contract Manager within the timeframe designated by County in the notice of termination or Subrecipient must submit it at least sixty (60) days prior to the expiration of this Subaward as noted in Paragraph 4.0 (Term of Subaward).

9.14.2.2 County will review Subrecipient's Transition Plan and will determine whether it meets the requirements for County's approval. County reserves the right to suspend/deduct payments under this Subaward and/or under any of Subrecipient's other contracts with County when Subrecipient submits a Transition Plan that is not acceptable to County. Subrecipient must adhere to the Transition Plan which, at a minimum, will include all of the elements outlined below.

9.14.3 Elements of the Transition Plan

9.18.1 Subrecipient agrees to comply with the requirements set forth in the entirety of this Subaward as well as the requirements contained in supporting Program legislation and all applicable directives, Program memoranda, notices, guidelines, and instructions issued by or on behalf of Federal, State or County authorities. Subrecipient's failure to comply with such requirements will subject Subrecipient to remedies which are available under this Subaward and as provided by law. These remedies include but are not limited to the following: probation; suspension of payment(s); suspension of Services; assessment and collection of liquidated damages; de-obligation of Subaward Sums (for purposes of this Subaward, de-obligation is the partial or full removal of Subaward Sums from Subrecipient); re-obligation of Subaward Sums (for purposes of this Subaward, re-obligation is the allocation of de-obligated Subaward Sums to another current subrecipient(s) and/or to a new subrecipient); debarment; and/or termination of this Subaward. 9.19 **PAYMENT AND PERFORMANCE GUARANTIES**

9.19.1 Throughout the entire term of this Subaward, including the original term and any renewals or extensions thereto, County, at its sole discretion, reserves the right to require Subrecipient to provide a Payment Guaranty, Performance Guaranty, or both ("Guaranty(ies)") in the amount and form as directed by County. County will determine whether or not Subrecipient will

9.19.2 **Payment Guaranty**

- 9.19.2.1 The Payment Guaranty is Subrecipient's surety/guarantee to County that Subrecipient will meet its obligations to faithfully pay any approved Lower Tier Subrecipients in a manner that is timely, satisfactory, and acceptable to County, as determined by County at its sole discretion. The purpose of the Payment Guaranty is to provide all Lower Tier Subrecipients who supply labor, materials, services, etc. to Subrecipient a recourse if they do not get paid by Subrecipient. In such case, the Payment Guaranty allows Lower Tier Subrecipient to file a claim with the surety company that issued the Guaranty in the event that Subrecipient does not reimburse the Lower Tier Subrecipient for goods and/or services provided by Lower Tier Subrecipient.
- 9.19.2.2 Subrecipient acknowledges that County may also make a determination that Subrecipient's non-payment of any approved Lower Tier Subrecipients is a violation of the terms and conditions of this Subaward which may subject Subrecipient to obtain both the Payment Guaranty and Performance Guaranty.
- 9.19.2.3 The Payment Guaranty must only take the form of a surety bond. More information concerning surety bonds and companies may be obtained from the Surety Association of America (www.surety.org), the Surety Information Office (www.sio.org), state insurance departments, the U.S. Small Business Administration and U.S. Department of the Treasury.
- 9.19.2.4 The Payment Guaranty must be executed by a corporate surety which is licensed to transact business as a surety in the State of California. The corporate surety must have an A.M. Best Rating of not less than A:VII, unless otherwise approved by County.

9.19.3 Performance Guaranty

- 9.19.3.1 The Performance Guaranty is Subrecipient's surety/guarantee to County that Subrecipient will meet its obligations to perform the terms and conditions of the resulting Subaward. The purpose of the Performance Guaranty is to provide County a recourse to recover Subaward monies which would otherwise be lost due to Subrecipient's negligent actions. This Performance Guaranty will provide for the payment of monies to County for transactions which are incurred by Subrecipient, including but not limited to: liquidated damages, late penalty payments, County's reimbursement, etc. County's determination to require Subrecipient to obtain the Performance Guaranty would occur after the resolution process has been completed and "questioned costs" have been determined to be unsubstantiated costs, disallowed costs, etc.
- 9.19.3.2 The Performance Guaranty will take any of the following forms:
- 9.19.3.2.1 Surety Bond: More information concerning surety bonds and companies may be obtained from the Surety Association of America (www.surety.org), the Surety Information Office (www.sio.org), state insurance departments, the U.S. Small Business Administration and U.S. Department of the Treasury. The performance guaranty may not allow the bond surety to substitute another person to perform Services.
 - 9.19.3.2.2 Letter of Credit: Refer to Exhibit N (Criteria and Standards for Letters of Credit and Certificates of Deposit) for information.
 - 9.19.3.2.3 Certified Check or Certificate of Deposit: This form of Guaranty must list/identify County of Los Angeles as an authorized party that can withdraw on the account. Refer to Exhibit N (Criteria and Standards for Letters of Credit and Certificates of Deposit) for additional information on the certificate of deposit.
 - 9.19.3.2.4 Cash
- 9.19.3.3 The Performance Guaranty must be executed by a corporate surety which is licensed to transact business as a surety in the State of California. The corporate surety must have an A.M. Best Rating of not less than A:VII, unless otherwise approved by County.

- 9.19.4 When County determines that Subrecipient must obtain and maintain a Guaranty(ies), County will inform Subrecipient of this requirement and will provide Subrecipient at least fifteen (15) days to comply with County's determination. Once Subrecipient has obtained the required Guaranty(ies), County will re-evaluate the need for Subrecipient to continue maintaining the Guaranty(ies) for any subsequent Fiscal Year of the Subaward term.
- 9.19.5 The costs to obtain and maintain the Guaranty(ies) are potentially allowable and reimbursable under the terms of this Subaward. However, no additional funding will be allocated to the Subaward Sums in order for Subrecipient to pay for these costs. If Subrecipient intends to use existing Subaward Sums to offset the costs of the Guaranty(ies), this action requires a redistribution of Subaward Sums which will be initiated through a budget modification. This budget modification must be completed and submitted by Subrecipient for approval by County as noted in Subparagraph 9.9.2 (Budget Modifications). Prior to submitting this budget modification, Subrecipient will ensure that it will be able to adhere to all other required tasks, performance measures and other duties of this Subaward even after the Subaward Sums are redistributed (i.e., Subrecipient must continue to provide the required level of Services which would include the Guaranty(ies) for the same level of funding).

Subrecipient must receive evidence of a passing inspection (i.e., smog certificate) for each vehicle and must submit a copy of the smog certificate to County's Contract Manager on an annual basis in the manner and timeframe designated by County. When the vehicle(s) is not required to undergo a smog inspection during any year, Subrecipient must provide evidence (copy of vehicle registration, etc.) indicating that the inspection is not warranted for the specified year.

At a minimum, the Plan must include the following information:

- 9.21.1.2.1 Description of Subrecipient's organization (i.e., non-profit, for-profit, public/government, etc.).
- 9.21.1.2.2 Description of Subrecipient's general accounting policies, including its basis of accounting.
- 9.21.1.2.3 List of all the funded programs.

- 9.21.1.2.5 A detailed listing of all shared and pooled direct and indirect costs that will be allocated.
- 9.21.1.2.6 Identification of the Subaward year term for any information/documentation related to the Plan.
- 9.21.1.2.7 A thorough description of the methods used to allocate all shared or pooled direct or indirect costs and the auditable documentation for supporting each basis for allocation.
- 9.21.1.3 Every cost included in the Cost Allocation Plan must be supported by formal, documented accounting records, and the basis for its distribution must be calculated by actual usage (e.g., time distribution, number of Clients served, square footage, etc.) - arbitrary percentages or estimates are not allowed.
- 9.21.1.4 In order to certify the accuracy of the Cost Allocation Plan, Subrecipient must sign the Cost Allocation Plan and any revisions made thereto.
- 9.21.1.5 By May 1 of each Subaward year after the first Subaward year in a multi-year term (or upon extension of the term as provided in Paragraph 4.0 (Term of Subaward), Subrecipient must submit written confirmation that its Cost Allocation Plan methodology described in Subparagraph 9.21.1.2.7 will remain in effect throughout the following Subaward year. The Cost Allocation Plan methodology may only be revised once during any Subaward year.
- 9.21.1.6 In the event that the information provided in the Cost Allocation Plan as it relates to Subparagraphs 9.21.1.2.1 - 9.21.1.2.6 must be revised at any time during the Subaward term then

Subrecipient must submit the revisions to County's Compliance Manager within thirty (30) days of completing the revisions.

- 9.21.1.7 Upon receipt of the revisions made to Subrecipient's Cost Allocation Plan, County will review these revisions. Neither Subrecipient's submission of these revisions to its Cost Allocation Plan nor County's receipt of these revisions to Subrecipient's Cost Allocation Plan will constitute County's acceptance or approval of the Cost Allocation Plan revisions. County reserves the right to either accept or reject any revision(s) to the Cost Allocation Plan that County deems is unacceptable. County will notify Subrecipient in writing whether the revisions are approved or rejected. Upon rejection of the revisions, Subrecipient must take the required actions needed to correct its revisions. Subrecipient's failure to adhere to County's requirements will subject Subrecipient to remedies available under this Subaward.

9.21.2 Closeout Reporting Requirements

- 9.21.2.1 The final year-end invoice final year-end invoice will serve as the closeout; however if necessary, the County may impose a closeout process that occurs after the final year-end invoice submission. The closeout will take place upon the expiration or termination of the period in which Program Services are provided which includes the end of the Subaward term, the end of the Fiscal Year or any other period when the Subaward is terminated. The purpose of closeout is to ensure that final reports are received and evaluated, allowable costs are determined and amounts due to either County or to Subrecipient are determined and payment arrangements made. County will notify the Subrecipient if a closeout is required, and the Subrecipient must comply with the closeout reporting requirements as outlined in Subparagraph 9.21.2.
- 9.21.2.2 Subrecipient must complete and submit a mandatory Closeout Report in the form and manner designated by County. The Closeout Report must include the reporting of expenses and accruals incurred through the last day of the Fiscal Year or Program Year. County will notify Subrecipient of the deadline for submission of the Closeout Report.
- 9.21.2.3 Subrecipient must ensure that all invoices are submitted and finalized prior to the submission of its Closeout Report. County will not pay invoices that are received after Subrecipient has submitted the Closeout Report. Once County has reviewed and accepted Subrecipient's Closeout Report, the data reflected on the Closeout Report will be reported to State as final. Any

subsequent revisions will require the written signature and authorization of Authorized Representative.

9.21.2.4 If this Subaward is terminated or cancelled prior to June 30th of any Fiscal Year, the Closeout Report will be for that Subaward period which ends on the termination or cancellation date. Subrecipient must submit the Closeout Report after the termination/cancellation date in the manner and timeframe designated by County.

9.21.2.5 At the end of the funding cycle/during the closeout, Subrecipient must ensure that all of the following items match:

9.21.2.5.1 The Subaward Sum allocated by line items on Subrecipient's final approved Budget(s), where the Subaward Sum is the funding allocated for any Fiscal Year under this Subaward and it is distributed using the line items/cost categories reflected in Subrecipient's final approved Budget(s).

9.21.2.5.2 The Grant Share, which is allocated by line items on Subrecipient's Closeout Report, where the Grant Share is the actual Subaward Sum that Subrecipient has budgeted by line items/cost categories on its organization's accounting/fiscal records (i.e., general ledgers, etc.).

9.21.2.5.3 The Amount Received by line item as reported on Subrecipient's Closeout Report, where the Amount Received is the actual Subaward Sum reimbursed to Subrecipient for its line items.

9.21.2.6 In the event that the line item amounts reflected as the Subaward Sum on the final approved Budget(s), the Grant Share on the Closeout, and the Amount Received on the Closeout do not match at the time of closeout, for purposes of the closeout only, County will allow a maximum of ten percent (10%) variance between the Subaward Sum and Grant Share (specifically, the variance between the Subaward Sum line items reported on the final approved Budget(s) and the Grant Share line items reported on the Closeout Report).

9.21.2.6.1 For example, during the closeout, if the line item, Space, reflects a Subaward Sum of \$100 on the final approved Budget(s) then the Grant Share amount reflected on the Closeout Report for Space will be \$100, and the Amount Received reflected on the Closeout Report for Space will

be \$100. Alternatively, if the Subaward Sum for Space is reflected on the final approved Budget(s) as \$100 but the Grant Share for Space is reflected on the Closeout Report as \$95, and the Amount Received for Space is reflected on the Closeout Report as \$95 then the \$5 variance (which is five percent (5%) of the Subaward Sum amount for the Space line item) is within the allowable ten percent (10%) variance.

- 9.21.2.7 Subrecipient must ensure that the total Grant Share and the total Amount Received, which are reflected on the Closeout Report, do not exceed the total Subaward Sum reflected on the final approved Budget(s).

9.21.3 **Program Income Requirements**

- 9.21.3.1 Program Income includes, but is not limited to:
 - 9.21.3.1.1 Voluntary contributions received from Client or other party for Services received.

 - 9.21.3.1.3 Royalties received on patents and copyrights from Subaward-supported activities.
 - 9.21.3.1.4 Proceeds from the sale of items created under this Subaward.
- 9.21.3.2 Subrecipient must adhere to the Program Income requirements outlined herein and in Title 45 Code of Federal Regulations Part 75 et seq. and Title 2 Code of Federal Regulations Part 200 et seq.
- 9.21.3.3 Subrecipient must use Program Income to expand baseline Program Services.
- 9.21.3.4 Subrecipient must expend Program Income in Budget exhibit(s) and must expend Program Income under the same terms and conditions as the Subaward Sums from which it is generated. The use of Program Income is restricted to the funding source or Service that was provided and contributed towards.
- 9.21.3.5 Program Income must be used to pay for current allowable Program costs in the same Fiscal Year or Program Year that the Program Income is earned. If Program Income is earned in excess of the amount reported in Budget exhibit(s) then County will recapture the balance of the unexpended Program Income

or pursue any other remedies available to County under this Subaward.

9.21.3.6 Subrecipient will not use Program Income to meet the match contribution requirement of this Subaward.

9.21.3.7 Subrecipient will provide a disposition of all Program Income received and expended as part of the Closeout reporting process in the form, manner and timeline as designated by County.

Therefore, each distinct physical location of Subrecipient's organization (such as branches, divisions, and headquarters) will have its own, UEI number. Subrecipient may register for a UEI number at <https://sam.gov/content/entity-registration>. Subrecipient must comply with the requirements outlined in this Subparagraph 9.22.

9.22.2 Subrecipient must provide a valid UEI number using Exhibit E (Subrecipient's Administration) and must submit the completed Exhibit E (Subrecipient's Administration) in the time and manner as directed by County. Subrecipient must register the UEI number and maintain an "Active" status within the federal System for Award Management available online at <https://sam.gov/content/status-tracker>. If County cannot access or verify "Active" status for Subrecipient's UEI information, which is related to this Subaward on the Federal Funding Accountability and Transparency Act Subaward Reporting System, County will notify Subrecipient and Subrecipient must immediately update the information as required.

9.22.3 Subrecipient's failure to adhere to applicable UEI and SAM requirements may result in County imposing remedies as determined by County in its sole discretion.

9.24 **FEMA PROVISIONS**

9.24.1 In the event of an emergency (defined as a sudden, unexpected occurrence that poses a clear and imminent danger, requiring immediate action to prevent or mitigate the loss or impairment of life, health, property, or essential public services) and Federal Emergency Management Agency (FEMA) funds are made available under this Subaward, Subrecipient must comply with all requirements outlined in Exhibit M (FEMA Provisions). Subrecipient must complete the Lobbyist Certification attached to this Exhibit and submit it to County's Contract Manager in the time and manner as designated by County.

9.25 **INTENTIONALLY OMITTED**

9.26 **REDUCING SINGLE-USE PLASTICS**

(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be Rene Salas, City Manager or such person as may be designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number, compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant. Consultant represents and warrants that the personnel used to provide services to the City pursuant to this Agreement are classified by Consultant as employees and that Consultant issues or will issue a W-2 to such personnel.

In the event that Consultant or any employee, agent, subcontractor, or independent contractor of Consultant providing services under this Agreement claims or is determined by a federal or state agency, a court of competent jurisdiction, or the California Public Employees' Retirement System ("CalPERS") to be classified as other than an independent contractor for the City, then Consultant shall indemnify, defend, and hold harmless the City for the payment of any and all assessed fines, penalties, judgments, employee and/or employer contributions, and any other damages and costs assessed to the City as a consequence of, or in any way attributable to, the assertion that Consultant or any of Consultant's personnel used to provide the Services under this Agreement are other than independent contractors of the City.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

Without limiting Consultant's indemnification of City, and prior to commencement of any services under this Agreement, Consultant shall obtain, provide and maintain at its own expense

during the term of this Agreement, policies of insurance of the type and amounts described below and in a form satisfactory to City.

(a) General liability insurance. Consultant shall maintain commercial general liability insurance with coverage at least as broad as Insurance Services Office form CG 00 01, in an amount not less than \$2,000,000 per occurrence, \$4,000,000 general aggregate, for bodily injury, personal injury, and property damage. The policy must include contractual liability that has not been amended. Any endorsement restricting standard ISO “insured contract” language will not be accepted.

(b) Automobile liability insurance. Consultant shall maintain automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with Services to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than \$1,000,000 combined single limit for each accident.

(c) Professional liability (errors & omissions) insurance. Consultant shall maintain professional liability insurance that covers the Services to be performed in connection with this Agreement, in the minimum amount of \$1,000,000 per claim and in the aggregate. Any policy inception date, continuity date, or retroactive date must be before the effective date of this Agreement and Consultant agrees to maintain continuous coverage through a period no less than three (3) years after completion of the services required by this Agreement.

(d) Workers’ compensation insurance. Consultant shall maintain Workers’ Compensation Insurance (Statutory Limits) and Employer’s Liability Insurance (with limits of at least \$1,000,000).

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit “B”.

5.2 General Insurance Requirements.

(a) Proof of insurance. Consultant shall provide certificates of insurance to City as evidence of the insurance coverage required herein, along with a waiver of subrogation endorsement for workers’ compensation. Insurance certificates and endorsements must be approved by City’s Risk Manager prior to commencement of performance. Current certification of insurance shall be kept on file with City at all times during the term of this Agreement. City reserves the right to require complete, certified copies of all required insurance policies, at any time.

(b) Duration of coverage. Consultant shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Services hereunder by Consultant, its agents, representatives, employees or subconsultants.

(c) Primary/noncontributing. Coverage provided by Consultant shall be primary and any insurance or self-insurance procured or maintained by City shall not be required to contribute with it. The limits of insurance required herein may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of City before the City's own insurance or self-insurance shall be called upon to protect it as a named insured.

(d) City's rights of enforcement. In the event any policy of insurance required under this Agreement does not comply with these specifications or is canceled and not replaced, City has the right but not the duty to obtain the insurance it deems necessary and any premium paid by City will be promptly reimbursed by Consultant or City will withhold amounts sufficient to pay premium from Consultant payments. In the alternative, City may cancel this Agreement.

(e) Acceptable insurers. All insurance policies shall be issued by an insurance company currently authorized by the Insurance Commissioner to transact business of insurance or that is on the List of Approved Surplus Line Insurers in the State of California, with an assigned policyholders' Rating of A- (or higher) and Financial Size Category Class VI (or larger) in accordance with the latest edition of Best's Key Rating Guide, unless otherwise approved by the City's Risk Manager.

(f) Waiver of subrogation. All insurance coverage maintained or procured pursuant to this agreement shall be endorsed to waive subrogation against City, its elected or appointed officers, agents, officials, employees and volunteers or shall specifically allow Consultant or others providing insurance evidence in compliance with these specifications to waive their right of recovery prior to a loss. Consultant hereby waives its own right of recovery against City, and shall require similar written express waivers and insurance clauses from each of its subconsultants.

(g) Enforcement of contract provisions (non-estoppel). Consultant acknowledges and agrees that any actual or alleged failure on the part of the City to inform Consultant of non-compliance with any requirement imposes no additional obligations on the City nor does it waive any rights hereunder.

(h) Requirements not limiting. Requirements of specific coverage features or limits contained in this section are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If the Consultant maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

(i) Notice of cancellation. Consultant agrees to oblige its insurance agent or broker and insurers to provide to City with a thirty (30) day notice of cancellation (except for nonpayment for which a ten (10) day notice is required) or nonrenewal of coverage for each required coverage.

(j) Additional insured status. General liability policies shall provide or be endorsed to provide that City and its officers, officials, employees, and agents, and volunteers shall be additional insureds under such policies. This provision shall also apply to any excess/umbrella liability policies.

(k) Prohibition of undisclosed coverage limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

(l) Separation of insureds. A severability of interests provision must apply for all additional insureds ensuring that Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer's limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

(m) Pass through clause. Consultant agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by Consultant, provide the same minimum insurance coverage and endorsements required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to City for review.

(n) Agency's right to revise specifications. The City reserves the right at any time during the term of the contract to change the amounts and types of insurance required by giving the Consultant ninety (90) days advance written notice of such change. If such change results in substantial additional cost to the Consultant, the City and Consultant may renegotiate Consultant's compensation.

(o) Self-insured retentions. Any self-insured retentions must be declared to and approved by City. City reserves the right to require that self-insured retentions be eliminated, lowered, or replaced by a deductible. Self-insurance will not be considered to comply with these specifications unless approved by City.

(p) Timely notice of claims. Consultant shall give City prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability policies.

(q) Additional insurance. Consultant shall also procure and maintain, at its own cost and expense, any additional kinds of insurance, which in its own judgment may be necessary for its proper protection and prosecution of the work.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or

liabilities”) that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable (“indemnitors”), or arising from Consultant’s or indemnitors’ reckless or willful misconduct, or arising from Consultant’s or indemnitors’ negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys’ fees incurred in connection therewith;

Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys’ fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City’s sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City’s negligence, except that design professionals’ indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination or expiration of this Agreement.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the “books and records”), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be

maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, Consultant with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered “voluntary” provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney’s fees, caused by or incurred as a result of Consultant’s conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons

for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel

specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et seq. and 910 et seq., in order to pursue a legal action under this Agreement.

7.7 Liquidated Damages.

Since the determination of actual damages for any delay in performance of this Agreement would be extremely difficult or impractical to determine in the event of a breach of this Agreement, the Contractor and its sureties shall be liable for and shall pay to the City _____ liquidated damages for each working day of delay in the performance of any service required hereunder, as specified in the Schedule of Performance (Exhibit "D"). The City may withhold from any monies payable on account of services performed by the Contractor any accrued liquidated damages. Pursuant to Government Code Section 4215, Contractor shall not be assessed liquidated damages for delay in completion of the project when such delay was caused by the failure of the public agency or owner of the utility to provide for removal or relocation of utility facilities.

7.8 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days' written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.9 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.10 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C. § 1101 *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of South El Monte, 1415 Santa Anita Avenue, South El Monte, California 91733 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of “financial interest” shall be consistent with State law and shall not include interests found to be “remote” or “noninterests” pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. City Council Agenda Report

Agenda Item No. 8.a.

DATE: July 1, 2025

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rene Salas, City Manager

SUBMITTED BY: Masami Higa, Director of Finance

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 25-061, APPROVING SPECIAL ASSESSMENT FOR UNPAID TRASH COLLECTION FEES AS OF MARCH 31, 2025, DELINQUENT AND OUTSTANDING AT JUNE 1, 2025.

SUMMARY: Pursuant to Article 4, Section 13.12.290, of the South El Monte, California Municipal Code, and California Health & Safety Code Sections 5470 et seq., the City Council of the City of South El Monte ("City") will hold a Public Hearing to consider a Special Assessment against property owners for delinquent trash collection fees. The City is proposing to place these delinquent accounts on the Los Angeles County tax roll for collection with the City's General Property Taxes and has prepared and filed a written report (the "Report" as Exhibit A to the Resolution) describing each delinquent parcel of real property.

RECOMMENDED ACTION: Staff recommends City Council:

1. Open the public hearing;
2. Take public testimony and protests to the amount of the fees and the Report;
3. Close the public hearing;
4. Count/tabulate protests, announce results and consider all objections or protests, if any, to the Report; and
5. Assuming there is no majority protest by the owners of a majority of the separate parcels subject to the delinquent charges, then adopt, by a two-thirds vote of the Council membership, Resolution 25-061 (Attachment A hereto), approving the Report of delinquent accounts to be placed as a Special Assessment on the FY2025-2026 property tax roll and authorizing the City Manager, or his designee, to submit to the Los Angeles County Assessor the delinquent account Report.

FISCAL/FINANCIAL IMPACT: There were \$5,737.07 of unpaid trash collection fees on March 31, 2025, delinquent and outstanding on June 1, 2025, that can be added as a direct assessment on the FY2025-26 property tax roll, including fees paid to the County of Los Angeles Department of Auditor-Controller for providing the direct assessment

services as follows:

\$250.00 setup fee
\$0.25 input fee
\$50.00 per account

As there are 23 delinquent accounts, Staff estimates total County fees to be \$1,405.75, which will be equally divided among the delinquent accounts:

$\$250.00 + (23 \times \$0.25) + (23 \times \$50.00) = \$1,405.75$
 $\$1,405.75 \div 23 \text{ delinquent accounts} = \$61.12 \text{ County fee per delinquent account}$

The expected fiscal impact to the General Fund is a total revenue of \$7,142.82.

DISCUSSION: The terms of the City's exclusive Solid Waste Franchise Agreement prohibit Athens Services from stopping trash collection services when bills are delinquent. This is to prevent the tenants from suffering consequences due to the owner or property manager's delinquency on payments. In addition, halting services prevents customers from resorting to discarding/abandoning refuse in the right-of-way and other areas susceptible to illegal dumping, or in containers that do not belong to them. Section 13.12.290(B) (Billing and Collection of Rates, Fees and Charges) of Article 4 (Rates) of Title 13 (Solid Waste Handling and Recycling Services) of the South El Monte Municipal Code allows for the collection of delinquent trash collection fees on the property tax rolls.

On June 12, 2025, Athens Services submitted to the City a list of twenty-three (23) trash collection account holders that were delinquent in amounts ranging from \$61.34 to \$546.66. For the County to collect the delinquent charges on the tax roll for the City, the City Council is required to provide written notice to the account holders of their delinquent status, prepare a report of the delinquent charges and affected properties, and hold a noticed public hearing. Staff prepared a report listing all parcels with their corresponding assessments; the Report, at Attachment A, is also available for public review at City Hall during business hours and has been made available to the public in accordance with applicable law. Based on the Public Notice (Attachment B hereto), the Report, and efforts by Athens, some trash collection customers have paid the delinquent amounts, and as of June 1, 2025, twenty-three (23) accounts remain delinquent. Staff mailed letters inviting all property owners of the parcels receiving trash collection services with delinquent payments to this public hearing.

The purpose of this hearing is to give delinquent account holders an opportunity to protest the amount of the fees and request a waiver or adjustment of the fees. Affected property owners are afforded an opportunity to submit oral testimony, or make formal objections or protests, to the collection of the delinquent trash collection charges on the property tax roll. However, to qualify as a valid (or formal) "protest" to be counted, the account holder must submit such objection in accordance with the instructions in the Public Hearing Notice, including without limitation the following:

- A. Any record of owner of a property subject to the proposed Special Assessment may submit a written protest to the proposed Special Assessment; provided, however, only one protest will be counted per identified parcel.
- B. Any written protest must:
 - 1. State the identified property owner is in opposition to the proposed Special

Assessment;

2. Provide the location of the identified parcel (by assessor's parcel number or street address), and if available, the Athens account number; and
3. Include the name and signature of the property owner submitting the protest.

Further instructions for the qualification of protest are contained in the Public Notice.

If objections or protests are not made by the owners of a majority of the separate parcels subject to the delinquent charges, the City Council may adopt the Report of the charges and direct the City Manager, or his designee, to request the Los Angeles County Auditor Controller to collect them as a direct assessment in the same manner and time as County taxes by placing them onto the property tax roll for FY2025-2026. Pursuant to Health and Safety Code Section 5473, this requires a two-thirds vote of the Council membership:

"Any entity which has adopted an ordinance or resolution pursuant to this article or an order pursuant to Section 6520.5 may, by such ordinance or resolution or by separate ordinances or resolutions approved by a *two-thirds vote of the members of the legislative body* thereof, elect to have such charges collected on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, its general taxes... "

Under Health and Safety Code Section 5473.3, the City Council "may adopt, revise, change, reduce or modify any charge or overrule any or all objections and shall make its determination upon each charge as described in" the Report. *However, if the tabulation of written protests demonstrates that "protest is made by the owners of a majority of separate parcels of property described in the report, then the report shall not be adopted and the charges shall be collected separately from the tax roll and shall not constitute a lien against any parcel or parcels of land."* (Health & Safety Code §5473.2.)

If trash collection fees are delinquent, the total sum of unpaid delinquent charges and penalties for trash collection services, plus City administrative and assessment charges of \$75, will be placed as a lien on the property.

- (2) provide the location of the identified parcel (by assessor's parcel number or street address) and if available, please provide the Athens account number; and
- (3) include the name and signature of the property owner submitting the protest.

If the person submitting the written protest is the owner of record but was not shown on Los Angeles County's last equalized assessment roll as the property owner, that person must provide written evidence that the person is the property owner. Written protests may be submitted by mail or in person and must be received (not postmarked) by the City Clerk's Office, prior to the close of the public comment portion of the Public Hearing on July 1, 2025. 2. Take public testimony;
3. Adopt the written report; and
4. Adopt Resolution No. 25-062, adopting the Written Report and approving the annual levy of the Sewer Service Fee for Fiscal Year 2025-2026 at \$35.37 per sewer unit.

FISCAL/FINANCIAL IMPACT: The Sewer Service Fee is levied on all parcels in the City to fund needed improvements and upgrades to the City's System. According to the proposed Fee, levied at the rate of \$35.37 per sewer unit, the expected fiscal impact is \$396,020.20 for Fiscal Year 2025-2026.

DISCUSSION: On July 27, 2010, the City Council adopted Ordinance No. 1141 (the "Ordinance") to establish the Sewer Service Fee; authorize the City to levy the Fee on all parcels in the City; fund needed improvements and upgrades to the City's System; and, authorize the City to collect the Fee on the County of Los Angeles tax roll. Pursuant to the Ordinance, the City Council set the Fee for FY 2010-11 at \$33.00 per sewer unit and has since set the annual levy of the Sewer Service Fee for each fiscal year thereafter in accordance with the Consumer Price Index (CPI) and based on System improvement

and upgrade needs identified through continued monitoring.

Health and Safety Code section 5470 et seq. authorizes the City Council to elect to have the Fee collected in the same manner and at the same time as payments are made for property taxes for each property. As required by the Health and Safety Code, in each year that the City levies and collects the Fee on the tax roll, the City must prepare a report (the "Written Report") that contains a description of each parcel of real property to which the Fee is applicable (the "Identified Parcels"), and the amount of the Fee for each Identified Parcel, and must hold a public hearing regarding the Written Report. City staff has prepared the Written Report.

The 20-Year Program and Written Report, on file in the City Clerk's Office, provides a basis for setting the Fee for FY 2025-2026 at \$41.87 per sewer unit due to inflation. However, staff does not foresee a need to increase the Fee this year for improvements and upgrades to the City's System. Therefore, staff recommends that the Fee be maintained at the level established by the City Council for FY 2015-16, set at \$35.37 per sewer unit, which does not constitute an increase. Staff will monitor the City's needs during FY 2025-2026 to determine whether the Fee should be increased in subsequent years with ample time to comply with Proposition 218 as appropriate.

The City Clerk caused notice of the filing of the Written Report with the time and place of a hearing thereon to be published in accordance with Health and Safety Code section 5473.1. The Notice of Public Hearing ("Notice") on the Written Report and the proposed levy and collection of the Fee on the tax roll was published on May 16, 2025, in the San Gabriel Valley Tribune, no less than the required minimum 45-day notice.

As stated in the Notice, on July 1, 2025, at 6:00 p.m. or thereafter, the City Council will hear and consider all objections or protests, if any, to the proposed Fee. If the City Council finds that protests are made by the owners of a majority of the Identified Parcels, then the Written Report shall not be adopted, and although the City may still impose the Fees for Fiscal Year 2025-2026, such fees must be collected separately from the tax roll and shall not constitute a lien against any parcel or parcels of land. Upon conclusion of the Public Hearing, the City Council may adopt, but may not increase, the Fee.

The proposed Resolution No. 25-062 approves the Written Report, as recommended by staff and as modified, to maintain the amount of the Fee at \$35.37 per sewer unit and levies the Fee for Fiscal Year 2025-2026, as authorized by the Ordinance.

A RESOLUTION OF THE SOUTH EL MONTE CITY COUNCIL APPROVING THE ANNUAL LEVY OF THE SEWER SERVICE FEE FOR FISCAL YEAR 2025-2026

WHEREAS, the City is empowered by California Health and Safety Code Sections 5470 *et seq.* and Ordinance No. 1141 (the “Ordinance”) of the City Council of the City of South El Monte, adopted on July 27, 2010, the Ordinance, to levy an annual sewer service fee (the “Fee”) and to have such Fee collected on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the general taxes of the City; and

WHEREAS, the City Council has caused a written report (the “Written Report”) to be prepared and filed with the City Clerk containing a description of each parcel of real property within the City to which the Fee is applicable (the “Identified Parcels”) and the amount of the Fee for each Identified Parcel for Fiscal Year 2025-2026, computed in conformity with the Ordinance; and

WHEREAS, following notice given in accordance with the law, the City Council held a full and fair public hearing on July 1, 2025, to consider the Written Report, and protests and objections to the proposed Fee, and whether to levy the Fee for the fiscal year commencing July 1, 2025, and ending June 30, 2026; and

WHEREAS, at the public hearing, all interested persons were afforded the opportunity to hear and be heard regarding protests and objections to the levy and collection of the proposed Fee. The City Council considered all oral and written statements, protests and communications made or filed by interested persons; and

WHEREAS, based upon the evidence presented at the hearing, including the Written Report, the City Council hereby finds and determines:

- (i) revenues to be derived from the proposed sewer service fee will not exceed the funds required to provide sewer service,
- (ii) revenues to be derived from the proposed sewer service fee will not be used for any purpose other than to provide sewer service,
- (iii) the amount of the proposed sewer service fee imposed upon any parcel will not exceed the proportional cost of the sewer service attributable to the parcel,
- (iv) no proposed sewer service fee will be imposed unless sewer service is actually used by, or immediately available to, the owner of the property in question, and
- (v) the proposed sewer service fee will not be imposed for general government services where the service is available to the public at large in substantially the same manner as it is to property owners.

NOW, THEREFORE, THE SOUTH EL MONTE CITY COUNCIL HEREBY RESOLVES AS FOLLOWS:

SECTION 1. Based upon the foregoing, the City Council hereby approves the Written Report as modified, maintaining the Fee at \$35.37 per sewer unit, and levies the Fee for Fiscal Year 2025-2026 in the amount of \$35.37 per sewer unit, as set forth in the Written Report, as modified.

SECTION 2. The adoption of this Resolution constitutes the levy of the Fee against the Identified Parcels for the fiscal year commencing July 1, 2025, and ending June 30, 2026.

SECTION 3. The fee shall be collected for each fiscal year on the County of Los Angeles tax roll in the same manner, by the same person, and at the same time as, together with and not separately from, the general taxes of the City.

SECTION 4. The City Clerk is hereby authorized and directed to file the Written Report, as modified, with the City Treasurer with a statement endorsed on said Written Report over the City Clerk's signature that the Written Report, as modified, has been approved and finally adopted by the City Council. Upon receipt of the Written Report, as modified, from the City Clerk, the City Treasurer shall enter the amount of the Fee against the Identified Parcels as they appear on the current assessment roll.

SECTION 5: The City Clerk is hereby further authorized and directed to file with the County Auditor of the County of Los Angeles a copy of the Written Report, as modified, with a statement endorsed thereon over the City Clerk's signature that the Written Report, as modified, has been approved and finally adopted by the City Council, with a certified copy of this Resolution.

City Council Agenda Report

Agenda Item No. 9.a.

DATE: July 1, 2025

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rene Salas, City Manager

SUBMITTED BY: Gerardo Marquez, Interim Director of Community Development

SUBJECT: CONTINUED FROM THE JUNE 3, 2025, REGULAR CITY COUNCIL MEETING - UPDATE ON CANNABIS BUFFER ZONE MAPS

SUMMARY: Cannabis Buffer Zone Alternatives

RECOMMENDED ACTION: Staff recommends the City Council review the provided maps and provide staff direction to maintain the current or modify the buffer zone and eligible zones for retail commercial cannabis operations within the South El Monte Municipal Code.

FISCAL/FINANCIAL IMPACT: No Anticipated Fiscal Impact

DISCUSSION:

On November 8, 2022, the voters of South El Monte approved Measure CM, which led to the adoption of Ordinance No. 1260. This ordinance added Chapter 5.26 to Title 5 of the South El Monte Municipal Code to allow for the permitting and regulation of retail commercial cannabis operation within the city, allowing for the future issuance of a maximum of three retailer commercial cannabis operation permits. On September 26, 2023 City Council adopted Ordinance No. 1268, amending Chapter 5.26 to Title 5 of the South El Monte Municipal Code.

Currently, the City of South El Monte only allows for cannabis retail as a permitted use within the C (Commercial) and C-M (Commercial Manufacturing) zones, including any overlay zone districts covering the C or C-M zones. Additionally, the South El Monte Municipal Code currently includes a buffer requirement that cannabis retailers be located at least 1,000 feet from the following:

- Other Cannabis Retail Operations
- Alcohol or Drug Treatment Facility
- Day Care Centers
- Religious Institutions
- Schools

- Youth Centers
- City Jurisdictional Boundary
- Residential Zoned Properties
- Parks

At the March 18th City Council Meeting, staff was directed to provide different variations of the Cannabis Retailer Buffer map showing alternative buffer distances as well as the inclusion of Manufacturing zoned lots.

The attached maps display the lots that would be eligible for cannabis retailer uses if the City amends its permitted zoning for cannabis retailers to add Manufacturing under the current 1,000 buffer requirement, and potential reduced buffers of 900, 800, 700, and 600 feet. The pink lots represent the Commercial-Manufacturing zoned lots and the blue parcels represent the Manufacturing zoned lots. The table below shows the amount of parcels that could be available in each zone for each alternative.

	1,000 ft. Buffer	900 ft. Buffer	800 ft. Buffer	700 ft. Buffer	600 ft. Buffer
Commercial Manufacturing	4	8	14	17	24
Manufacturing	12	42	77	146	250

Only cannabis retailers issued a valid city commercial cannabis operation permit, among other approvals, are allowed to operate in the City. The City has not yet issued any city commercial cannabis operation permits. The City is currently working with a consultant who will assist in evaluating future cannabis applicants to ensure that the most suitable operator is chosen to do business within the City of South El Monte.

DISCUSSION: The City has been a long-time sponsor and supporter of AYSO. This nonprofit organization is composed of volunteers and serves the City by providing a soccer league for children between the ages of three (3) and sixteen (16). AYSO is requesting a facility fee waiver in the amount of \$41,000.00 for the use of Shively Park field to host their 2025-2026 season beginning August 11, 2025, to February 28, 2026, for scheduled practices Monday through Friday from 5:45 p.m. to 8:45 p.m. and games Saturdays and Sundays from 9:00 a.m. to 1:00 p.m. In addition, AYSO is requesting the City Council consider waiving the Shively Park light fees, in the estimated amount of \$12,450.00.

According to the current City Council-approved Facility Reservation Regulations and Fee Schedule, community partners and non-profit organizations are permitted a facility fee waiver request, which solely covers the facility reservation rental fee. All other fees related to the facility reservation such as, but not limited to, staff time, insurance coverage, light fees, etc. are the responsibility of the organization. The City Council has the discretion to approve or deny any request not approved in the Facility Reservation Regulation and Fee Schedule.

AMERICAN YOUTH SOCCER ORGANIZATION

June 18, 2025

City of South El Monte
Madam Mayor
And City Council
Council

I would like to take this opportunity to sincerely thank you for your invaluable support over the past 25+ years. As a 100% volunteer-run nonprofit organization, we could not provide a world-class youth soccer program without your partnership. Thanks to your continued support, we've been able to enrich the lives of countless children in the South El Monte community—fulfilling our vision and mission.

Our region serves children ages 3 to 19, offering not only a dynamic soccer experience but also comprehensive training programs. We provide age-specific coaching certification and a highly regarded referee development pathway, ranging from basic instruction to the National Level Badge. Importantly, all training is provided at no cost to our volunteers.

We're also excited to announce our continuation of this great program for the 2025–2026 season: **AYSO EPIC (Every Player In our Community)**. This program is specifically designed to serve children with special needs, ensuring everyone has the opportunity to play and grow through soccer. You can learn more about this impactful program here: <https://youtu.be/rB6VG8J46qo>.

As we prepare for the upcoming season, which begins August 1, 2025, we kindly request your continued support. Specifically, we are asking for permission to use **Shively Middle School Park**, its lighting, and the Community Center Amphitheater at no cost.

Thank you once again for your unwavering support of our youth and community. We look forward to another successful season with your help.

City Council Agenda Report

Agenda Item No. 9.c.

DATE: July 1, 2025

TO: Honorable Mayor and Members of the City Council

APPROVED BY: Rene Salas, City Manager

SUBMITTED BY: Masami Higa, Director of Finance, Iyob Tessema, Director of Human Resources & Risk Management

SUBJECT: CONSIDERATION AND APPROVAL OF RESOLUTION NO. 25-063, AMENDING AND STREAMLINING THE PROVISIONS FOR MEDICAL OPT OUT AND ADMINISTRATION LEAVE

SUMMARY: Approval of Resolution No. 25-063, amending and streamlining the provisions for Medical Opt-Out and Administrative Leave.

RECOMMENDED ACTION: Staff recommends City Council adopt Resolution No. 25-063, amending and streamlining the provisions for Medical Opt-out and Administrative Leave.

FISCAL/FINANCIAL IMPACT: The fiscal impact for medical opt-out would depend on the number of employees who decide to waive their City health insurance coverage each year. The option for medical opt-out would take place each fall during Open Enrollment and would take effect January 1st of each calendar year.

For fiscal year 2025-2026, there would only be a 6-month savings based on the number of employees who opt-out of medical insurance, but for future fiscal years, a full 12-months savings would be achieved.

There is no fiscal impact for administrative leave.

DISCUSSION:

Medical Opt-Out

The City looked at surrounding cities to see what medical opt-out (if any) is provided to their employees. We found that half of the surrounding cities offer their employees 50% to 80% of the health premium for opting out of medical coverage.

	Pasadena	Bell	Santa Fe Springs	Pico Rivera	West Covina	El Monte	Norwalk	Rosemead
Medical Opt Out (per month)	65% of premium	\$ 500.00	80% of premium	80% of premium	\$ 600.00	\$ 600.00	50% of unused allocation	\$ 500.00

Also, staff reached out to all eight cities, and five cities provide similar medical opt-out benefits to City Council members, but two do not, where one did not respond.

	Pasadena	Bell	Santa Fe Springs	Pico Rivera	West Covina	El Monte	Norwalk	Rosemead
City Council included in Medical Opt-Out?	Yes	No	TBD	Yes	No	Yes	Yes	Yes

The City is requesting to change the medical opt-out benefit for employees to 65% of health premium. The intent is to share premium savings between the employer and employee, which would result in a mutual benefit. Below are the current Kaiser Permanente monthly rates, along with an example of what the Medical Opt-Out would look like for employees and the City savings.

<u>Kaiser Permanente Plan</u>	<u>Current Rate</u>	Medical Opt-Out 65%		City Savings 35%	
		<u>Monthly</u>	<u>Yearly</u>	<u>Monthly</u>	<u>Yearly</u>
Subscriber	\$ 926.52	\$ 602.24	\$ 7,226.86	\$ 324.28	\$ 3,891.38
Subscriber & 1 Dependent	\$ 1,853.04	\$1,204.48	\$14,453.71	\$ 648.56	\$ 7,782.77
Subscriber & 2 Dependents	\$ 2,408.95	\$1,565.82	\$18,789.81	\$ 843.13	\$10,117.59

Medical Opt-out would be paid to employees twice a month via payroll with the following provisions:

- Medical Opt-Out is not reported to CalPERS as earnings.
- Medical Opt-Out is taxable.
- Employee electing to cancel City health insurance coverage for themselves and all eligible family members must provide proof of coverage yearly during open enrollment.
- Employee must not be receiving Medicare or MediCal.
- Employee will need to sign a document stating his/her desire to waive their City health insurance coverage on a yearly basis only if the following apply:
 - The unit employee had coverage through another (non-City) benefit plan prior to open enrollment (e.g. spouse's coverage through another employer) and must waive any liability to the City for their decisions to cease coverage under the City's health insurance plan.
- Employees and their dependents will only be eligible to reinstate their health coverage during open enrollment periods or upon loss of other coverage as permitted by CalPERS under Special Enrollment Periods for a qualifying event within a 60-day period of such an event.
- Medical opt-outs will take place each fall during Open Enrollment and will be effective from January 1st to December 31st of each year.

Administrative Leave

In comparing the City of South El Monte's benefits to surrounding cities, staff also noticed that South El Monte's Administrative Leave hours were in general lower than surrounding cities.

		South Pasadena	Bell	Santa Fe Springs	Pico Rivera	West Covina	El Monte	Norwalk	Rosemead
Administrative / Management Leave (per year)	Directors	90	80	80	80	140	100	80	80
	Mid Managers	90	40	0	60	**60	40	80	60

**Add'l 60
with CM
approval

Staff is recommending and seeking City Council consideration and approval to update South El Monte's Administrative Leave hours from 40 hours to 80 hours to be in line with surrounding cities.

1. A Review of City Reserves and its Purpose
2. South El Monte Public Safety Officers Less Expensive than Contract Public Safety Officers
3. Special City Council Meetings

SUMMARY:

1) A Review of City Reserves and Its Purpose

Since the inception of the modern U.S. economy, the daily, monthly, and even yearly economic indices and indicators typically go up and down. However, over the long run, these economic indices have risen and increased steadily over time. In 2021, after the passage of the Measure ES and a forecasted growing and flourishing economy, the 5-year South El Monte economic forecast predicted an increasing surplus. In 2025, the 5-year South El Monte economic forecast is predicting an increasing deficit due to economic uncertainty created by the current national administration. This deficit is due to an expected decrease in sales-tax revenue at the current spending mode. The city can mitigate the effects of a forecasted deficit by reducing spending and matching it to its expenditures. This plan will clearly reduce city services by neither providing them, or by not having personnel to fulfill them. Or the city can use its reserves in order to maintain and preserve city services, until the economy improves, which historically is bound to do. The city reserves should be used during economic uncertainty. If not now, then when? When should the city reserves be used?

2) South El Monte Public Safety Officers Less Expensive than Contract Public Safety Officers

Two (2) Full-time and two (2) Part-time Contract Public Safety Officers will cost \$258,773.

Two (2) Full-time and two (2) Part-time South El Monte Public Safety Officers will cost

\$234,237 (figure includes benefits).

The difference between the two costs is \$24,536 and an **increased cost for Contract Public Safety Officers**...which means...eliminating the SEM PSO team and contracting PSOs will add to and increase the forecasted city deficit.

Further savings can also be deduced. If the two (2) SEM FT PSO take the Medical Opt-out of 65%, the savings to the city is \$21,926...reducing the cost of the 4-man SEM PSO team down to \$212,310.

And a difference of **\$46,463 more for Contract PSOs**.

Keep in mind they are a revenue generating department. In FY2024...they generated \$157,022 and are expected to generate more in FY2025.

Using the FY2024 revenue (\$157,022) as an estimate, the cost of the 4-man SEM PSO team is reduced to \$77,215 without medical opt-out, and reduced to \$55,288 with medical opt-out.

Eliminating the South El Monte Public Safety Officers is not cost-effective, and should remain in the FY2025-2026 budget.

3) Special City Council Meetings

On Thursday, December 12, 2024, Councilmembers Hector Delgado, Larry Rodriguez, and Rudy Bojorquez called for a special city council meeting to be held on Monday, December 16, 2024. The special meeting was for closed session agenda items: city attorney performance review, city attorney dismissal/release, and appointment of a city attorney.

On Tuesday, June 24, 2025, Mayor Pro Tem Hector Delgado, and Councilmembers Larry Rodriguez and Rudy Bojorquez again called for a special city council meeting to be held on the next day, Thursday, June 26, 2025. This time, the special meeting was called for approval of the FY2025-2026 Budget.

Several questions come to mind. What are the criteria for having a special city council meeting? How are the topics (agenda items) for the special meetings picked or decided on? What is the procedural process for requesting and granting a special meeting? Does the public have access to the details of how the special meeting was requested and how the agenda items were picked? Should the city council set up criteria for holding special city council meetings?
